SPECIAL SERVICES

for Santa Fe Patrons

LONG BEACH. Trainside motor coach connections are made with Santa Fe transcontinental trains at Pasadena, and Fullerton, California, providing interstate passengers and their baggage with direct service to and from Long Beach, California, at no extra charge.

RAIL-AUTO SERVICE. At certain cities, this convenient travel plan offers Santa Fe patrons the exclusive use of a new automobile at reasonable charge during their stay in those cities.

TRANSFER SERVICE AT CHICAGO. Passengers holding tickets through Chicago and having more than three hours between trains, may deliver their hand luggage to the Parmelee desk at *incoming* depots for delivery to the parcel checking rooms of the *outgoing* depots at the cost of only the usual parcel checking fees. The Parmelee transfer coupon—included as part of your through ticket—also entitles you to transfer service in Parmelee Coaches from your incoming depot to your outgoing depot, or to any hotel or other destination in downtown Chicago.

TRAVEL CARD. Holders of these Travel Cards can charge their Santa Fe tickets at the time of purchase for payment on the first of each month. To secure an application blank for a Travel Card, write to Rail Travel Credit Agency, 436 Union Station, Chicago 6, Illinois.

NOT RESPONSIBLE. The Atchison, Topeka & Santa Fe Railway System will not be responsible for errors in these time tables, nor for inconvenience or damage resulting from delayed trains, or failure to make connections. Schedules herein are subject to change without notice.
