Quality Meals at Budget Prices . . . These Days?

Yes! Despite spiralling costs of foodstuffs and the many other features involved in providing meals in the limited facilities of a dining car, Union Pacific now brings you quality meals at prices to suit your vacation and travel budget.

Minus a few frills of more elaborate dining car service, these are the same wholesome and substantial meals which have made the Union Pacific famous as a railroad for family and budget travel.

We feel confident the traveling public will eagerly accept this refreshing and welcome economy and we pledge a continuing policy of high quality food and attentive service.

We invite your personal reaction to this innovation in dining car service.
