COMMUNICATION

I am Ada. We were glad
to get your letters and you
no doubt have some of ours
by this time. This is a
picture of the depot where
we landed. We are all
well and the children
are down stairs playing
and singing. They talk
about you all nearly
every day but are both
happy and contented.
We hope you will all
have a happy Thanksgiving
giving day - & will write
again in a few days -
All send love - Cora
