## A WESTERN VACATION TOUR

For **your 1966** vacation we urge you to visit the Union Pacific West. Nowhere else in America is there such a concentration of scenic high spots, of diversified vacation activities, of opportunities for rest, play, or sightseeing.

The **Utah-Arizona Wonderlands** — Zion, Bryce Canyon, and Grand Canyon National Parks — where fascinating rock formations, breath-taking heights and awesome depths are yours to enjoy. Then there's Yellowstone with its amazing geysers, its falls, canyons, and lakes; the Grand Tetons, whose heaven piercing peaks defy description.

**California** is also a part of the Union Pacific West. The Golden State offers hundreds of golden opportunities to see and enjoy its fun-loving cities, its sparkling ocean and beaches, its flowered valleys.

The **Pacific Northwest, Canadian Rockies, and Glorious Glacier** also are western favorites. For here is a great green empire where sky-piercing peaks and flashing waterfalls vie with enticing gorges and valleys for attention.

**Colorado** beckons, too. This mountain paradise appeals to young and old. Here the sunshine seems a little more brilliant, the air cleaner and more bracing, the lakes and streams a bit more inviting. The age-old mountains add peace and serenity to your stay — you relax and live.

On a **Union Pacific** escorted summer tour any or all of those western vacation favorites are available to you. All the tours are in charge of a competent escort. As a tour member there's nothing for you to do but enjoy yourself. The tours include train, resort and hotel accommodations, sightseeing, motor transportation and all meals . . . your escort looks after every detail including baggage.

And "all-expense" means **ALL expense** — no "extras" of any kind except tips for personal services. You even receive a refund on dining car meals if there are times when you do not use the full value of your meal coupon or if you should skip a meal entirely. This same refund arrangement is also true at most city hotels thus giving you freedom of choice of fine restaurants without the necessity of carrying extra money with you to cover costs of meals other tours omit. **ONLY Union Pacific Tours** offer you this advantage.

Compare what is offered with any other vacation and you'll agree that a **Union Pacific Tour** is the best investment you can make.

In your four days of sightseeing through the Parks, you'll see the spectacular wonders of Yellowstone. Here Nature outdoes herself and with a lavish hand places before her guests the choicest of her many wonders — geysers that hiss and steam; towering waterfalls; canyons of striking hue and color; hot springs, mud volcanoes; paint pots that bubble and gurggle; the Great Falls and Grand Canyon of the Yellowstone; plus an amazing and interesting variety of wild life.

## DAY-BY-DAY STORY

**Saturday—First Day.** Leaving Chicago during the afternoon your first hours will be spent in meeting your congenial companions and you'll watch the passing panorama—the interesting "prairie lands" of Illinois and Iowa's fields of waving corn. Dinner is served in the dining car.

**Sunday—Second Day.** During the night your train rolls smoothly through Nebraska and early morning finds you in Colorado. Breakfast on the train before arrival in Denver at 7:40 AM. There is time for those who desire to attend the Church of their choice. At 10:00 AM you'll board motor buses for a day of scenic treats, which will include the Civic Center, the city parks, Federal, State and City Buildings. After lunch in the Olin Motor Inn, your trip will continue to Lookout Mountain, the tomb of Buffalo Bill, Memorial Museum, Clear Creek Canyon; stop in Red Rocks Park, a beautiful garden of rock created by a mammoth upheaval of Dakota sandstone, then return to Denver via Lariat Trail in the late afternoon. Dinner in the Union Station Restaurant.

**Monday—Third Day.** Breakfast on the train before arrival at Salt Lake City—reached at 9:20 AM. Motor buses will meet you immediately on arrival to begin an interesting day of sightseeing which will include a trip to all of the historic and romantic points of interest in Salt Lake Valley.

You see the many spots rich in memories of the hardy Mormon pioneers who conquered the wilderness of Utah. The Mormon Temple and Tabernacle; Brigham Young's homes, his monument and private burial ground, Beehive House, Lion House, Eagle Gate and the State Capitol, returning in time for the delightful organ recital.

