Do More — See More In '64 -- Go West on a Union Pacific Escorted Tour

Close your eyes for a moment and visualize, if you can, the kind of a summer vacation that will make '64 your year for fun.

Do you see an image of geysers in action, a silvery waterfall of vast dimensions, sinuous trails that open upon virgin forests which harbor bears and other wild animals? *That's Yellowstone.*

Perhaps you'll catch a kaleidoscope of rock formations, where nature has done a superb job of etching — grotesque carvings of amazing hue, plus a canyon so deep that a mighty river, flowing through it, looks like a bit of fluttering ribbon. *These are the Utah-Arizona Wonderlands.*

Mayhap you'll enjoy a mental image of a sun-kissed land of verdant valleys, gay cities and famous pleasure spots, with mountains on one side and a tranquil sea on the other. *That's California.*

It could be that you'll envisage a great, green empire which, within its vast domain, has an assortment of scenic spectaculars that range from beautiful gorges and flashing falls to a national park and breath-taking mountain peaks. *That's the Pacific Northwest and the Canadian Rockies.*

Or, you may see a region that has an irresistible appeal — where the air is clean and bracing, the sunshine invigorating, the pine forests fragrant, the sparkling lakes and streams inviting... a place where mountain peaks are outlined against a blue sky. *Colorado, of course.*

On a *Union Pacific* escorted summer tour any or all of these western vacation favorites are available to you. All the tours are in charge of a competent escort. As a tour member there's nothing for you to do but enjoy yourself. The tours include train, resort and hotel accommodations, sightseeing, motor transportation and meals... your escort looks after every detail including baggage.

And "all-expense" means **ALL expense** — no "extras" of any kind except tips for personal services. You even receive a refund on dining car meals if there are times when you do not use the full value of your meal coupon or if you should skip a meal entirely. This same refund arrangement is also true at most city hotels thus giving you freedom of choice of fine restaurants without the necessity of carrying extra money with you to cover costs of meals omitted.

Compare what is offered with any other vacation and you'll agree that a *Union Pacific Tour* is the best investment you can make. Day-by-day descriptions of the tours appear on the following pages.

SATURDAY DEPARTURES FROM CHICAGO

In the "YT" tour we offer an economy type vacation which gives you not only a complete circle tour of Yellowstone, but also Grand Teton National Park, bordering Yellowstone six miles to the south, and through the storied Jackson Hole Country, fabled crossroads and rendezvous of early day fur expeditions.

In the Grand Tetons you'll see some of the most magnificent mountain scenery to be found anywhere. Often likened to the Alps of Switzerland, the Teton Range is said to "look more like you would expect mountains to look than any other range in America."

In your four days of sightseeing through the Parks, you'll see the spectacular wonders of Yellowstone. Here Nature outdoes herself and with a lavish hand places before her guests the choicest of her many wonders — geysers that hiss and steam; towering waterfalls; canyons of striking hue and color; hot springs, mud volcanoes; paint pots that bubble and gurggle; the Great Falls and Grand Canyon of the Yellowstone; plus an amazing and interesting variety of wild life.

Add to Nature's great "Show of Shows" a day of sightseeing in beautiful Salt Lake City and another in and about Denver and Central City and you have about as interesting a vacation as one could imagine... still it requires only nine days away from home!

All arrangements are made in advance — it's an all-expense, escorted tour; you're relieved of all travel details and free to enjoy a really carefree vacation.

DAY-BY-DAY STORY

Sunday—Second Day. During the night your train rolls smoothly through Nebraska and early morning finds you in Colorado. Breakfast on the train before arrival in Denver at 7:40 AM. There is time for those who desire to attend the Church of their choice. At 10:00 AM you'll board motor buses for a day of scenic treats, which will include the Civic Center, the city parks, Park of Red Rocks, Denver's Mountain Parks and the historic old mining towns of Blackhawk and Central City. Luncheon at the Hotel Utah, then off to Bingham Canyon and the famous Utah open-cut Copper Mine, arriving in time for the spectacular blasting operation, viewed in perfect safety.

After dinner at the Newhouse, you leave at 7:30 PM for the overnight trip to Victor, Idaho, where you begin four days of unforgettable sightseeing through the Parks.

Tuesday—Fourth Day. You detrain at Victor at 7:30 AM and have breakfast (tip included) at the Timberline Cafe.

The Grand Teton area is a region of mountainous grandeur and breathtaking views of the majestic Tetons are seen as you motor to your headquarters—Jackson Lake Lodge—where spacious, tastefully furnished rooms with bath are provided in guest cottages. Afternoon and evening are open.

Thursday—Sixth Day. A great day! After a hearty breakfast you board motor coaches again and are off for a drive along the Yellowstone River to Artist Point for your first view of the Grand Canyon, climax of Yellowstone's glory.

Still another thrill awaits you as your trip continues over the famous Dunraven Pass to Mt. Washburn and Tower Fall—another of the outstanding scenic features of the Park.

Now a stop for lunch at the Mammoth Hot Springs Hotel with time to view the many vari-tinted terraces and to visit the Park Museum before departing for Old Faithful Inn. Your route is via Appolinaris Spring, Obsidian Cliff and Norris Geyser Basin with stops at the principal attractions.

There is dancing and other entertainment at Old Faithful. This evening, like all evenings in Yellowstone, is beyond compare—the combination of star-studded skies, campfires, soft re-echoing strains of music, create an enchanted setting, and it's wonderful.

Friday—Seventh Day. Old Faithful Geyser is but a few steps from the Inn, and you'll enjoy watching its almost hourly eruptions or take one of the hikes of the geyser basin conducted by a Park Ranger-Naturalist.

This day is yours to plan as you prefer so enjoy every moment, because after dinner you'll be headin' toward Ashton and your train for the overnight trip to Ogden, Utah.

Saturday—Eighth Day. Be up early this morning for a thrilling train ride through the Bear River Canyon and another view of the Great Salt Lake to the west.

On arrival at Ogden, Utah, you will detrain and transfer to the Ben Lomond Hotel for breakfast, then return to the station to board your Domeliner to Chicago.

Again it is a pleasure to watch the ever-changing landscape from your train window as you travel through the beautiful Weber Canyon, past "Devil's Slide" and into towering Echo Canyon.

But now your tour companions are your friends and together you relive much of what you have seen and you enjoy a sense of camaraderie that only comes from such a happy association.

Sunday—Ninth Day. A leisurely breakfast in the dining car, and soon your train will roll quietly into Chicago, then happy adieus . . . and memories of a delightful, funful, care-free vacation!

SUNDAY DEPARTURES FROM CHICAGO

A trip through the Southern Utah-Arizona National Parks is in itself a complete vacation. So, too, is a visit to Yellowstone and Grand Teton National Parks. But to select two such fascinating regions, combining them into one 14-day, all-expense tour, this is indeed vacation news of the highest order — a vacation trip you can look back upon as one of the most eventful chapters in your life.

You see FIVE National Parks — Zion, Grand Canyon, Bryce, Grand Teton and Yellowstone, as well as Cedar Breaks National Monument, motor through several National Forests and go sightseeing in one of America's most noted cities — Salt Lake City, Utah. And — you do it all comfortably and leisurely in only two weeks' time.

First — a trip to Yellowstone and Grand Teton National Parks — four days of sightseeing with overnight stops at the Lake Hotel, Old Faithful Inn and Jackson Lake Lodge. Then you spend five days and five nights in the Utah-Arizona Wonderlands, where Nature's sculptured masterpieces await your rapt contemplation.

What wonders they are to behold! Zion National Park, a symphony in form and color; Arizona's Grand Canyon, a world wonder in its own right; Bryce Canyon, masterpiece of erosion and color; the painted cliffs of Cedar Breaks National Monument and the drive through beautiful Kaibab Forest, over Mt. Carmel Highway and through Red Canyon.

Finally, sightseeing in Salt Lake City and a visit to the famed Mormon Tabernacle to hear the Mormon Choir before your footsteps turn toward home.

DAY-BY-DAY STORY

Sunday — First Day. Late this afternoon you will embark upon two weeks of vacation adventure long to be remembered. You'll have dinner aboard the Domeliner "City of Los Angeles" and get acquainted with your congenial traveling companions.

Monday — Second Day. You're on vacation so relax a bit today — but be ready for the scenery as your train wriggles its way past "Devil's Slide," through Echo Canyon and Weber Canyon in the late afternoon. Ogden, Utah, is reached at 6:40 PM and after a brief stopover you're on your way once again for the overnight trip to Yellowstone National Park.

