

What Patrons Say—

ABOUT THE FRIENDLY ECONOMY-LUXURY CALIFORNIAN

- “Last week I had occasion to travel on the Friendly Californian, accompanied by a very feeble, bewildered and forgetful little old lady. It was necessary to have added assistance in caring for her. The entire crew, from dining car steward to conductor were very kind, but most especially bespeak my thanks for the courtesies rendered by your Stewardess-Nurse. She was so quietly efficient and sincere that I felt she was genuinely interested in the welfare of her passengers.”
- “Appreciated the character of service given by your employees and the high quality of meals served on my various trips on the Californian.”
- “I found the Californian's club lounge car very attractive and comfortable. The restful chairs and pleasant surroundings added much to my trip.”
- “I was agreeably surprised to find that tourist sleeping cars have all the necessary comforts and conveniences of standard sleepers and at such a great saving too.”
- “I have just returned from a trip to Los Angeles on the Californian, and it was, without exception, the most enjoyable trip I have ever experienced.”
- “I rode the chair car for women only on the Californian. It was a pleasant surprise in view of the fact that it was also very economical. You are to be commended on your selection of such splendid Stewardess-Nurses.”
- “I certainly enjoyed my trip west on the Californian, and why shouldn't I? A wonderful train—smooth riding track and good company all the way.”
- “Having traveled extensively I want to assure you that the service rendered in your dining car on the Californian is not only moderate in price but is high grade in every respect and served in a high class manner. The Public should be happy to obtain such service.”
- “Helping me with my small son who was very ill, your Stewardess-Nurse was competent and patient. Travel on the Californian is a pleasure.”
- “Of all the trains I have been privileged to travel on I have never met with such splendid courtesy as it was my pleasure to enjoy on the Californian.”
- “We wish to thank you for the uniform courtesy extended to us by every one with whom we came in contact from the beginning to the end of our trip, which leaves such a pleasant memory that we shall wish to repeat it and tell our friends about your wonderful train—the Friendly Californian.”
