

IN the Cascade Range of the Pacific Northwest are some of the finest examples of isolated mountain peaks. Among these is Mt. Hood, quickly reached by highway from Portland, Oregon. This 11,245-foot snow-clad peak carries seven glaciers. It is a favorite of mountain climbers because it is friendly and relatively free from dangerous hazards.

For those who wish to climb the peak or view it at close range, there are splendid accommodations at famous Cloud Cap Inn, charming Timberline Lodge and other near-by hostleries.

The Alpine scenery of the Hood River region, and the invigorating climate, make it attractive to visitors the year 'round. Trout fishing, big game hunting, and winter sports may be enjoyed during their respective seasons.

The Streamliner "City of Portland" parallels the majestic Columbia River for nearly 200 miles to and from Portland.

*The brilliant fall coloring of foliage enhances the beauty of snow-clad Mt. Hood in Oregon*