Tuesday — Third Day. Your first day in the Park so be up early for arrival in Ashton. Breakfast at Stage Coach Inn.

The morning drive is packed with weird sights — Norris Geyser Basin — Roaring Mountain — Obsidian Cliff (Jim Bridger's Mountain of Glass) — Appolinaris Spring and the Hoodoos, before you stop at the Mammoth Hot Springs Hotel for lunch.

For your scenic dessert, a generous portion of the beauty of this amazing country is served to you on the afternoon trip. Past the Needle with its slender rock formations, stop at Tower Fall to view the many peaks and pinnacles — then on to Mt. Washburn and through spectacular Dunraven Pass to your first breath-taking view of the Grand Canyon and Great Falls of the Yellowstone from Artist Point! Here indeed is the climax of this never-to-be-forgotten day; then on to the Yellowstone Lake Hotel for your overnight stay.

Wednesday — Fourth Day. Snooze a bit later this morning but not too late as your bus leaves at 10:05 for the trip along Yellowstone Lake and past the West Thumb Geyser Basin to your home for the night — Old Faithful Inn. Afternoon is open for you to get acquainted with this "Geyser Land."

Thursday — Fifth Day. You have all morning to explore the eerie formations of this "weirdest spot on the universe."

After luncheon leave Old Faithful Inn, destination Jackson Lake Lodge. Your trip takes you via Craig Pass, Thumb and Lewis Canyon to the Grand Teton National Park.

Rooms with bath are provided in guest-cottages, a short walk from the lodge. The remainder of this afternoon is free to boat, hike, fish, ride horseback — or just relax and enjoy the magnificent scenery.

Friday — Sixth Day. At 9:00 AM you will be taken on an all-day sightseeing trip brim-full of breathtaking beauty. Ox Bow Bend, Glacier Lookout, Chapel of the Transfiguration; boat trip on Jackson Lake to the very foot of the Tetons and a delightful lunch on Elk Island. Truly a day of never-to-be-forgotten thrills in this cameraman's paradise!

You came — you saw — but the spectacular mountains have conquered you with their beauty. It has long been said,

Chapel of the Transfiguration in Jackson Hole.

Massive Pillars of Color in Bryce Canyon.

"The Tetons look more like you would expect mountains to really look than any other range in America."

Leaving Jackson Lake Lodge in late afternoon you'll travel through the Jackson Hole country crossing the spectacular Teton Pass. Dinner at the Timberline Cafe, then board your train for the next chapter of your vacation adventure.

Saturday — Seventh Day. After breakfast at the Hotel and lunch in the dining car you arrive at Lund, Utah, at 2:45 PM, starting five days of adventure in the wonderlands of Southern Utah and Northern Arizona. First stop is Zion National Park where you spend the night snugly in a cabin in the canyon.

Sunday — Eighth Day. This morning a motor trip is made up the sublime aisle of Zion Canyon to the Temple of Sinawava to view the Great White Throne, Great Organ, Angels Landing and other monuments whose names carry out the sublimity of this lovely area.

After lunch you leave for Grand Canyon National Park — over the Mt. Carmel Highway, across the Prismatic Plains and through the Kaibab Forest. Vast and awe-inspiring, the Grand Canyon is a masterpiece of nature's handiwork. You'll enjoy relaxing and watching its changing colors.

Monday — Ninth Day. No planned activities before luncheon. This afternoon, a motor trip to Cape Royal and to Point Imperial, highest point in Grand Canyon National Park, for inspiring views. Evening entertainment in the Lodge.

Tuesday — Tenth Day. After breakfast you leave, a little reluctantly perhaps, but you're on your way to another great scene — not so vast, but more intense and fantastic — Bryce Canyon National Park. The myriad marvels of Nature's handiwork will stretch your imagination almost to the breaking point.

Wednesday — Eleventh Day. After luncheon a motor trip takes you to Rainbow Point with a stop at Inspiration Point and other vantage spots. In the evening, a talk by the Park Naturalist, a dance, or a walk out under the starlit heavens.

Thursday — Twelfth Day. After breakfast you say goodbye to Bryce — but there still is one surprise left before you leave this land of flaming color. Cedar Breaks National Monument, a vast escarpment and a vision of kaleidoscopic color, rises before your eyes.

Regretfully you leave this beautiful country as you once again board your train at Lund, Salt Lake City bound! Sightseeing tour is taken on arrival, then a visit to the Mormon Tabernacle to hear the world-famed Mormon Choir. Dinner and overnight at the Hotel Utah.

Friday — Thirteenth Day. After breakfast at the hotel you take leave of this beautiful city. The balance of this day is yours to enjoy watching the ever-changing landscape from your train window.

Saturday — Fourteenth Day. Homeward bound across the quiet fields of Illinois, arriving in Chicago at noon, with glorious memories, new friends and new enthusiasms. A vacation indelibly engraved on your Memory Book of the future.

SUNDAY DEPARTURES FROM CHICAGO

Scenically, America is a land of contrasts, with many areas of exciting beauty. But if you seek a place that is really unusual, be sure to visit this region, usually referred to as the Southern Utah-Arizona Wonderlands. Its splendor is unparalleled.

Here the forces of nature have formed awe-inspiring, extravagantly colored canyons and mountains—a "Paradise of Color" and dreamland of artist and photographer.

Envision them if you can—the huge monoliths of Zion National Park; the fairyland of stone and color named Bryce Canyon National Park; the painted cliffs of Cedar Breaks National Monument—all in Utah—together with the grandeur and vastness of Grand Canyon National Park in Arizona. Nowhere else on the North American continent is to be seen such an amazing concentration of scenic grandeur and geological wonders.

Add to these such along-the-way attractions as Mt. Carmel Highway, Kaibab and Dixie National Forests, plus sightseeing trips in Salt Lake City and in Denver, and you have a vacation trip you will never forget.

And note that the "Z" Tour schedule includes leisure time at Zion, Grand Canyon and Bryce Canyon in order that you may fully enjoy these monuments to Nature's handiwork.

DAY-BY-DAY STORY

Sunday — First Day. An eventful vacation begins when you leave Chicago—at 6:00 PM on the Domeliner "City of Los Angeles." Dinner is served upon departure.

Monday — Second Day. You'll reach Cheyenne, Wyoming about 9:20 AM after having crossed the states of Illinois, Iowa

and Nebraska. Soon after you cross Sherman Hill, highest point on the Union Pacific (8013 ft.), then through country rich in historical association of the Old Oregon Trail.

In late afternoon and early evening keep your eyes all around you as the rock formations on both sides of the track will stimulate your imagination. Castle Rock at the east end of Echo Canyon—Devil's Slide, the mountainside rising 4,000 feet—straight up. Weber Canyon cutting through the Wasatch Mountains with Weber River tumbling in a torrent almost at your feet. Then, dinner in the diner and soon you'll be in Salt Lake City and the Newhouse Hotel, your home for tonight.

Tuesday — Third Day. After breakfast transfer to the train and soon you are on your way to the "Land of Flaming Canyons." At 2:45 PM you reach Lund, where you board luxurious motor coaches and are whisked away for this Tour of Tours.

The way from Lund to Zion National Park is interesting for its scenery and its people. You pass through several Mormon villages, all of which still bear the marks of early-day settlement—weather-beaten houses of handhewn timbers; flagstone walks hoary with age. You arrive at Zion Lodge at 6:30 PM in time for dinner. Entertainment, nature talks, movies, dancing, plenty of activity for the evening hours.

Accommodations in the Utah Parks are in comfortable rustic cabins with private shower bath. Deluxe cabins, if available, may be arranged through your escort at a small added cost.

Wednesday — Fourth Day. This morning you may wish to explore some of the miles of trails—ride or hike—the East Rim, the West Rim. After luncheon a trip by motor to the Temple of Sinawava and a hike with the Ranger-Naturalist to the Narrows. You will be overwhelmed at the beauty and magnitude of this inspiring region. Later another fulfilled evening and a refreshing night's rest.

Thursday — Fifth Day. Morning is open for more exploration, discovery and adventure and at 1:00 PM you leave Zion for the Wonder of Wonders—the Grand Canyon. On the way you pass through the famous Mt. Carmel Tunnel along the Mt. Carmel Highway, with six huge tunnel portals through which you see masterpieces of scenic beauty.

You motor through the cool quiet of the Kaibab Forest with its abundance of deer and its shy white-tailed squirrels but your ride ends abruptly and most sensationally at the very brink of Grand Canyon as your bus reaches Grand Canyon Lodge.

