### 12TH DAY friday

What a wonderful place to be — amid the glacial carved ruggedness of the Yosemite Valley. Today has been set aside for a complete sightseeing tour of tours and it is yours to enjoy the many natural wonders of Yosemite—huge granite domes—feathery waterfalls and mighty cataracts. There's Half Dome, which for eons of time has looked down upon the Valley — Bridalveil Falls with its delicate spray — Yosemite Falls, the highest in the Valley, with a drop of 2,425 feet — El Capitan, rising a sheer 3,000 feet from the Merced River and eternally guarding the west entrance of the Valley — and the unforgettable Mariposa Grove of Big Trees, the earth's oldest and largest living things. This evening you will see the unique Firefall pour over the precipice at Glacier Point. Truly a day of surprises as well as treasured, unforgettable memories you will carry with you forever.

### 13TH DAY saturday

The morning is yours to enjoy the beauty that is everywhere. Take one last look all around before you'll leave this lovely Valley at 11:30 A. M., bound for Merced, where you'll transfer to your train for a pleasant ride to Oakland, California. Dinner will be served in the Dining Car before your scheduled arrival early in the evening. At Oakland, board the Motor Coach for a half hour trip to the enchanted city of the Pacific—San Francisco. Headquarters at the charming St. Francis Hotel.

### 14TH DAY sunday

The morning is open to attend the Church of your choice. At 2:15 P. M. you'll board your motor bus for one of the most scenic drives in America, the "Thirty-Mile" Drive of San Francisco. Through the Civic Center and to Mission Dolores — Twin Peaks for a magnificent view of the city, bay and ocean—the Japanese Tea Garden in Golden Gate Park then to the world-renowned Cliff House, overlooking Seal Rocks and the blue Pacific. The return takes you past the approach of the Golden Gate Bridge, the Presidio, Marina and Yacht Harbor and back to your headquarters, the St. Francis Hotel. Balance of the day is open to do with as you please.

### 15TH DAY monday

Because there are so many things to do and see in San Francisco, no group activity is planned for today. You'll want to visit some of the many unusual shops and stores; perhaps revisit places passed yesterday or arrange to lunch in Chinatown or at Fisherman's Wharf. You will enjoy every hour. For San Francisco is a "jewel of many facets" and even the most seasoned globe trotter will find much that will interest and intrigue.

### 16TH DAY tuesday

Today is reserved for sightseeing as the all-day trip takes you to the renowned Monterey Peninsula. South from San Francisco through Burlingame, Palo Alto, across the rich Santa Clara Valley to Los Gatos and the Santa Cruz grove of big trees. After lunch at the Mark Thomas Inn you will follow a route which affords countless spectacular views as it continues along the coast past Monterey Bay. The world-famous Seventeen Mile Drive, known as the Circle of Enchantment, is indescribable and the complete realization does not come until you have taken the drive yourself and seen with your own eyes the spectacular and dramatic beauty of the Shore line, the snow-white sand dunes, the gnarled wind-blown cypress trees and the wild life in the forest; the ocean and the soft air. You see Old Monterey, Bird Rock, Fanshell Beach, Cypress Point, Pebble Beach Lodge, Carmel-by-the-Sea—'tis hard to imagine that there can be so much beauty concentrated in one area. Return is through the Salinas Valley and San Jose arriving in San Francisco at 8:00 P. M.

### 17TH DAY wednesday

Today is your last day in this colorful country — the morning is left open for any last minute duties and to pack your luggage. In early afternoon leave the hotel and take a last lingering look at San Francisco's striking skyline while enroute across the Bay to Oakland where you board the Streamliner "City of San Francisco", homeward bound. Skirting San Francisco Bay, your train passes Berkeley enroute to Sacramento, historic State Capital, then continues over the Sierras.

### 18TH DAY thursday

Before breakfast time you'll experience the thrill of "going to sea by rail" as your train crosses the Great Salt Lake, arriving Ogden in early morning. Now you are on the Union Pacific Railroad and through the day your scenic menu consists of many rugged formations—the Wasatch Mountains, Weber Canyon, Echo Canyon and the Rocky Mountains. At Creston, Wyoming, you cross the Continental Divide—then Cheyenne, and soon after enter Nebraska.

This has been a day of ever changing scenery — leisurely meals in the dining car and pleasant hours in the lounge.

### 19TH DAY friday

And so in early afternoon a glorious vacation comes to a close with your arrival in Chicago. But your memory will forever cherish the vision of sunny skies, shrouded mountain peaks, the sparkle of Pacific waves, the great peace of whispering evergreen forests — truly happy memories of your wonderful California adventure.
