## BEGINNING SEPT. 1

# A daily

## CITY OF SAN FRANCISCO

**T**HE famous Streamliner *City of San Francisco* will operate daily between Chicago and San Francisco over the *Overland Route* effective September 1.

It will follow the same swift 39¾-hour schedule as on its previous three times a week schedule. The daily schedule will provide the same fine service . . . with the swankiest of Pullman sleeping cars, de luxe dining car units and lounge cars . . . also sleek, comfortable reclin-

ing chair cars with coffee shop, too, providing "the glamour of a famous train with economy" . . . \$15 extra fare for Pullman travel on this train . . . \$5 for reclining chair cars.

Reservations can be made a long time in advance, now. While the daily schedule will enable us to accommodate more people who want to ride this de luxe train, it's advisable to make reservations well in advance.