This evening there will be informal entertainment, music and dancing and, perhaps, a moonlight stroll on the rim.

Grand Canyon from Bright Angel Trail.

Oastler's Castle, Bryce Canyon National Park, Utah.

Friday — Sixth Day. The morning is free for hiking, horseback riding or to just relax. After luncheon a four-hour motor trip takes you to Point Imperial and Cape Royal for magnificent views of the canyon. Point Imperial is the highest point on the canyon rim.

Saturday — Seventh Day. Leaving at 8:30 AM you travel back over the winding road, deep into the Kaibab . . . out across the plains . . . through sparkling canyons . . . past Vermillion Cliffs . . . through Red Canyon . . . then, Bryce Canyon the beautiful—like a glimpse of another world—reached at 1:30 PM.

Sunset enlivens the myriad tints of Bryce Canyon's fragile formations and presents the towering temple peaks, the colorful sculptured depths at their best. Entertainment and dancing enliven the evenings at the lodge.

Sunday — Eighth Day. After a solid night's rest in this clear mountain atmosphere, you are up early to view Bryce under the first rays of the rising sun. Under such light the canyon presents an entirely new and different aspect. This morning is reserved for Church services—then practically all day to enjoy this fairyland of form and color . . . from the rim . . . hiking down the trails with Ranger-Naturalist guided party for an absorbing explanation of the geology of the country . . . or perhaps as a member of a gay horseback party following your colorful cowboy guide. At 3:00 PM a motor trip to Rainbow Point, with stops at Inspiration Point, Bryce Point, Little Bryce and Natural Bridge.

Monday — Ninth Day. Have your bags packed early for you'll want to take one last, lingering look before you leave this colorful Canyon shortly after breakfast.

On the way to Lund a stop is made at Cedar Breaks National Monument, another of the colorful Southern Utah attractions. An artist has counted more than sixty tints in Cedar Breaks, whose vast amphitheatres are eroded to a depth of 2,000 feet in an area of 60 square miles. Standing on the rim of this scintillating show-place, you are impressed with the power of Nature's mighty processes.

Once again you are on the way and soon you'll be able to look off to the south and get a distant view of the Temples of Zion which you left a few days ago.

You carry these beautiful visions with you for your file of future memories as you take leave of this colorful country bound for Salt Lake City. Sightseeing tour taken on arrival. Your home for tonight is the famous Hotel Utah.

Tuesday — Tenth Day. Morning is open for a bit of browsing in this unique city. Luncheon at the Hotel Utah, after which you walk across the street to the Mormon Tabernacle for the noon Great Organ recital. The marvelous acoustic properties of the huge dome-roofed Tabernacle and the mellow-toned pipe organ which it houses, are among the world's wonders.

At 1:45 PM you cross Salt Lake Valley to the famous Utah Copper Mine in Bingham Canyon arriving in time for the spectacular blasting operation. Dinner at the Hotel Utah and in the early evening board your train for Colorado.

Wednesday — Eleventh Day. Breakfast in the dining car before you reach Denver—then leave immediately for an interesting sightseeing trip, visiting the Civic Center, parks and residential district, continuing by way of Park of the Red Rocks and Bergen Park to Central City, early mining town, where gold was first discovered in this area. Here a guide will show you the old Opera House, still in use; and the famed hotel, the Teller House, where luncheon is served. Time to look around this interesting town before returning to Denver to board the Domeliner "City of Denver," homeward bound.

Thursday — Twelfth Day. Arrive Chicago shortly before lunch. Fond farewells and promises to write and exchange snapshots bring to an end a glorious vacation.

Not only is this a real Bargain California tour but it is the very Best California tour on the travel market today. A bargain because the cost is surprisingly low when you consider the fact that it is completely ALL-EXPENSE — yet nothing is omitted for economy's sake.

It becomes unnecessary for you to carry extra cash with you to cover meals omitted as ALL meals are included in the costs. However, you still retain the freedom of choice of restaurants in Las Vegas, San Diego, Los Angeles and San Francisco. Your tour membership card is a book of coupons with stated values for each meal while in the city Hotels, redeemable in full if you care to eat elsewhere.

Likewise, all meals on the train are included and you have the same privilege of being refunded for meals missed. Read the details as outlined under General Information on Page 23.

This is the very Best California tour because it includes all of the colorful highlights in the "Best of the West."

A stopover at fabulous Las Vegas and Hoover Dam enroute to California — Riverside, with its world-famous Mission Inn; then motor to Los Angeles by way of San Diego, through the citrus fruit country, with visits to Tijuana, Mexico, Knott's Berry Farm and Disneyland. You'll see Los Angeles, Beverly Hills, Hollywood and the beach cities, Marineland, spend two days in Yosemite National Park, including a full day's trip to the Mariposa Grove of Big Trees and Glacier Point, climaxed by three days seeing the sights in and around San Francisco.

Before you buy — compare the costs of other California tours — compare the all-inclusive features and you're sure to agree that for the most for your dollar, you'll buy BC. But — judge for yourself — read the day-by-day description.

DAY-BY-DAY STORY

Sat.-Mon. — First Day. Late this afternoon you will board your "magic carpet" — the famous "Challenger" Domeliner — on your way to two weeks of exciting adventure. Your accommodations — a chair car with individual reclining seats, each equipped with a leg-rest for additional comfort.

You'll enjoy the companionship of fellow-vacationers as you speed from Chicago to Las Vegas and California.

Sun.-Tues. — Second Day. Crossing Nebraska and Wyoming you parallel the route followed by the pioneers — the Mormons, gold-seekers of '49 and the Pony Express. The unobstructed views of the scenery as seen from the car window will add to the enjoyment of your trip as you cross Wyoming into Utah, reaching Salt Lake City early evening. Then on through Utah reaching Las Vegas about 2:55 AM where you will transfer to the Hotel Fremont, your headquarters. The "great light way" is blazing brightly as you pass through this forest of neon.

Mon.-Wed. — Third Day. At 9:00 AM you will be taken on a motor trip to Hoover Dam and a tour of the power-houses, conducted by Government guides. Return to the hotel for luncheon. Time to browse around before leaving this afternoon for Riverside.

(Note) Tour No. 24, Sept. 14, will spend two nights in Las Vegas and have luncheon stop only at the Mission Inn in Riverside before continuing to San Diego. Other tours proceed as follows:

You arrive at Riverside late in the evening for a night's lodging at the Mission Inn Garden Hotel, termed the most unique hotel in America.

Tue.-Thurs. — Fourth Day. Breakfast and luncheon at Mission Inn, with a conducted tour of the Inn during the forenoon.

Immediately after lunch you leave by motor coach for an interesting drive through enchanting stretches of citrus groves and vineyards, via Ortega Highway and Sunset Cliffs. Then on to San Juan Capistrano for a visit to the Mission founded by Father Junipero Serra in 1776.

You continue along the coast through La Jolla to San Diego and your headquarters the U. S. Grant Hotel.

Dinner at the hotel, followed by an evening trip to Tijuana, Old Mexico — across by ferry to Coronado Island — along the Silver Strand and across the International boundary. Time to visit the shops and places of interest before returning via Chula Vista and National City to San Diego.

Wed.-Fri. — Fifth Day. Following breakfast you leave by motor for another interesting day seeing more of Southern California before reaching Los Angeles in the evening. Your route is via Old Town, Mission Hills, La Jolla and the Coast Highway through San Clemente and Laguna Beach. A luncheon stop is made at Knott's Berry Farm. Tip included.

There will be time to visit Ghost Town — with its Gold Mine — Little Chapel — Livery Stable — General Merchandise Store

The "Village Square," World-Famous Disneyland.

and many other relics of pioneer days—before you depart at 2:00 PM for a visit to Disneyland, after which you continue to Los Angeles where you headquarter at the Biltmore Hotel—room with bath. Dinner at the hotel.

Coupons with stated values, provided for meals at the Biltmore, may be exchanged for cash if you wish to eat elsewhere.

Thur.-Sat. — Sixth Day. You leave the hotel at 8:00 AM (PST) or 9:00 AM Daylight Time for Marineland of the Pacific—world's largest oceanarium, where you'll take in the spectacular circus of Marine life and view the interesting undersea exhibits. After luncheon at the Marineland Restaurant, you motor along the coast through several beach resorts to Santa Monica seeing the millionaires' homes from the Palisades. Continuing through Beverly Hills, you'll see the homes of movie stars and other celebrities, then through Hollywood, past the motion picture and radio studios, returning through the Wilshire District and MacArthur Park.

