modern, restful pullmans and coaches

● Whether you travel by Pullman or Coach, the modern equipment adds to the pleasure of your journey. Pullman accommodations include berths, roomettes and bedrooms. In the modern Coaches, as shown on the right, all seats are reserved in advance.

Coach seats have adjustable, reclining backs and stretch-out leg rests for day and night comfort.

Bedrooms and roomettes offer privacy, comfort and safety.

Ride the "CITY OF ST. LOUIS" *Domeliner*

When arranging a trip between St. Louis or Kansas City and Denver, Salt Lake City, Las Vegas, Los Angeles, or San Francisco (via Ogden), ask to be routed on this beautiful Domeliner . . . the only through train between St. Louis and Southern California.

You travel in relaxed comfort. If you have need for a car at destination, Hertz Rent-a-Car service is quite inexpensive.

The steward is delighted to know that his guests enjoy their meals.

wonderful meals and pleasant memories

- You'll be delighted with the variety and excellent quality of freshly prepared foods graciously served on this train. The smartly appointed dining car, pictured above, offers a popular variety of select meals and a la carte service. Skilled chefs know how to please your taste.

Children are given special attention. They enjoy the attractively illustrated souvenir menus which offer properly balanced meals at reduced prices. The Steward also has free coloring books and crayons for them.

DOME COACH

A new travel thrill awaits you on the "City of St. Louis." For coach patrons a brand new Dome Coach has been added. You may enjoy it enroute between St. Louis and Los Angeles.

Upstairs are 24 divan type seats, pictured at left, which are unreserved and may be used by all coach patrons.

Downstairs are 36 of the latest style leg-rest seats, as in the other fine coaches on this train, plus washrooms and toilet facilities.

For coach patrons there is also a Club-Lounge Car with travel library, radio and bar.

DOME LOUNGE CAR

The beautiful Dome Lounge Car for Pullman patrons operates between Kansas City and Los Angeles. In addition to the Dome view-room it has, downstairs, a spacious main lounge, semi-private cocktail lounge, and a private card room. There is radio or recorded music in all, and in the main lounge you'll find free library of current periodicals and newspapers, also writing desk with free stationery.

From these Astra Dome Cars you get a marvelous view of the passing scenes. Double air-conditioning provides complete comfort.