Luncheon at the Hotel Utah, then off to the Great Salt Lake and the famous Utah open-cut Copper Mine in Bingham Canyon for the spectacular blasting operation, viewed in perfect safety.

After dinner at the Hotel Utah, you leave at 7:30 PM for the overnight trip to the Tetons where you begin four days of unforgettable sightseeing through the Parks.

**Tuesday—Fourth Day.** After breakfast, your route takes you over Teton Pass to the historic town of Jackson.

The Grand Teton area is a region of mountainous grandeur and breathtaking views of the majestic Tetons are seen as you motor to your headquarters—Jackson Lake Lodge—where spacious, tastefully furnished rooms with bath are provided in guest cottages. Afternoon and evening are open.

(Note) Tour No. 1 will spend Tuesday night at Lake Hotel and Wednesday night at Jackson Lake Lodge.

**Wednesday—Fifth Day.** At 9:00 AM you will be taken on an all-day sightseeing trip brim-full of breathtaking beauty. Ox Bow Bend, Glacier Lookout, Chapel of the Transfiguration; boat trip on Jackson Lake to the very foot of the Tetons and a delightful lunch on Elk Island. Truly a day of never-to-be-forgotten thrills in this cameraman's paradise!

As you begin your trip north into Yellowstone National Park, you'll motor along the shore of Jackson Lake. Then through the spectacular Lewis Canyon, passing West Thumb Geyser Basin and Yellowstone Lake before reaching your headquarters, the Yellowstone Lake Hotel in time for dinner.

**Thursday—Sixth Day.** A great day! After a hearty breakfast you board motor coaches again and are off for a drive along the Yellowstone River to Artist Point for your first view of the Grand Canyon, climax of Yellowstone's glory.

Still another thrill awaits you as your trip continues over the famous Dunraven Pass to Mt. Washburn and Tower Fall—another of the outstanding scenic features of the Park.

Now a stop for lunch at the Mammoth Motor Inn with ample time to view the many vari-tinted terraces and to visit the Park Museum before departing for Old Faithful Inn. Your route is via Apollinaris Spring, Obsidian Cliff and Norris Geyser Basin with stops at the principal attractions.

There is dancing and other entertainment at Old Faithful. This evening, like all evenings in Yellowstone, is beyond compare—the combination of star-studded skies, campfires, soft re-echoing strains of music, create an enchanted setting, and it's wonderful.

**Friday—Seventh Day.** Old Faithful Geyser is but a few steps from the Inn, and you'll enjoy watching its almost hourly eruptions or take one of the hikes of the geyser basin conducted by a Park Ranger-Naturalist.

This day is yours to plan as you prefer so enjoy every moment, because after dinner you'll be headin' toward your train for the overnight trip to Ogden, Utah.

**Saturday—Eighth Day.** Be up early this morning for a thrilling train ride through the Bear River Canyon and another view of the Great Salt Lake to the west.

On arrival at Ogden, Utah, you will detrain and transfer to the Ben Lomond Hotel for breakfast, then return to the station to board your Domeliner to Chicago.

Again it is a pleasure to watch the ever-changing landscape from your train window as you travel through the beautiful Weber Canyon, past "Devil's Slide" and into towering Echo Canyon.

But now your tour companions are your friends and together you relive much of what you have seen and you enjoy a sense of camaraderie that only comes from such a happy association.

**Sunday—Ninth Day.** A leisurely breakfast in the dining car, and soon your train will roll quietly into Chicago, then happy adieu . . . and memories of a delightful, funful, care-free vacation!

A trip through the Southern Utah-Arizona National Parks is in itself a complete vacation. So, too, is a visit to Yellowstone and Grand Teton National Parks. But to select two such fascinating regions, combining them into one 14-day, all-expense tour, this is indeed vacation news of the highest order—a vacation trip you can look back upon as one of the most eventful chapters in your life.

