HERE

This land of sage and cactus and mesquite, of frowning volcanic piles, tremendous chasms, towering mountains, rich valleys, pine parks, burned out lava beds, deserts, painted rocks, mesas, and buttes, aglow with color, and overhung with an arch of deepest blue, is Arizona.

The desert throws its spell over all who learn to know it. Its frequent wide stretches of rugged horizon exert a fascination—potent even upon those who can least define its charm.
