When your train arrives you still won't be where you're going. To get where you're going, rent a car from Hertz. In every major city there's a Hertz counter dispensing Fords and other good cars. When you arrive, head for us.

Please make return reservations for Chair Car or Sleeping Car accommodations as soon as possible.

We also appreciate your cooperation by cancelling reservations if your plans change. PLEASE DON'T BECOME A "NO SHOW."

We make every effort to maintain published schedules, however, if you miss your connections the Santa Fe Passenger Representative located in major terminals will assist in every way he can to arrange your trip on the first available train.

Before starting your return trip we suggest you check your schedule with the local ticket agent to make sure of departure time.