You see FIVE National Parks—Zion, Grand Canyon, Bryce, Grand Teton and Yellowstone, as well as Cedar Breaks National Monument, motor through several National Forests and go sightseeing in one of America's most noted cities—Salt Lake City, Utah. And—you do it all comfortably and leisurely in only two weeks' time.

First—a trip to Yellowstone and Grand Teton National Parks—four days of sightseeing with overnight stops at the Lake Hotel, Old Faithful Inn and Jackson Lake Lodge. Then you spend five days and five nights in the Utah-Arizona Wonderlands, where Nature's sculptured masterpieces await your rapt contemplation.

What wonders they are to behold! Zion National Park, a symphony in form and color; Arizona's Grand Canyon, a world wonder in its own right; Bryce Canyon, masterpiece of erosion and color; the painted cliffs of Cedar Breaks National Monument and the drive through beautiful Kaibab Forest, over Mt. Carmel Highway and through Red Canyon.

Finally, sightseeing in Salt Lake City and a visit to the Mormon Tabernacle to hear the Mormon Choir or the famed Organ Recital before your footsteps turn toward home.

**DAY-BY-DAY STORY**

**Fri. - Sun. — First Day.** Late this afternoon you will embark upon two weeks of vacation adventure long to be remembered. You'll have dinner aboard the Domeliner "City of Los Angeles" and get acquainted with your congenial traveling companions.

**Sat. - Mon. — Second Day.** You're on vacation so relax a bit today—but be ready for the scenery as your train wriggles its way past "Devil's Slide," through Echo Canyon and Weber Canyon in the late afternoon. Ogden, Utah, is reached at 6:40 PM and after a brief stopover you're on your way once again for the overnight trip to Yellowstone National Park.

**Sun. - Tues. — Third Day.** This will be your first day in the Park so be up early as your route takes you through the heart of the Targhee National Forest—over Red's Pass and through Warm River Canyon.

You enter Yellowstone's exquisite arena at once as you motor to Old Faithful. Geyser basins, steaming pools, rushing rivers, restful mountain vistas surround you. The rest of this day is yours to explore the eerie formations of this "weirdest spot in the universe." Overnight at Old Faithful Inn.

**Mon. - Wed. — Fourth Day.** The morning drive is packed with interesting sights—Norris Geyser Basin—Roaring Mountain—Obsidian Cliff (Jim Bridger's Mountain of Glass)—Appolinaris Spring and the Hoodoos. Luncheon at Mammoth Motor Inn.

For your scenic dessert, a generous portion of the beauty of this amazing country is served to you on the afternoon trip. Past the Needle with its slender rock formations, stop at Tower Fall to view the many peaks and pinnacles—then on to Mt. Washburn and through spectacular Dunraven Pass to your first breath-taking view of the Grand Canyon and Great Falls of the Yellowstone from Artist Point! Here indeed is the climax of this never-to-be-forgotten day; then on to the Yellowstone Lake Hotel for your overnight stay.

**Tues. - Thu. — Fifth Day.** After luncheon leave the Lake Hotel, destination Jackson Lake Lodge. Your trip takes you via Craig Pass, West Thumb Geyser Basin and the beautiful Lewis Canyon to the Grand Teton National Park.

Rooms with bath are provided in guest-cottages, a short walk from the lodge. The remainder of this afternoon is free to boat, hike, fish, ride horseback—or just relax and enjoy the magnificent scenery.

**Wed. - Fri. — Sixth Day.** At 9:00 AM you will be taken on an all-day sightseeing trip brim-full of breathtaking beauty. Ox Bow Bend, Glacier Lookout, Chapel of the Transfiguration; boat trip on Jackson Lake to the very foot of the Tetons and a delightful lunch on Elk Island. Truly a day of never-to-be-forgotten thrills in this cameraman's paradise!

You came—you saw—but the spectacular mountains have conquered you with their beauty. It has long been said.

