

The tang of the Wild West still lives in Grand Teton National Park in Wyoming in a setting of striking mountain scenery. There's a genuine thrill in visiting the Jackson Hole country, renowned as an outlaw hideout of frontier days. In this region are many Dude Ranches offering splendid accommodations and real western hospitality.

Horseback riding, fishing, climbing and hiking are stimulating in the refreshing climate. Lodges and sleeping cabins are modern. Excursions and pack-trips can be made into the surrounding country. Saddle horses, motor boats, row boats and automobiles are available.

Thousands of Union Pacific travelers visit Grand Teton and near-by Yellowstone annually as complete vacations, but they can also be seen as a short side-trip on your way to or from the Pacific Northwest.

Union Pacific maintains convenient train service during the summer months to West Yellowstone, Montana, for Yellowstone visitors and to Victor, Idaho, for Grand Teton visitors. There are combination tours taking in both parks.