Fri.-Sun. — Seventh Day. Your day begins rather early today but—waste not your vacation by sleeping late for there is much to see and do in this colorful country of California! Transfer to your train and you'll have breakfast in the diner.

Another memorable day. Comfortably seated on the "San Joaquin Daylight" Streamliner, you will travel over the Tehachapi Pass, glide through Bakersfield and Fresno to Merced, through the productive farming and fruit raising areas in the San Joaquin Valley. Arrive Merced shortly after noon and transfer to buses for the trip to Yosemite Valley, passing through Mariposa at the south end of the Mother Lode gold country.

Journeying via spectacular Merced Canyon, you arrive at Yosemite Valley at 5:30 PM (PST). Headquarters at Camp Curry—cabin with bath. Evening is open.

Sat.-Mon. — Eighth Day. At 10:00 AM you leave Camp Curry on an all-day trip to the Mariposa Grove of Big Trees for your first view of the giant Sequoias, the earth's most massive and oldest living things. It is impossible to describe the feeling that comes over you as you look up at these mighty monarchs of the forest, some 30 feet thick and three hundred feet high. Luncheon at Big Trees Lodge. Return is via Glacier Point, 3,254 feet above the Valley floor, for magnificent views of the Valley below and its surrounding mountains.

In the evening you select a good vantage point from which to see the cascade of burning embers pour over the precipice at Glacier Point in a weird Fire-Fall.

Sun.-Tues. — Ninth Day. Morning Church services are available for the folks spending Sunday in Yosemite. After breakfast and luncheon, reluctantly, you'll leave Yosemite Valley at 11:40 AM (PST) bound for Merced. As you leave the heavily wooded foothills, you pass the large fig orchards and the world's largest peach orchard.

Your train, the "San Joaquin Daylight," leaves Merced in early afternoon. Dinner may be taken in the dining car before arriving at the 16th Street Station in Oakland.

Daily Porpoise Shows at "Marineland-of-the-Pacific."

Mission Inn Garden Hotel, Riverside.

Crossing San Francisco Bay by bus you arrive in San Francisco at 7:05 PM (PST) and go directly to the Stewart Hotel, room with bath, your headquarters in San Francisco.

Meals can be taken at Mannings adjacent to the Stewart Hotel—or, if you wish to eat elsewhere, your escort will arrange to exchange your meal coupons for cash.

Mon.-Wed. — Tenth Day. This morning you'll board your motor bus for one of America's most interesting sightseeing trips, the "Thirty-Mile" Drive of San Francisco. This includes the Civic Center, Mission Dolores, Twin Peaks, Golden Gate and Lincoln Parks, Ocean Beach, Seal Rocks, Cliff House, the Presidio and business and residential districts. The trip will end about noon. The afternoon is yours to do as you please. You may wish to visit the quaint bazaars of Chinatown in which are found gorgeous silks, carven ivory, cloisonne, teak and porcelain from old Cathay. Indeed there is intrigue and fascination in this wonderful city.

Tue.-Thurs. — Eleventh Day. Because there is such a variety of things to do and see in San Francisco, no group activity is planned for today. Your escort will assist you.

Wed.-Fri. — Twelfth Day. Today is free for last minute shopping and to pack your luggage. Or perhaps you will want to visit still other fascinating places—Fisherman's Wharf where "shore dinners" stimulate jaded appetites and picturesque "tars" add color to the moving pageant. You will enjoy every hour. For San Francisco is a "jewel of many facets" and even the most seasoned globe trotter will find much that will interest and intrigue.

Leave your hotel at 2:35 PM (PST) and board the famous "City of San Francisco," homeward bound. Skirting San Francisco Bay, your train passes through Oakland and Berkeley en route to Sacramento, historic State capital, reached about 5:35 PM, then continue over the Sierras.

Thur.-Sat. — Thirteenth Day. About breakfast time you'll experience the thrill of "going to sea by rail" as your train crosses the Great Salt Lake over the famous Lucin Cut-off, arriving at Ogden about 8:40 AM. Leaving Ogden you are on the Union Pacific Railroad and through the day you'll travel across Wyoming. Your scenic menu consists of many rugged formations—the Wasatch Mountains, Weber Canyon, Echo Canyon and across the Rockies. At Creston you cross the Continental Divide. You will pass through Cheyenne, Wyoming, about 6:35 PM and soon after enter Nebraska.

Fri.-Sun. — Fourteenth Day. A leisurely breakfast, then arrival in Chicago at noon. Your exciting vacation is ended, but memories of places seen and new friends made will linger in your hearts and minds forever.

Tuesday — Fourth Day. Leaving the hotel bright and early, you connect with Union Pacific's Domeliner — California-bound. Breakfast in the dining car. Shortly before lunch you arrive at Riverside for your first day in glorious, colorful California and transfer to the beautiful Mission Inn Garden Hotel.

During your stay you will be taken on a tour of the Inn, with an opportunity to inspect its galleries; its historic relics; its fine Spanish architecture.

Wednesday — Fifth Day. At 9:00 AM you take leave of the Inn bound for the enchantment of "The Happiest Place on Earth" — the Magic Kingdom of Disneyland. Admission is included and here you may enjoy the thrills of Frontierland — Main Street, U. S. A. — Tomorrowland — Fantasyland and Adventureland.

In early afternoon leave by motor coach for an interesting drive through citrus grove and vineyard country via Inspiration Point and Point Loma to your headquarters, Hotel del Coronado on Coronado Island.

Time to "freshen-up" then away again on an evening tour of Tijuana, Old Mexico across the International Border.

Thursday — Sixth Day. After breakfast this morning you're off on another day to remember. Buses will take you on a scenic ride north via Mission Hills and beautiful La Jolla, the gem on the ocean. Enroute you'll stop off at the historic Mission of San Juan Capistrano, famed in song and legend for its swallows, which return annually on March 19.

Luncheon at Knott's Berry Farm and plenty of time to visit Ghost Town — with its Gold Mine — Little Chapel — Livery Stable — General Merchandise Store and many other relics of pioneer days. In mid-afternoon, board your buses for the scenic drive to Los Angeles and your headquarters, the Biltmore Hotel.

Coupons are provided for ALL meals scheduled at the Biltmore. Your escort will arrange to exchange these for cash if you wish to eat elsewhere.

This is the world's largest oceanarium where you will enjoy watching the trained whales, porpoises and seals perform, and view the many other interesting exhibits of undersea life.

The afternoon is open for you to do as you wish, but — polish up your dancing shoes, for tonight we take you to the world famous Hollywood Palladium for dinner and dancing to the music of Lawrence Welk and his Champagne Music Makers. (NOTE: Tours C-2, 3 and 4 will be entertained by another good name band as the Welk orchestra will be on tour.)

Saturday — Eighth Day. After breakfast you are transferred to the Union Station to begin another memorable trip.

Bus to Bakersfield where you board the "San Joaquin Day-light" Streamliner and travel through the fruit raising areas in the San Joaquin Valley to Merced. Then a thrilling motor journey through the Merced River Canyon to awe-inspiring Yosemite Valley.

You will thrill to your first and unsurpassed view of the sheer granite cliffs towering three thousand feet above the valley floor. Then down into the valley to the Ahwahnee Hotel, your home for two nights.

Telegraph Hill and Coit Tower, Oakland in the distance.

After dinner watch the Firefall, a cascade of burning embers pushed over the rim at Glacier Point each night to drop 1,000 feet in a sparkling column of fire.

Sunday — Ninth Day. Time to attend Church services before you leave on the all-day sightseeing tour of tours.

Your route is through oak-forested foothills up the western slope of the Sierra Nevada Mountains to Mariposa Grove of Big Trees. Here you get your first view of the "Sequoia Gigantea," the earth's oldest and largest living things, some thirty feet thick, nearly three hundred feet high and with an estimated age of more than 3,800 years. After luncheon at Big Trees Lodge, you ride in the shadow of the towering granite peaks back to the valley, onward and upward to Glacier Point, 3,254 feet above the Valley, presenting a breath-taking panorama of High Sierra peaks and a bird's-eye view of the Valley.

Returning to the Ahwahnee you will again see the many beauties of Nature's handiwork surrounding you on all sides. There's Half Dome, which for eons of time has looked down upon the Valley . . . Bridalveil Fall with its delicate spray . . . Yosemite Falls, the highest in the world, with a drop of 2,425 feet . . . El Capitan, rising a sheer 3,000 feet from the Merced River and eternally guarding the west entrance of the Valley.