*Chapel of the Transfiguration in Jackson Hole.*

Massive Pillars of Color in Bryce Canyon.

"The Tetons look more like you would expect mountains to really look than any other range in America."

(Note) Tours YTZ-7 and 9, Thursday, and YTZ-10 and 12, Tuesday, will stay overnight at Canyon Village in Yellowstone, then leave after breakfast the next morning. Travel to Jackson Lake Lodge for lunch and a sightseeing trip of the surrounding area, then continue the trip via the route as described.

Leaving Jackson Lake Lodge in late afternoon you'll travel through the Jackson Hole country to the picturesque town of Jackson, then cross spectacular Teton Pass. Your train awaits to take you on the next chapter of your vacation adventure.

**Thu. - Sat. — Seventh Day.** After breakfast at the Hotel and lunch in the dining car you arrive at Lund, Utah, at 2:45 PM, starting five days of adventure in the wonderlands of Southern Utah and Northern Arizona. First stop is Zion National Park where you spend the night snugly in a cabin in the canyon.

**Fri. - Sun. — Eighth Day.** This morning a motor trip is made up the sublime aisle of Zion Canyon to the Temple of Sinawava to view the Great White Throne, Great Organ, Angels Landing and other monuments whose names carry out the sublimity of this lovely area.

After lunch you leave for Grand Canyon National Park — over the Mt. Carmel Highway, across the Prismatic Plains and through the Kaibab Forest. Vast and awe-inspiring, the Grand Canyon is a masterpiece of nature's handiwork. You'll enjoy relaxing and watching its changing colors.

**Sat. - Mon. — Ninth Day.** No planned activities before luncheon. This afternoon, a motor trip to Cape Royal and to Point Imperial, highest point in Grand Canyon National Park, for inspiring views. Evening entertainment in the Lodge.

**Sun. - Tues. — Tenth Day.** After breakfast you leave, a little reluctantly perhaps, but you're on your way to another great scene — not so vast, but more intense and fantastic — Bryce Canyon National Park. The myriad marvels of Nature's handiwork will stretch your imagination almost to the breaking point.

**Mon. - Wed. — Eleventh Day.** After luncheon a motor trip takes you to Rainbow Point with a stop at Inspiration Point and other vantage spots. In the evening, a talk by the Park-Naturalist, a dance, or a walk out under the starlit heavens.

**Tues. - Thu. — Twelfth Day.** After breakfast you say goodbye to Bryce — but there still is one surprise left before you leave this land of flaming color. Cedar Breaks National Monument, a vast escarpment and a vision of kaleidoscopic color, rises before your eyes.

Regretfully you leave this beautiful country as you once again board your train at Lund, Salt Lake City bound! Sightseeing tour is taken on arrival, then a visit to the Mormon Tabernacle to hear the world-famed Mormon Choir or the organ recital. Dinner and overnight at the Hotel Utah.

**Wed. - Fri. — Thirteenth Day.** There is not much time left for your vacation so be up early for a last look at this beautiful city before you leave. Relax and enjoy watching the ever changing landscape from your train window the balance of this day.

**Thu. - Sat. — Fourteenth Day.** Homeward bound across the quiet fields of Illinois, arriving in Chicago at noon, with glorious memories, new friends and new enthusiasms. A vacation indelibly engraved on your Memory Book of the future.

Scenically, America is a land of contrasts, with many areas of exciting beauty. But if you seek a place that is really unusual, be sure to visit this region, usually referred to as the Southern Utah-Arizona Wonderlands. Its splendor is unparalleled.

Here the forces of nature have formed awe-inspiring, extravagantly colored canyons and mountains—a "Paradise of Color" and dreamland of artist and photographer.

Envision them if you can—the huge monoliths of Zion National Park; the fairyland of stone and color named Bryce Canyon National Park; the painted cliffs of Cedar Breaks National Monument—all in Utah—together with the grandeur and vastness of Grand Canyon National Park in Arizona. Nowhere else on the North American continent is to be seen such an amazing concentration of scenic grandeur and geological wonders.

