WHY WE CAN'T ALWAYS SERVE MEAT

Southern Pacific serves more meals to military personnel than any other TWO railroads combined. Naturally these men have first call upon our meat, butter and other rationed foods. We are rationed just like everybody else. Our allotment is only fifty-five hundredths (.55) of a red point per meal per person, so after the military are taken care of, there isn't much meat left for our civilian passengers. We are doing the best we can with what we have.

NEW RECIPE BOOK—We have issued a new 32 page recipe book containing some of the choice recipes that are served in our dining cars. The recipes were prepared by Paul Riess, internationally famous supervising chef of Southern Pacific Company. If you would like one of these recipe books the Steward will be glad to hand you one.

All prices listed are our ceiling prices unless otherwise indicated, in which case they are below ceiling prices. By OPA regulation, our ceilings are our highest prices from Feb. 1, 1943 to April 10, 1943. Records of these prices are available for your inspection.