Monday — Tenth Day. This morning you may wish to stroll to the Park Headquarters, visit the Park Museum to hear an illustrated lecture on the formation of the Valley, or accompany a Park Ranger-Naturalist on a hike. Others may just wish to lounge on the veranda of the Ahwahnee and enjoy the beauty all around them.

Reluctantly, after an early luncheon, you'll leave this lovely valley at 11:50 AM bound for Merced, where you'll transfer to your train.

At Oakland, board Gray Line Motor Coach for a half hour trip to the enchanted city of the Pacific — San Francisco. Your headquarters is the beautiful Fairmont Hotel, atop Nob Hill, for two thrill-filled days.

And tonight we introduce you to a different taste of this wonderful city, taking you to the exciting Lamps of China Restaurant for a most interesting dinner in Chinatown.

Tuesday — Eleventh Day. This morning you'll board your motor bus for one of the most scenic drives in America, the "Thirty-Mile" Drive of San Francisco. Through the Civic Center and to Mission Dolores — Twin Peaks for a magnificent view of the city, bay and ocean — through Golden Gate and Lincoln Parks and then to the world-renowned Cliff House, overlooking Seal Rocks and the Blue Pacific, for a delicious luncheon.

The return takes you past the approach of the Golden Gate Bridge, the Presidio, Marina and Yacht Harbor and back to your headquarters, the Fairmont Hotel.

All meals in San Francisco are included in your tour cost. However, so that you will be free to eat at any or several of San Francisco's noted eating places, your escort will redeem in cash the meal coupon provided. He will tell you, too, about the better restaurants.

Wednesday — Twelfth Day. Because there are so many things to do and see in San Francisco, no group activity is planned for today. Morning is reserved for you—sleep a bit later, if you wish, or maybe you'll want to visit some of the many unusual shops and stores; perhaps revisit places passed yesterday or arrange to lunch at Fisherman's Wharf.

About 2:35 PM you leave the hotel and take a last lingering look at San Francisco's striking skyline while en route across the Bay to Oakland where you board the Streamliner "City of San Francisco" homeward bound.

Thursday — Thirteenth Day. Before breakfast time you'll experience the thrill of "going to sea by rail" as your train crosses the Great Salt Lake over the famous Lucin Cut-off, arriving Ogden about 8:40 AM. Now you are on the Union Pacific Railroad and through the day your scenic menu consists of many rugged formations—the Wasatch Mountains, Weber Canyon, Echo Canyon and across the Rockies.

Friday — Fourteenth Day. After a leisurely breakfast a glorious vacation comes to a close with your arrival in Chicago. But your memory will forever cherish the vision of sunny skies, shrouded mountain peaks, the sparkle of Pacific waves, the great peace of whispering evergreen forests—truly happy memories of your wonderful California adventure.

SUNDAY DEPARTURES FROM CHICAGO

If there ever was a vacation tour that combined quality with economy so that it would add up to the perfect vacation, it is our "NC" California and Pacific Northwest Tour.

What an outing this is! More than six thousand miles by rail and motor—through vast stretches of forest, canyon, fertile prairies, populous cities, ranges of majestic mountains. Truly a vacation tour of unequalled variety and charm.

Here, indeed, is dramatic appeal—real high spots—Mt. Rainier National Park, dominated by mighty Mt. Rainier, the "Mountain that was God," towering 14,800 feet high at your very finger tips—the glittering panorama of the Seattle "Century 21" site with its famous Space Needle; the picturesque voyage across the strait of Juan de Fuca to the quaint city of Victoria—truly a touch of Olde England. Portland, the "City of Roses" and the beauties of the Columbia River Gorge.

And you see California—make no mistake about that. First stop is San Francisco, the most romantic, cosmopolitan city of the West, where you have ample time to view the many facets of this lovely jewel—then comes colorful Los Angeles with its Hollywood, the Beach cities and the world-famous play-land, Disneyland, to add to your delights.

Finally, the climax of this never-to-be-forgotten trip comes with a stop at fabulous Las Vegas, the entertainment capital of the world.

And on this tour—as on all Union Pacific Summer Tours—all of your meals have been paid for before you leave home. But you still retain freedom of choice of restaurants in the various cities with our popular meal coupon arrangement. (See the details under General Information on Page 23.)

Truly this is an outstanding travel bargain plus a vacation investment rich with many happy memories.

DAY-BY-DAY STORY

Sunday — First Day. Your vacation adventure begins the moment you board your Domeliner Westward bound from Chicago at 3:00 PM. Dinner in the dining car.

Monday — Second Day. Today as you travel the route of the Overland and Oregon Trails across the states of Wyoming and Idaho en route to Portland you will enjoy three delicious meals in the Dome dining car and the unobstructed views from the Dome Observation Lounge car.

Tuesday — Third Day. The scenery begins early today as you travel through the Columbia River Gorge, passing many waterfalls along the great palisades. You'll see Beacon Rock, St. Peter's Dome, Horsetail Falls and Multnomah Falls, finest in the Gorge. Breakfast and luncheon in the diner before arrival Tacoma, doorway to your first exciting adventure.

This afternoon's inspiring drive through impressive virgin stands of giant spruce and fir is the first "leg" of your trip through the mountains to picturesque Paradise Inn, your home for one day and a night.

Wednesday — Fourth Day. This morning in Rainier National Park you will revel in exploration of the valley with its profusion of wild flowers, stately forests and fine views of Mount Rainier, or the taking of snapshots and movies that you'll pridefully exhibit for years to come. Here is fair land indeed — and spectacular indeed. You'll never forget its fascinations.

At 2:00 PM you leave Paradise Inn for Seattle via the scenic Around-the-Mountain tour by way of Tipsoo Lake and Enumclaw en route to the Roosevelt Hotel.

Nothing is planned for this evening as you may wish to spend this time at the exciting Seattle Center, site of the 1962 Seattle World's Fair. You will marvel at the Space Needle with its delightful views of the nearby mountains, Lake Washington and Puget Sound — the fun and laughter of the Gayway — the revealing and fascinating story of the World of Science. A busy and exciting evening!

Thursday — Fifth Day. This morning you embark on a Canadian Pacific steamer for a delightful four hour voyage — across the picturesque strait of Juan de Fuca — to the quaint city of Victoria, B.C. Here you will see how old country traditions take root and grow so lustily that Victoria impresses visiting Englishmen as more staid and sedate than their own native land.

Luncheon at the Net Loft waterfront Dining Room with a panoramic view of the Inner Harbour and Fisherman's Wharf.

Then a tour of this quiet and beautiful city, through the Saanich Peninsula and picturesque wooded country to the famous Butchart Gardens, rated among the world's most beautiful. Return to your steamer for another "taste of the sea" by sunset and back to your hotel filled with day's happy memories.

Friday — Sixth Day. Up early today for your train leaves at 8:05 AM en route to Portland, the "City of Roses."

After lunch at the Anchorage Restaurant you leave by motor on the city tour visiting the Forestry Building; Largest Log Cabin in the world; Washington Park with its famed international Rose Test Gardens, Municipal Rose Gardens; the finest residential sections of Portland on the west-side hills with lovely views of Mt. Hood, Mt. St. Helens and Mt. Adams from these heights. Late afternoon board the train for California.

Saturday — Seventh Day. Morning finds you in Oakland where you transfer to the motor coach for the trip across the Bay to the friendly, cosmopolitan city of San Francisco and your headquarters, the Stewart Hotel.

Meals can be taken at Mannings adjacent to the Stewart Hotel — or, if you wish to eat elsewhere, your escort will arrange to exchange your meal coupons for cash.

Because there are so many things to do and see in this lovely city, no group activity is planned for today. You will be happy to have this time to visit the many unusual shops and stores within easy walking distance of your hotel.

Sunday — Eighth Day. The morning is open to attend the Church of your choice. At 2:15 PM you'll board your motor bus for one of the most scenic drives in America, the "Thirty-Mile Drive" of San Francisco. Through the Civic Center and to Mission Dolores — Twin Peaks for a magnificent view of the

city, bay and ocean — through Golden Gate and Lincoln Parks and then to the world-renowned Cliff House, overlooking the blue Pacific and Seal Rocks.

The return takes you past the approach of the Golden Gate Bridge, the Presidio, Marina and Yacht Harbor; then to the top of Nob Hill for a delicious dinner in the exciting Tonga Room of the Fairmont Hotel.

