SOUTHERN RAILWAY SYSTEM • A GREAT STREAMLINE TRAIN

BEAUTY RIDES THE RAILS

Miss Wanda L. Myers
Director, Hostess Service

SOFT tones of blues, greens, golds and beige . . . luxurious furnishings and modernistic aluminum framed furniture make The Tennessean a travel symphony of beauty and comfort. (Above) Typical of the rich beauty you will find throughout the train is the natural color photograph of a corner of the Observation Lounge.

LUXURY . . . AT LOWEST COST

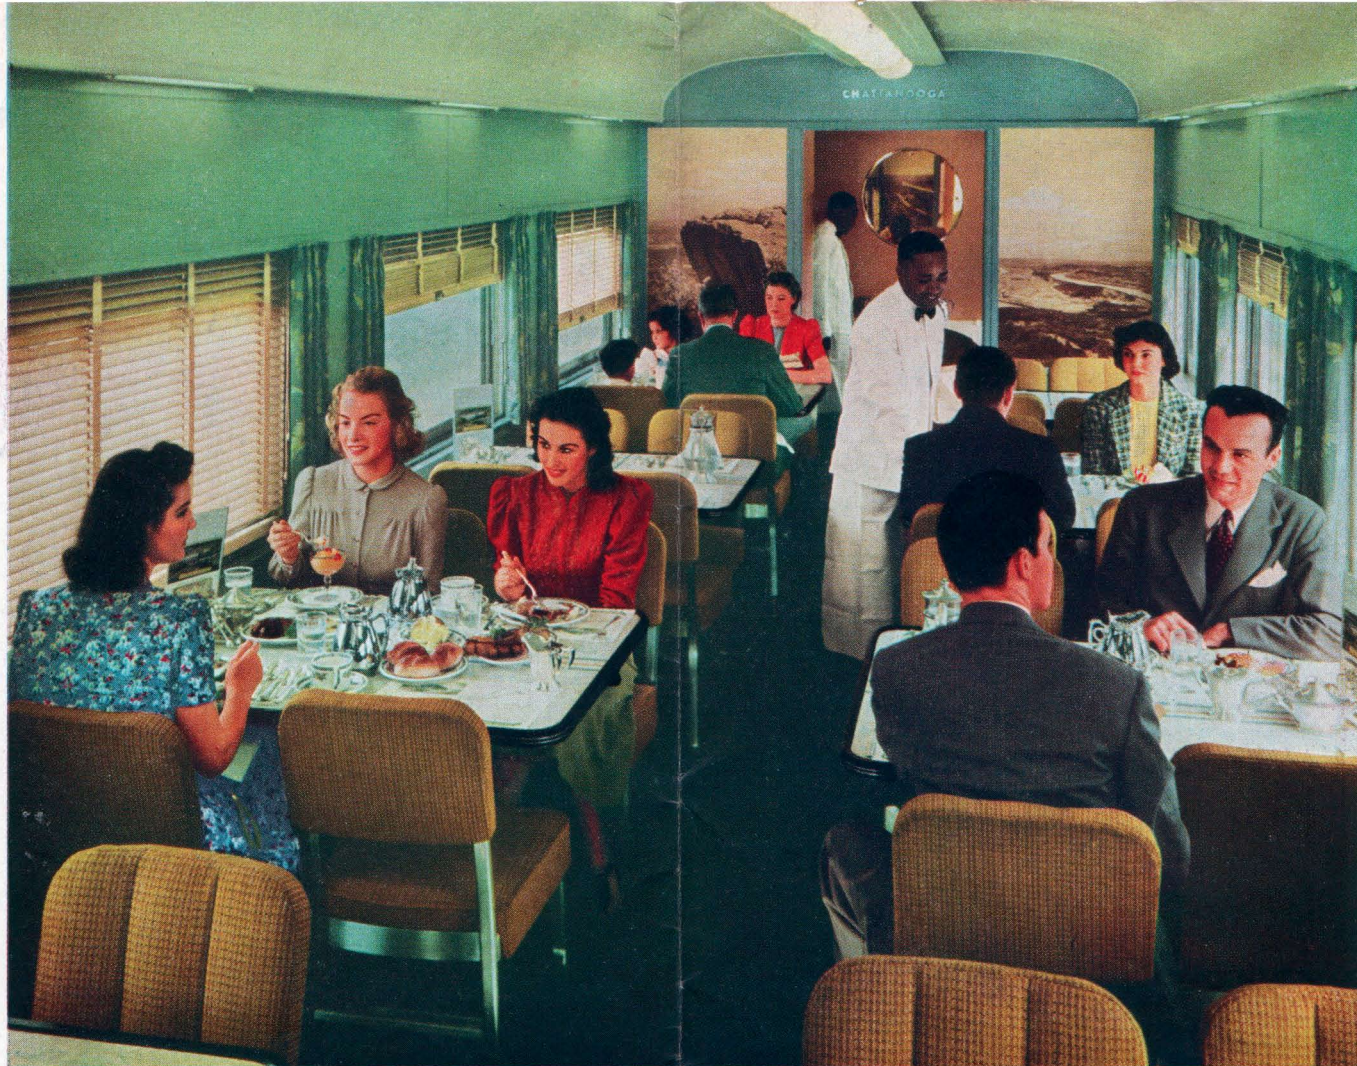

STREAMLINED without . . . luxury lined within . . . this ultra-modern Diesel-Electric powered train (Diesel powered between Memphis and Bristol) affords the best in railway transportation at low coach fares. Completely air-conditioned . . . noise proof and dirt proof. A trip on The Tennessean is a glorious experience. Your reserved seat is soft and comfortable, individually adjustable. Throughout the train you will find only the most luxurious appointments . . . every modern convenience. You cruise swiftly and smoothly.

Ride The Tennessean . . . and marvel at the low cost for so much beauty, so much comfort, so much pleasure. Here's the biggest value in travel!

Daily fast schedules from Washington to Memphis via Lynchburg, Bristol, Knoxville and Chattanooga. All coach seats reserved in advance without additional charge. In addition to coach equipment, Pullman sleeping car service is available on The Tennessean between Memphis and Chattanooga, Memphis and Bristol, Nashville and Bristol.

It's almost impossible to describe this ultra-modern Streamliner . . . so on the following pages, in natural color photographs, we picture some of its outstanding attractions.

THE DINING ROOM Here you will find Southern hospitality . . . delicious, popular-priced meals, served in an atmosphere of beauty, charm and comfort. The two-toned motif of green and gold is carried out in the drapes, the seat covers and the floor covering. The smartly designed chairs are deep-cushioned with satin-finished, aluminum frames. Smooth starting and stopping and freedom from sidesway, affords the most complete Dining Room comfort ever attained in train design.

THE ULTIMATE ACHIEVEMENT IN ENGINEERING

THE OBSERVATION LOUNGE

The Observation Lounge has the comforts and conveniences of a modern town club. From deep-cushioned chairs and divans, passengers may view the unfolding panorama through broad observation windows. There is a radio for your added pleasure.