Add to these such along-the-way attractions as Mt. Carmel Highway, Kaibab and Dixie National Forests, plus sightseeing trips in Salt Lake City and in Denver, and you have a vacation trip you will never forget.

And note that the "Z" Tour schedule includes leisure time at Zion, Grand Canyon and Bryce Canyon in order that you may fully enjoy these monuments to Nature's handiwork.

**DAY-BY-DAY STORY**

**Sunday — First Day.** An eventful vacation begins when you leave Chicago—at 6:00 PM on the Domeliner "City of Los Angeles." Dinner is served upon departure.

**Monday — Second Day.** You'll reach Cheyenne, Wyoming about 9:20 AM after having crossed the states of Illinois, Iowa

and Nebraska. Soon after you cross Sherman Hill, highest point on the Union Pacific (8013 ft.), then through country rich in historical association of the Old Oregon Trail.

In late afternoon and early evening keep your eyes all around you as the rock formations on both sides of the track will stimulate your imagination. Castle Rock at the east end of Echo Canyon—Devil's Slide, the mountainside rising 4,000 feet—straight up. Weber Canyon cutting through the Wasatch Mountains with Weber River tumbling in a torrent almost at your feet. Then, dinner in the diner and soon you'll be in Salt Lake City and the Hyatt Royal Inn, your home for tonight.

**Tuesday — Third Day.** After breakfast transfer to the train and once again be on your way to the "Land of Flaming Canyons." At 2:45 PM you reach Lund, where you board luxurious motor coaches and are whisked away for this Tour of Tours.

The way from Lund to Zion National Park is interesting for its scenery and its people. You pass through several Mormon villages, all of which still bear the marks of early-day settlement—weather-beaten houses of handhewn timbers; flagstone walks hoary with age. You arrive at Zion Lodge at 6:30 PM in time for dinner. Entertainment, nature talks, movies, dancing, plenty of activity for the evening hours.

Accommodations in the Utah Parks are in comfortable rustic cabins with private shower bath. Deluxe cabins, if available, may be reserved at a small added cost.

**Wednesday — Fourth Day.** This morning you may wish to explore some of the miles of trails—ride or hike—the East Rim, the West Rim. After luncheon a trip by motor to the Temple of Sinawava and a hike with the Ranger-Naturalist to the Narrows. You will be overwhelmed at the beauty and magnitude of this inspiring region. Later another fulfilled evening and a refreshing night's rest.

**Thursday — Fifth Day.** Morning is open for more exploration, discovery and adventure and at 1:00 PM you leave Zion for the Wonder of Wonders—the Grand Canyon. On the way you pass through the famous Mt. Carmel Tunnel along the Mt. Carmel Highway, with six huge tunnel portals through which you see masterpieces of scenic beauty.

You motor through the cool quiet of the Kaibab Forest with its abundance of deer and its shy white-tailed squirrels but your ride ends abruptly and most sensationally at the very brink of Grand Canyon as your bus reaches Grand Canyon Lodge.

This evening there will be informal entertainment, music and dancing and, perhaps, a moonlight stroll on the rim.

**Friday — Sixth Day.** The morning is free for hiking, horse-back riding or to just relax. After luncheon a four-hour motor

*Grand Canyon from Bright Angel Trail.*

Oastler's Castle, Bryce Canyon National Park, Utah.

trip takes you to Point Imperial and Cape Royal for magnificent views of the canyon. Point Imperial is the highest point on the canyon rim.

**Saturday — Seventh Day.** Leaving at 8:30 AM you travel back over the winding road, deep into the Kaibab . . . out across the plains . . . through sparkling canyons . . . past Vermillion Cliffs . . . through Red Canyon . . . then, Bryce Canyon the beautiful—like a glimpse of another world—reached at 1:30 PM.