After dinner there is time for one last, lingering look at this enchanting city before you board your train.

Monday — Ninth Day. After breakfast in the dining car you reach Los Angeles and transfer to the Biltmore Hotel, your home for two days and two nights.

Coupons are provided for meals scheduled at the Biltmore and your escort will arrange to exchange these for cash if you would prefer to eat elsewhere.

This morning you take a tour of the famous beauty spots of Los Angeles and its suburbs. And how you will enjoy this delightful trip as mile after mile of scenic charm unfolds before you — Santa Monica, with its palisades — Hollywood, the movie capital of the world — Beverly Hills, where you will pass many of the sumptuous Spanish or Colonial homes of the "stars." Return to your hotel in time for lunch and the balance of the day is yours to do-as-you-please.

Tuesday — Tenth Day. At 9:00 AM you take leave of the Biltmore bound for the enchantment of "The Happiest Place on Earth" — the magic Kingdom of Disneyland. Admission is included and here you may enjoy the thrills of Frontierland — Main Street, U.S.A. — Tomorrowland — Fantasyland and Adventureland.

There are no planned activities for this afternoon as you may wish to do some last-minute shopping, visit with friends, take in the TV studios or catch up on your postcard writing.

Wednesday — Eleventh Day. Up early this morning for the transfer to the Depot, your train the "Las Vegas Holiday Special," and the short trip to Las Vegas, Nevada.

Arriving in mid-afternoon, you'll walk a short distance to the Hotel Fremont, in the heart of downtown Las Vegas, your headquarters until tomorrow night. The cashier will redeem the coupon covering meals in Las Vegas so that you'll be free to eat where you choose. There are plenty of activities to keep you occupied in this famous city — the entertainment capital of the world where "the fun never sets." Your escort will have the latest information regarding the shows at all of the hotels.

Thursday — Twelfth Day. As Las Vegas offers such a variety of entertainment, this morning is yours to do with as you desire.

Hoover Dam as viewed from vantage point below the dam.

After luncheon, you'll board motor buses for a trip to Boulder City—built to house the men who constructed Boulder Dam (now called Hoover Dam). A short stop is made here, then you're off to the mighty dam itself where Government guides conduct you through the huge power houses inside and give informative talks about points of interest.

Upon completion of the tour, you will be returned to the Riviera Hotel for a sumptuous "going away" dinner followed by a spectacular stage production in a glamorous setting.

All too soon it is time to depart from this fantastic spot but your escort will see that you are on the train to leave at 10:50 PM, homeward bound.

Friday — Thirteenth Day. Speeding eastward, settle back and enjoy the ever changing panoramas, leisurely meals in the dining car and pleasant hours in the lounge.

Saturday — Fourteenth Day. This is the last day of your vacation tour to California and the Pacific Northwest, but you have traveled thousands of miles and probably have become acquainted with parts of your country that you had never seen before.

As you review the experiences and thrills of the trip, you know for a certainty that this vacation has indeed been one that has far surpassed your greatest expectations and will live in your memory forever.

DAY-BY-DAY STORY

Sat.-Mon. — First Day. At the Union Station, Chicago, our travel representative looks after your baggage, tickets and other travel details — leaving you free to relax and make the most of your journey west.

The evening hours pass pleasantly as you become acquainted with your companions of the next two weeks, and your train, the Domeliner, "City of Portland," crosses Illinois and Iowa. Dinner in the diner.

Sun.-Tues. — Second Day. During the night you crossed Nebraska into Colorado where a brief stop is made at Denver. Today, as you follow the route of the Overland and Oregon Trails across the states of Wyoming and Idaho en route to Portland, Oregon, you will enjoy three delicious meals in the Dome Dining Car and the unobstructed views from the Dome Lounge Car.

Mon.-Wed. — Third Day. The scenery begins early today as you travel through the Columbia River Gorge, passing many waterfalls along the great palisades. You'll see Beacon Rock, St. Peter's Dome, Horsetail Falls and Multnomah Falls, finest in the Gorge. This afternoon's inspiring drive through impressive virgin stands of giant spruce and fir is the first "leg" of your trip through the mountains to picturesque Paradise Inn, your home for two nights and a day.

Tues.-Thu. — Fourth Day. All day at Rainier National Park and how you will revel in the natural beauty that unfolds as you sally forth to explore. Those who hunt with cameras will be richly rewarded.

After breakfast you leave Paradise Inn for Seattle and travel over the Stevens Canyon Road which leads into the rugged, almost wilderness area of the Park, where the mysterious Box Canyon of the Cowlitz River will interest you. A panoramic view of the majestic grandeur of Mt. Rainier is seen from Backbone Ridge Observation Turnout; then your trip continues through a towering primeval forest and over Cayuse Pass and soon you are back to the city once again. The Around-the-Mountain Tour is truly a never-to-be-forgotten thrill.

Your headquarters is the Olympic Hotel and the balance of the day is open for you to do as you wish. Perhaps you'd like to do a bit of shopping or browsing on your own; or ride the Monorail to the exciting new Seattle Center, site of the 1962 Seattle World's Fair. Also take the elevator to the Space Needle's observation deck and revolving restaurant for a magnificent view of the city. Your escort will assist you with any of your plans.

Thu.-Sat. — Sixth Day. After an early breakfast at your headquarters, you will leave about 7:30 AM (PST) for the Canadian Pacific Steamship dock, where you will board the steamer for a delightful four-hour trip across the picturesque strait of Juan de Fuca to Victoria, B.C., entrance to Canada. Here, perhaps for the first time, you will visit a Province and learn first-hand how old country traditions can take root in a young land. And how charmingly different and restful you will find it!

The beautiful Empress Hotel is your Headquarters while in Victoria. It is important that proper credentials proving U.S. Citizenship be carried to comply with immigration regulations. See "General Information" for details.

After lunch you will take a tour of this quiet, beautiful and very English city, visiting the Parliament Buildings, business section and through picturesque wooded country to the famous Butchart Gardens, one of the loveliest and most outstanding

Lake Louise from Chateau.

floral beauty spots of the continent. Dinner at the Empress Hotel. The evening is yours to do as you please.

Fri.-Sun. — Seventh Day. Breakfast and luncheon at Empress Hotel. No other planned activities during the morning. After luncheon you leave Victoria by bus for Swartz Bay, where you transfer to a steamer for the short trip to Vancouver. This little "taste of the sea" is another happy interlude, adding immeasurably to the pleasure of your trip. Dinner and overnight at the Hotel Vancouver.

Sat.-Mon. — Eighth Day. Morning is open for you to do as you desire. At 2:15 PM you are taken on a tour of the most scenic and interesting highlights of Vancouver; Stanley Park, historical and natural beauties; across the Lions Gate suspension bridge to the picturesque North Shore of Burrard Inlet, into the mountains to the precipitous Capilano Canyon which a suspension bridge spans at a height of 200 feet, providing a breathtaking view of the Capilano River; Shaughnessy Heights, its lovely homes and quaint English gardens; Little Mountain, which offers a magnificent view of the City, Harbour and Mountains; Queen Elizabeth Arboretum — then on to the railroad station for your train.

Sun. to Tue. - Tue. to Thur. — Ninth, Tenth, Eleventh Days. Morning finds you in the midst of the Canadian Rockies, a most magnificent mountain range — roaring through high-walled canyons, diving into tunnels, creeping over lofty passes — with thrilling sights as the ever-changing panorama unfolds. Breakfast and luncheon in the diner before reaching Field, B. C.

Between Field and Lake Louise your route takes you on a drive of rare scenic beauty through these rugged mountains to Emerald Lake, green, lovely, surrounded by towering peaks. You explore by auto the famous Yoho Valley to Takakaw Falls, continuing through Kicking Horse Canyon, past Wapta Lake and across the Great Divide into Banff National Park to the Chateau Lake Louise, a bit of turquoise loveliness situated at the base of Victoria Glacier. Lake view rooms will be assigned for two nights.

Activities include swimming in the lovely outdoor heated pool; woodland walks or horseback riding along well-marked trails — or just relaxing amid the home-like atmosphere.

Your motor trip from Lake Louise to Banff takes you through Johnson Canyon and past towering Mt. Eisenhower. Arrival in Banff is 3:30 PM for your overnight stay.

Banff Springs Hotel is ideally situated for viewing the picturesque Bow River Valley and unsurpassed mountain scenery.

