

Winter transforms Sun Valley into a white fairyland. Nestled in a hollow of the Sawtooth Mountains of Idaho, America's foremost sports center is unsurpassed in beauty and charm. The timber-free slopes are covered with a powder-like snow that lingers until late spring, and the sun's rays are so brilliant that you may acquire a summer tan in just a few days.

Sun Valley offers perfect skiing terrain and excellent instruction for both the novice and expert. In addition, you may enjoy skating, sleighing, dog sledding, skijoring, and swimming in a warm-water outdoor pool, sheltered by a glass wall. Indoors, there is dancing during evening hours. And in the Game Room you will find bowling alleys and pool tables. If you wish you can attend a first-run movie at the quaint Opera House, or explore the near-by town of Ketchum, which still retains the spirit of the Old West.

Challenger Inn and Sun Valley Lodge provide a variety of comfortable, attractive guest-rooms at a wide range in price. Modern Union Pacific trains take you direct to picturesque Sun Valley, some of them to Shoshone, Idaho, from whence you are carried by bus for the short remaining distance.

Sun Valley, Idaho — ski capital of the nation, provides all types of winter sports under a "summer" sun.
