## **Do You Know About Our PREPAID TICKET ORDER PLAN?**

We have a plan whereby you may purchase, at your railroad station, an order for railroad service, to be used by a member of your family, or any other person you may designate, at some distant station.

This service offers a particularly safe and convenient way of providing tickets and other railroad service to students returning home at holiday and vacation time. These prepaid orders may include railroad tickets, sleeping and parlor car tickets, and cash for meals and other incidentals. Your railroad agent will handle them for you—by telegraph if necessary—and they will be delivered without service charge to any person you may specify, in the United States or Canada.

## PASSENGER BUSINESS REMAINS OUR BUSINESS

*You may have heard it said that railroads want to get out of the passenger business—an erroneous conclusion probably based upon the discontinuance of some trains no longer used by the public.*

*Here at Kansas City Southern we feel we have an obligation to provide good and ample passenger service to the people of our area. Yet we have reduced the number of our passenger trains since the peak war years—but only after convincing (and costly) proof that you, our patrons, no longer considered the service necessary.*

*We have no intention of going out of the passenger business. Rather, we hope to improve our service so that you and others may have the benefit of the safest, most enjoyable, most economical way to travel.*

*We earnestly seek your help to this end!*

**—W. N. Deramus III, President,  
Kansas City Southern Lines**

## **FAMILY FARES**

**Reduced rates save money when the family travels together. Good on all KCS trains.**

**Here's how it works:** On one-way travel, head of the family pays full one-way fare, other parent half fare. Children, 12 through 21, each pay half fare. Children, 5 through 11, pay one-quarter fare. Children under 5 are carried free.

On round trip, head of the family pays regular round trip fare, other parent and children, 12 through 21, pay one-way fare for the round trip; children, 5 through 11, pay half of the one-way fare for round trip. Children under 5 are carried free.

For full information, call or write your KCS ticket agent.

## **WESTERN UNION TRAIN SERVICE**

For your convenience—through the cooperation of the Western Union Telegraph Co., you can now file a Western Union message direct from any of our trains and charge it to your home phone. Train conductor will be glad to assist.

## **GROUP DISCOUNT FARES**

For coach parties of 5 or more traveling together as a group, we offer the one-way fare for the round trip between all stations on our line. Take advantage of this saving on your next Convention trip!

## **WHAT IS A "NO SHOW"?**

A "No Show" described in the simplest terms is "the little man who isn't there" . . . in the chair, berth or bedroom reserved in his name. As a result the space is empty when the train pulls out, although the diagram indicates it as "sold."

Such empty chairs and sleeping accommodations have two very serious effects:

1. A passenger who wants space is unable to obtain it, perhaps, because the diagram shows no space is available.
2. The Railroad loses revenue because of this unsold space.

Please help us to serve you better. Cancel reservations promptly when you find you will not use the space you have reserved.

## **PLEASE DON'T BE A "NO SHOW"**

## **DID YOU KNOW THAT**

## BAGGAGE ALLOWANCES AND RESTRICTIONS

### CHECK YOUR BAGGAGE IN ADVANCE BUY BAGGAGE INSURANCE FOR YOUR PROTECTION

Travel is heavy so it is a good practice to check your baggage in advance to facilitate delivery at destination.

Ask our agent about Baggage Insurance which offers you complete coverage for your baggage, clothing and other articles while you are travelling.

**BAGGAGE**—One hundred and fifty pounds of checkable baggage will be carried free on each whole ticket and seventy-five pounds on each half-fare ticket, except where Special Tariffs provide to the contrary.

**CHECKABLE BAGGAGE IS DEFINED** as wearing apparel, toilet articles (except liquids) and personal effects appropriate for the comfort and convenience of passengers on their trips and not intended for other persons nor for sale. Money, jewelry, silverware, negotiable papers and like valuables, liquids, fragile or perishable articles, radios and household goods must not be included in checked baggage—the railroads will not be responsible for such articles.

**BAGGAGE MAXIMUMS**—Account difficulty of handling, it is not possible to check a single piece of baggage exceeding 300 pounds in weight. Account risk involved we, likewise, cannot check a single shipment exceeding \$2500.00 in value. We ask that the value of your baggage be declared in each instance at the time of checking.

**FORWARDING OF BAGGAGE**—Every effort will be made to facilitate the handling of baggage, but the railroad cannot guarantee to forward baggage on same train with owner; nor can time of arrival at destination to which checked be guaranteed. Passengers having baggage for non-agency stations, or stations where conditional stops are made, should deliver duplicate checks to conductor who will arrange to have baggage unloaded if baggage is being handled on same train. Baggage for non-agency or conditional stop stations when not on same train with passenger, will be handled to destination by local train or highway truck. Baggage destined to non-agency station will be left at nearest agency station.

**STORAGE OF BAGGAGE**—On the first 24 hours free storage is allowed at all stations. After expiration of the free time a charge of 40 cents per piece will be made for the first 24-hour period; for the second to fourth day, inclusive, 20 cents per day; and 15 cents per day thereafter until delivered. Exception: Storage charge on hand baggage is 20 cents for first day and 15 cents per day for second to fourth day and 10 cents per day thereafter. Baggage should be called for promptly to avoid payment of storage charges.

**DOGS** and other household pets are transported in baggage cars subject to tariff regulations and should be crated. Small dogs and other household pets (not vicious or otherwise objectionable) when carried in baskets or containers, may be taken by purchasers of Pullman drawing rooms, compartments or bedrooms, into the rooms they occupy, subject to regulations of the Pullman Company.

**BAGGAGE DELIVERY SERVICE**—At certain stations on these and other lines there is now in effect a new, improved pickup and delivery service on baggage. Provided the required rail transportation is held the transfer agent will check your baggage from your home to hotel or residence at destination at a nominal charge. Consult your local agent for details.

**MARK YOUR BAGGAGE**—All baggage should show name and permanent address of owner.

**LOST ARTICLES**—To be inquired for by addressing the Manager, Mail, Baggage and Express Traffic at Shreveport. No responsibility is assumed for unchecked articles left in stations or cars.