Wed.-Fri. — Twelfth Day. A glorious morning at Banff is yours to do with as you please. Then at 3:00 PM for a final look at the breath-taking panoramas that are among Nature's noblest scenes you are taken on a tour including such highlights as Bow Falls, Cascade Rock Gardens, Tunnel Mountain Drive and a drive up Mt. Norquay affording the finest views of the Bow Valley. Then—board your train, homeward bound.

Thu.-Sat. — Thirteenth Day. All day you clip off mile after mile of your journey home. Speeding eastward and homeward you cross the great plains and wheat fields of Canada as you relive with your friends the memories of the beautiful mountains left behind.

Fri.-Sun. — Fourteenth Day. Arriving early at the Twin Cities—Minneapolis, beautiful city of many lakes—St. Paul, capital of Minnesota—followed by a pleasant daylight trip through picturesque Wisconsin to Chicago and the end of a perfect trip. A vacation of outstanding beauty filled with happy memories that you will carry with you forever.

SATURDAY DEPARTURES FROM CHICAGO

"Let's go to Colorado!" It's an old refrain to many. Each summer when vacation time draws near, old-timers as well as first-timers say, "Let's go to Colorado!"

There is something about Colorado that's irresistible—the mountains for one thing. Those rugged old giants with their lofty white heads outlined against the blue sky "pep" one up as nothing else can. Then there is the clean, bracing air . . . the invigorating sunshine . . . the fragrant pine forests . . . the silvery lakes and tumbling streams . . . and the outdoor pastimes that go with all this.

Fortunately, these glorious playgrounds are easily accessible. And on our "RM" tour you enjoy a Colorado vacation for surprisingly little. Moreover, from the moment you leave Chicago until you return all of your travel expenses are included in the cost of your tour, thus it isn't necessary to carry extra cash with you to cover any meals excluded from the original charges.

Read the day-by-day story—compare the costs with other Colorado tours and you will see what a great travel bargain this is!

DAY-BY-DAY STORY

Saturday — First Day. You board your sleek Domeliner "City of Denver" in the afternoon and have time to get acquainted with other members of your party before going to dinner, or just relax as your train speeds across Illinois and Iowa.

Sunday — Second Day. You'll enjoy breakfast in the dining car before you arrive in Denver at 7:40 AM. Here you transfer to the Rocky Mountain Motor Bus for the short but scenic ride to Colorado Springs, which is reached at 10:40 AM. Your

home will be the Antlers Hotel, "in the shadow of Pike's Peak." The morning is open and as this is Sunday you may wish to attend Church. Luncheon at the hotel, then at 1:30 PM you leave by automobile for a 40-mile drive, which will include the beautiful residential districts of Colorado Springs, fantastic and colorful Garden of the Gods and High Mesa. You ride up Cheyenne Mountain to the summit, visiting the Will Rogers Memorial Shrine. Return is by way of North Cheyenne Canyon, the High Drive and Bear Creek Canyon—back to the Antlers for dinner.

Monday—Third Day. Breakfast and luncheon at the hotel. Automobiles leave at 8:00 AM for a 60-mile drive to the summit of venerable Pikes Peak. This thrilling trip will live forever in your memory as every turn of the road brings new and breath-taking vistas. The Peak is detached from the mountain range and the view from its 14,110 foot summit is seemingly limitless. You will return to the hotel about noon and the afternoon is yours to do as you please.

Leave the hotel at 6:00 PM for the short ride to the "Flying W" Ranch, where you will be served a typical Western Chuck Wagon dinner and enjoy an evening of Cowboy entertainment under the stars.

Tuesday—Fourth Day. Breakfast at the hotel—then it's time to pack your luggage before leaving at 9:00 AM for an interesting drive to Denver and Central City, early mining town, where gold was first discovered in this area. Here a guide will show you the old Opera House, still in use, and the famed hotel, the Teller House, where luncheon will be served.

Time to look around this interesting town before boarding buses for your trip to Rocky Mountain National Park. Traveling by way of Mount Vernon Canyon and Idaho Springs, you will cross the Continental Divide and Berthoud Pass en route to Grand Lake, reached in time for dinner.

Accommodations with bath are provided in rustic cabins—a short walk from the central lodge. (Due to the limited number of available cabins with bath facilities, bath will be on a sharing basis—that is, two adjoining rooms with bath between).

There is entertainment in the evening at the lodge. The nearby village offers movies, dancing and other entertainment. All meals in Rocky Mountain National Park are included in tour cost.

Wednesday—Fifth Day. All morning at Grand Lake to enjoy your favorite sport or diversion—or to just relax amid these delightful surroundings. After luncheon you say "good-bye" to Grand Lake and begin another exciting trip with breath-taking views of rugged mountain grandeur. You will travel via Milner Pass and over the famous Trail Ridge Road, recrossing the Continental Divide on your way to Estes Park.

Your home for the next two nights is the Estes Park Chalet, nestled at the foot of pine-clad Lily Mountain. The Chalet offers an unlimited variety of outdoor activity and a fireside friendliness that is most refreshing. The setting is perfect for you to do the things you like best to do, when and how you want to do them.

Thursday—Sixth Day. Today is yours—so make the most of every moment. Swim if you please—hike the easy trails or the hard ones—or let your horse do the hiking while you go along for the ride. Whatever you do in this lovely Alpine country makes memories that will live with you forever.

Friday—Seventh Day. Today you have a leisurely breakfast, then leave Estes Park at 8:30 AM for Denver, traveling via scenic So. St. Vrain Canyon. You stop at the Park Lane Hotel for luncheon, while en route to the Union Station and your train—the Domeliner "City of Denver"—to begin your trip home.

After a delicious dinner in the dining car you will wish to spend this last evening of the tour in the lounge car with members of your party, recalling the many happy experiences and grand sights which you have enjoyed together during the past few days.

Saturday—Eighth Day. Breakfast, then Chicago. As you bid your companions farewell you will marvel that so much enjoyment and truly magnificent scenery are possible in a trip of such short duration.

Typical Colorado Scene.

SATURDAY DEPARTURES FROM CHICAGO

JUNE 13, 20, 27 JULY 4, 11, 18, 25 AUGUST 1, 8, 15

Many of our tour folks have felt that one week in this lovely land of Colorado was far too little time and therefore expressed a desire to stay longer than our regular "RM" tour permits. Thus we have made arrangements with Elkhorn Lodge—Estes Park's traditional vacation resort—to provide the pleasures for you who wish to remain in this majestic mountainland for seven additional glorious days.

Elkhorn Lodge, the most picturesque hotel resort in America's favorite vacation-land, lies tucked in among the mountains—yet is within 5 minutes walking distance of Estes Park Village. 'Tis a lodge to suit your individual whims, the perfect climax to a glorious and memorable vacation—a wonderful experience you'll never forget.

DAY-BY-DAY STORY

Saturday to Friday—First to Seventh Day. Follow the day-by-day story of the "RM" tour in detail on pages 18 and 19 for the description of the first week of your Colorado adventure.

Friday—Seventh Day. After breakfast at the Estes Park Chalet your escort bids you his fond farewell and soon you are on your way to travel the few short miles by bus into the village and to your home in the mountains for the next seven days.

All of the delicious home-cooked meals to delight the gourmet are included during your stay at the Elkhorn Lodge. Rooms

attractively arranged with modern furnishings and private baths are provided for your comfortable living during this week of happiness.

Saturday to Thursday—Eighth to Thirteenth Days. These days are yours to call your own—to do as your heart dictates and desires and there is so much to keep you busy every moment. Planned activities and entertainment fill every hour of the day, if desired.

Or would you rather while away the hours sunbathing under Colorado's blue skies beside the pool or just plain relaxin' on the spacious porches of Elkhorn. Not you? Then how about living the life of a carefree "dude" or "dudeen" and really join the fun.

Roosevelt National Forest surrounds the village of Estes Park and—afoot or horseback—you enjoy the trails and adventure up the ridges or explore the quiet forest valley all around.

For the fisherman, one half mile of Fall River runs through the Lodge grounds just casting distance from your cottage.

Other fun times include a ride into the mountains for breakfast

and hot cakes by the dozen—and again—an outdoor steak fry in true Western style.

A half-day trip to Bear Lake on Wednesday gives access to a network of trails which lead to mountain summits and penetrate gorges lined with lakes and forests. Truly a day of thrills.

The Coach House, one of the most popular and pleasant facilities, is a rendezvous for relaxation and refreshments. But regardless of your choice of eating locations, whether you partake of a package lunch on the trail or relax in the Four Seasons Dining Room you can be sure you're receiving the finest prepared by a skilled chef and his staff.