Sunset enlivens the myriad tints of Bryce Canyon's fragile formations and presents the towering temple peaks, the colorful sculptured depths at their best. It is as though you behold a ruined Oriental City overspread with color. Later this evening entertainment and dancing at the Lodge.

**Sunday — Eighth Day.** After a solid night's rest in this clear mountain atmosphere, you are up early to view Bryce under the first rays of the rising sun. Under such light the canyon presents an entirely new and different aspect. This morning is reserved for Church services—then practically all day to enjoy this fairyland of form and color . . . from the rim . . . hiking down the trails with Ranger-Naturalist guided party for an absorbing explanation of the geology of the country . . . or perhaps as a member of a gay horseback party following your colorful cowboy guide. At 3:00 PM, a motor trip to Rainbow Point, with stops at Inspiration Point, Bryce Point and Natural Bridge. Indeed, as you gaze upon the eerie carvings and exquisite colorings, Bryce might well become a Dream City of a remote age, set apart, as it were, for mortals to see and enjoy.

**Monday — Ninth Day.** Have your bags packed early for you'll want to take one last, lingering look before you leave this colorful Canyon shortly after breakfast.

On the way to Lund a stop is made at Cedar Breaks National Monument, another of the colorful Southern Utah attractions. An artist has counted more than sixty tints in Cedar Breaks, whose vast amphitheatres are eroded to a depth of 2,000 feet in an area of 60 square miles. Standing on the rim of this scintillating show-place, you are impressed with the power of Nature's mighty processes.

Once again you are on the way and soon you'll be able to look off to the south and get a distant view of the Temples of Zion which you left a few days ago.

You carry these beautiful visions with you for your file of future memories as you take leave of this colorful country bound for Salt Lake City. Headquarters — Hotel Utah.

**Tuesday — Tenth Day.** This morning at 9:30 you will be taken on a comprehensive tour of this historic city over a

portion of The Old Mormon Trail, passing the "This is the Place" monument; Brigham Young's homes and private burial ground; Beehive House and State Capitol, arriving at the Mormon Tabernacle in time for the noon Great Organ recital.

Luncheon at the Hotel Utah, then off to the Great Salt Lake and the famous Utah open-cut Copper Mine in Bingham Canyon for the spectacular blasting operation, viewed in perfect safety. Dinner in the Sky Room and overnight at the Hotel Utah.

**Wednesday — Eleventh Day.** This morning you board the Domeliner "City of Los Angeles" for the return trip through the canyons of Utah on your way to Denver. Breakfast, luncheon and dinner in the dining car and pleasures a-plenty with your friends in the lounge. Overnight at the Olin Motor Inn.

**Thursday — Twelfth Day.** At 9:15 AM you'll board motor buses for a most interesting trip to Lookout Mountain and the tomb of Buffalo Bill; Clear Creek Canyon and the Red Rocks Park, returning to Denver via Lariat Trail.

Time to look around this "mile-high" city before boarding your Domeliner "City of Denver," homeward bound.

**Friday — Thirteenth Day.** Arrive Chicago shortly before lunch. Fond farewells and promises to write and exchange snapshots bring to an end a glorious vacation.

However, you still retain the freedom of choice of restaurants in Las Vegas, San Diego, Los Angeles and San Francisco. Your tour membership card is a book of coupons with stated values for each meal while in the city Hotels, redeemable in full if you care to eat elsewhere.

This is the very **Best California** tour because it includes all of the colorful highlights in the "Best of the West."

The unobstructed views of the scenery as seen from the car window will add to the enjoyment of your trip as you cross Wyoming into Utah, reaching Salt Lake City early evening.

**Mon.-Wed. — Third Day.** Your train continues through Utah reaching Las Vegas at 5:30 AM, Daylight Time, where you will transfer to the Hotel Fremont, your headquarters. The "great light way" is still blazing brightly as you pass through this forest of neon.