*R. W. Plemmons, Train
Passenger Representative*

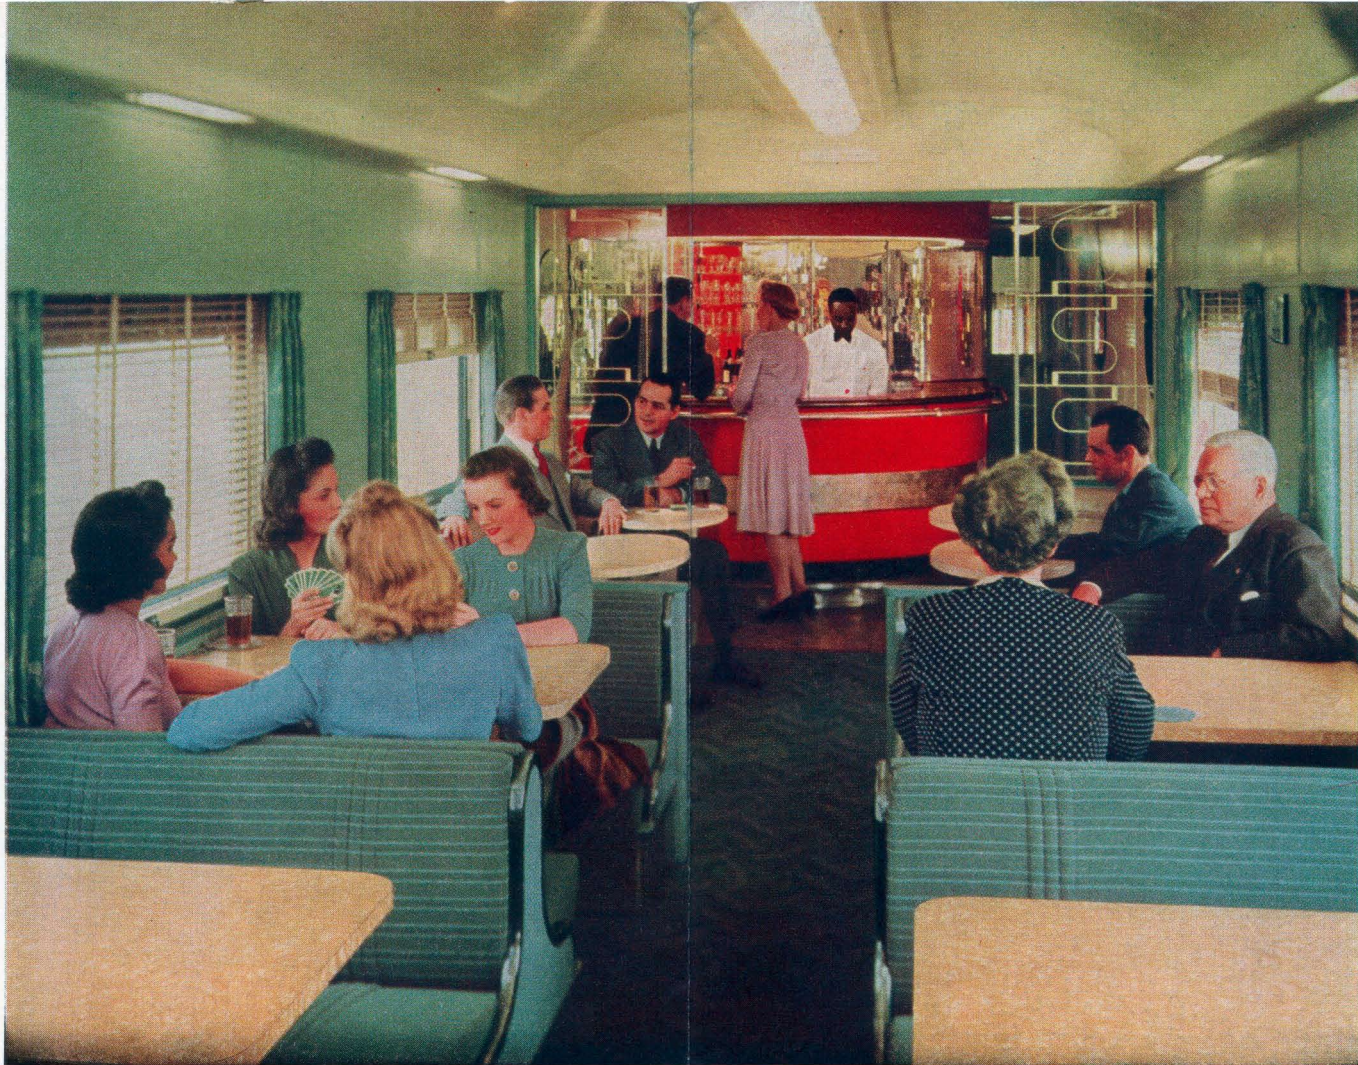

... IN STREAMLINED BEAUTY ... IN COMFORT

THE CHAIR COACHES

The deep-cushioned, reclining seats are individually adjustable and have individual foot-rests. The seats may be swung for a better view of the scenery. Individually controlled, glare-free illumination. Ladies' rooms are equipped with attractive, modern aluminum furniture including dressing tables and vanity chairs. Aluminum furniture, electric razor connections in men's rooms. The latest, most modern lavatory and toilet facilities.

FAST DAILY SCHEDULES...LOW COACH FARES

THE TAVERN CAR

This gay and delightful rendezvous is one of the high notes in the symphony of beauty and comfort characteristic of the entire train. A festive atmosphere is achieved in the modernistic treatment in green, gold and red and in the semi-circular bar with its modern fixtures.

In full confidence that your highest expectations will be more than fulfilled and that you will marvel at the low cost for so much beauty, so much comfort and pleasure, we invite you to ride The Tennessean at the first opportunity and become acquainted with this Streamliner that is making railroad history.

FRANK L. JENKINS, PASSENGER TRAFFIC MANAGER, WASHINGTON, D. C.
