

THE TURQUOISE ROOM

This distinctive private dining room is located in the Pleasure Dome car. Designed to serve private parties of 6 to 10 persons, the Turquoise Room must be reserved in advance for private dining parties at night, or private cocktail parties in the afternoon. Consult the dining car steward about reservations.

LOUNGE FACILITIES

The Pleasure Dome Lounge provides a delightful dome observation, as well as a spacious main lounge and lower cocktail lounge.

In this car will be found a writing desk, stationery, and magazines. Daily newspapers are placed aboard at various cities en route.

DINING CAR SERVICE

The Dining Car features food in the fine Fred Harvey manner. Meals can be served in your room for a modest service charge—just ask your porter to have a dining car waiter bring you a menu.

PORTER SERVICE

The porter serving each Pullman car is anxious to make your trip pleasant and comfortable. He handles your luggage when you board and leave the train, places your hats in dust-free bags, shines shoes placed in the shoe locker at night, and furnishes pillows for your daytime riding comfort. In addition, he will prepare your room for daytime or nighttime at your request, arrange refreshments or meal service in your rooms, and perform other similar services for your travel pleasure. Please call on him for any assistance.

RADIO AND MUSIC

Each room has its own speaker and control for radio and music reception. The radio operates from a central set in the Lounge car which is tuned to the station carrying the most popular program in the area through which the train is passing.

DICTATING MACHINES

You may use your personal portable dictating machine, tape recorder or radio in your room if you desire. Just plug it into the 110 volt A.C. electric razor outlet.

MARKET BULLETINS

Late news about the stock market is wired direct to the Super Chief and is placed on a special clip board in the lounge car.

TELEGRAMS

Telegrams can be dispatched by the porter at stations where the Super Chief stops.

MAIL SERVICE

Mail can be turned over to the Lounge Car porter for mailing.

INDIAN CURIOS AND SOUTHWESTERN SOUVENIRS

A ten minute stop at Albuquerque affords time for you to visit the Fred Harvey Indian Building where you will see extensive displays of Indian handicrafts including handmade silver and turquoise jewelry and Navajo handwoven rugs. Train departure will be announced over the public address system in the building.

*"The Railroad that's
always on the move
toward a better way."*

Welcome
aboard the

SUPER CHIEF

We are delighted to have you aboard the Super Chief, and want you to enjoy to the fullest extent its many services and facilities that are briefly described in this leaflet.

It is our aim to make the Super Chief a train you'll always remember, providing the type of service you'll never forget.
