

Quick acceptance of Sun Valley by skiers and other winter devotees was the logical outgrowth of a well-organized plan. It began in 1936 with a careful choice of the region to be developed. Sun Valley has a unique location in relation to the Sawtooth Mountains, a fine terrain with long, timber-free ski runs, and a record of plenty of dry, powder snow lasting into the spring months. It was quickly found to be ideal for the purpose desired. Sun Valley Lodge, Challenger Inn and other accommodations were built and Sun Valley has been successful from its first season on. From the Lodge you get this view of the "Meeting Place" from which buses take skiers to their favorite ski runs. The winter season opens about December 20 each year; the summer season begins June 1 and all forms of outdoor recreational activities are offered.

One of its unique and popular winter attractions is outdoor swimming available in two warm-water, glass-enclosed pools, one at Challenger Inn, the other at Sun Valley Lodge.

For a well-rounded winter vacation, with outdoors sports and indoor games and festivities, Sun Valley is unequalled.

"Meeting Place" for skiers from all over the world, at Sun Valley, Idaho.
