

H-3122 THE SPANISH PEAKS, BETWEEN LA JUNTA AND TRINIDAD, COLORADO

W. E. Harvey

TRADE MARK

POST CARD

STAMP

The Spanish Peaks are twin mountains at the end of a spur of the Culebra Range of the Rockies, northwest of Trinidad. They are covered with snow throughout the year. They alternately appear and disappear until the summit of Raton Pass has been reached. They are best seen between Tyrone and Hoehnes.