Shuffle-board, ping-pong, lazyin' in the sun—whatever you choose, you'll love every moment of your week in this mountain wonderland.

Square dancing, whether you're an "old-timer" or a "young-timer," to fill your evenings with fun.

Much to do every day—or plenty of loafing and relaxin' time—either way it ends all too soon, and filled with a mingling of wonderful memories, it's time to say goodbye.

Friday—Fourteenth Day. Breakfast at the Lodge—one last, long look at the beauty that is everywhere—and you once again meet your escort who will be with you for your trip home.

Leaving Elkhorn Lodge you travel via the So. St. Vrain Canyon to Denver, stop at the Park Lane Hotel for luncheon in the "Top of the Park," and then on to the Union Station and your home on the rails, the Domeliner "City of Denver."

Saturday—Fifteenth Day. After breakfast you reach Chicago at 10:15 AM, CST.,—once again back to reality but rich with memories of a wonderful vacation.

SATURDAY DEPARTURES FROM CHICAGO

JUNE 13, 20, 27

JULY 4, 11, 18, 25

AUGUST 1, 8, 15

There has been a demand for a tour that would combine Yellowstone, the Grand Tetons and the Colorado Rockies so that all three of these great attractions could be visited within a two weeks vacation period.

And now we have not only this great combination but also add all-inclusive stopovers in the fascinating cities of Salt Lake City, Colorado Springs and Denver. This, then, is a wonderful two weeks vacation adventure that you will always remember with pleasure.

It is a blending of all features of our two one-week tours — the "YT" and "RM" — described more fully in detail in other pages of this book.

First, you follow the itinerary of the "YT" tour for the first eight days as outlined on pages 2 and 3. This takes you from Chicago to Denver for a day of sightseeing and then to Salt Lake City, so aptly termed, "the most entrancingly beautiful city in America." Next follows one day stopovers in Nature's Curiosity Shops — Jackson Lake Lodge, in the heart of the mighty Teton Mountains; Yellowstone Lake Hotel and Old Faithful, the King of Geyserland.

You travel without escort from Ogden on Saturday to Denver where you will join the "RM" tour on Sunday morning. Follow this tour as described in detail on pages 18 and 19 from Denver to Colorado Springs — then through Rocky Mountain National Park with interesting stopovers at Grand Lake and the Estes Park Chalet. Truly, this is an ideal and carefree vacation!

Advantages of Tour Vacations

WHY YOU SHOULD JOIN A UNION PACIFIC ESCORTED TOUR.—"The Best of the West" at the least possible cost. There is the whole story in a few words. The Best of the West—when you are our guest. Plus this: You have the great advantage of knowing at the outset the exact cost of your trip. The tours are planned with every consideration for your comfort, convenience and pleasure. All of the details are arranged in advance and are carefully carried out by our representative, your escort, with the party. He relieves you of all the anxieties of the independent traveler. You are, in fact, more independent in a real sense than the so-called independent traveler as you are entirely free to enjoy to the fullest extent the pleasures of your trip.

ALL-EXPENSE TOUR VACATIONS are ideally suited for young and old alike. Traveling with congenial companions adds a great deal to one's pleasure.

WOMEN TRAVELING ALONE are sometimes hesitant about taking an extended vacation trip. Escorted tours bridge this difficulty. Introduced to other members of the group they will feel "at home" among friends and have the trip of a lifetime.

UNION PACIFIC TOURS ARE QUALITY TOURS. They provide excellent accommodations, include as many attractions as possible and yet maintain a proper balance between rest, recreation and relaxation, and they are moderately priced.

Costs are complete and include **three meals every day—a special feature of Union Pacific Summer Tours. Comparison with any other is invited.**

Only such incidentals as voluntary tips to waiters or waitresses, Pullman porters, coach attendants or bus drivers and such purchases as you may want to make, are extra.

You travel under the sponsorship of an experienced, responsible organization. Union Pacific Tours have been operated successfully since 1900.

"UNION PACIFIC TOURS SATISFY"

"It was my very great pleasure, recently, to be a part of one of your expertly organized Western tours. I am writing this letter to state my appreciation for all of the experiences enjoyed, and to let you know how well things went, from start to finish. Perhaps a great deal of the effectiveness of the trip was due to the untiring efforts of our escort. You may be certain that I will look forward to additional Union Pacific tours."—"I have just returned from your Pacific Northwest tour which I thoroughly enjoyed. The accommodations, both train and hotels, were excellent. Up until a year ago I have always traveled on my own, but after taking your tour, I have come to the conclusion I have been missing a great deal, and future travel will be on Union Pacific escorted tours for this one proved to be such a delightful experience."

TRAIN TRAVEL IS ALWAYS COMFORTABLE AND RELAXING

The minute you step aboard you can forget summer's heat in pleasant air-conditioned surroundings. You can dine leisurely in an attractive Dining Car where a choice of skillfully prepared fresh foods tempt your appetite.

Many pleasant moments may be spent with your congenial tour companions in the Lounge or Club Cars provided on most trains for Pullman sleeping car and coach passengers.

HOW TO JOIN OUR TOURS. Simply fill in the reservation blank on this page, then mail or take it to the travel agent or office shown on back cover or page 21—or, mail to Union Pacific Department of Tours, One So. LaSalle St., Chicago Ill., 60603. Although deposits for advance reservations are not required, **remittance should be made not later than two weeks before tour departure.** If application for space is made within the two weeks period prior to departure, payment should be made upon receipt of reservation confirmation. Persons prevented from going may procure refund in full, provided Pullman reservations are cancelled before the Friday prior to scheduled date of departure from Chicago.

GENERAL INFORMATION

Hotel and Lodge Accommodations. Tour rates are based on double occupancy of rooms (twin beds). Rooms with bath are provided at all hotels and lodges used. National Park facilities come under the jurisdiction of the Department of the Interior.

In the Utah-Arizona National Parks, rate is based on standard cabin with shower. Deluxe cabins with bath, if available, are at an additional cost of \$1.25 per person, per day.

SINGLE ROOMS are sometimes available upon request at an additional charge. This charge is not payable in advance but must be paid to each Hotel or Lodge at the time of service.

Meal Arrangements. All meals, three every day, are included in the cost of all Union Pacific summer tours. Coupons with stated values are provided for meals taken in dining cars and at certain city hotels. They are accepted the same as cash and you even receive a refund on dining car meals if there are times when you do not use the full value of your meal coupons or if you should skip a meal entirely.

Only Union Pacific Tours give you this advantage.

This same refund arrangement is also true at most city hotels, thus giving you the freedom of choice of fine restaurants without the necessity of carrying extra money with you to cover costs of meals not included in the original charges.

Meal coupon values vary depending upon prevailing prices in trains and hotels used. In every case coupon values permit a liberal choice of entrees.

Escorts arrange settlement for all meals for which individual coupons are not provided.

Equipment — Pullman. All regularly assigned sleeping cars will be lightweight, streamlined, air-conditioned cars, providing a choice of accommodations, assuring you of every comfort. Rate quotations shown following each tour itinerary will indicate the various types of accommodations carried on each particular tour.

Baggage Insurance — Insurance to cover loss or damage to baggage and personal effects may be purchased through most railroad baggage offices or ticket offices or through your travel agent.

Baggage. One or two suit cases or bags will hold sufficient clothing for your entire trip. The Department of Tours will pay for all service in connection with the handling of baggage at all stopping points while with the tour. Individuals are urged to carry their own cosmetic cases because of their fragile nature.

Baggage should never be checked on the baggage car from home station to Chicago or any point on the tour due to the possibility of it being delayed enroute.

One piece of baggage, weighing not more than twenty-five pounds, will be carried free in the National Parks. If it is desired you may also carry a small overnight bag with you. Additional baggage may be checked free at park gateways. The Department of Tours assumes no responsibility for baggage or personal effects, but in the event of damage, delay or loss, will do all in its reasonable power to lessen the hardships incurred. Your escort will furnish special baggage tags to attach to each piece of luggage which you desire him to handle.

Wearing Apparel. Warm summer days suggest lightweight clothing, however nights in mountain regions are cool and topcoats, sweaters, and weatherproof outer garments are desirable. Sport or casual clothes are most practical for travel en route and in the parks. A business suit for men, a couple of informal dresses for women, suitable for dinner or evening wear, are suggested. Bring your camera, a pair of colored glasses and, of course, shoes suitable for hiking.

Church Services. Your escort will be fully informed regarding Church services at places visited on Sunday.