This day is yours to relax and enjoy yourself in any way that you desire. The Fremont offers a delightful swimming pool and a variety of diversions for your pleasure. **Coupons with stated values, provided for meals at the hotel may be exchanged for cash if you wish to eat elsewhere.**

As the Palladium is open only on Friday and Saturday, the tours departing from Chicago on Monday will have dinner Saturday and enjoy dancing to Lawrence Welk and his Champagne Orchestra at the famous Hollywood Palladium.

**Fri.-Sun.—Seventh Day.** On Friday morning and Sunday afternoon you leave by motor on a sightseeing trip of Los Angeles including Santa Monica with its Palisades; Beverly Hills homes of movie stars; Hollywood television studios; Westwood and the famous Wilshire District; the smart Sunset Strip.

**Sat.-Mon.—Eighth Day.** Your day begins rather early today but—waste not your vacation by sleeping late for there is much to see and do in this colorful country of California! Transfer to your train and you'll have breakfast in the diner.

Another memorable day. Comfortably seated on the "San Joaquin Daylight" Streamliner, you will travel over the Tehachapi Pass, glide through Bakersfield and Fresno to Merced, through the productive farming and fruit raising areas in the San Joaquin Valley. At Merced you transfer to buses for the trip to Yosemite Valley, passing through Mariposa at the south end of the Mother Lode gold country.

Journeying via spectacular Merced Canyon, you arrive at Yosemite Valley at 5:30 PM (PST). Headquarters at Yosemite Lodge in rooms with bath. Evening is open.

**Sun.-Tues.—Ninth Day.** Various Church services are available on Sunday morning. At 10:00 AM you leave from the lodge on an all-day trip to the Mariposa Grove of Big Trees for your first view of the giant Sequoias, the earth's most massive and oldest living things. It is impossible to describe the feeling that comes over you as you look up at these mighty monarchs of the forest, some 30 feet thick and three hundred feet high. Luncheon at Big Trees Lodge. Return is via Glacier Point, 3,254 feet above the Valley floor, for magnificent views of the Valley below and its surrounding mountains.

Dinner this evening in the Ahwahnee Hotel, one of the most distinctive and beautiful hotels in the West. Later in the evening, watch the weird Firefall as it pours over the precipice at Glacier Point.

**Mon.-Wed.—Tenth Day.** This morning is purposely left open for hiking, picture-taking or just loafing. After one last look around, reluctantly, you'll leave Yosemite Valley at 11:40

Wilshire Blvd. and MacArthur Park.

*Mission Inn Garden Hotel, Riverside.*

Your train, the "San Joaquin Daylight," leaves Merced in early afternoon. Dinner may be taken in the dining car before arriving at the 16th Street Station in Oakland.

Crossing San Francisco Bay by bus you arrive in San Francisco at 7:05 PM (PST) and go directly to the Stewart Hotel, room with bath, your headquarters in San Francisco.

**Meals can be taken at Mannings adjacent to the Stewart Hotel—or, if you wish to eat elsewhere, your escort will arrange to exchange your meal coupons for cash.**

**Tues.-Thurs.—Eleventh Day.** This morning you'll board your motor bus for one of America's most interesting sightseeing trips, the "Thirty-Mile" Drive of San Francisco. This includes the Civic Center, Mission Dolores, Twin Peaks, Golden Gate and Lincoln Parks, Ocean Beach, Seal Rocks, Cliff House, the Presidio and business and residential districts. The trip will end about noon. The afternoon is yours to do as you please. You may wish to visit the quaint bazaars of Chinatown in which are found gorgeous silks, carved ivory, cloisonne, teak and porcelain from old Cathay. Indeed there is intrigue and fascination in this wonderful city.

**Wed.-Fri.—Twelfth Day.** Today is free for last minute shopping and to pack your luggage. Or perhaps you will want to visit still other fascinating places—Fisherman's Wharf where "shore dinners" stimulate jaded appetites and picturesque "tars" add color to the moving pageant. You will enjoy every hour. For San Francisco is a "jewel of many facets" and even the most seasoned globe trotter will find much that will interest and intrigue.

Leave your hotel at 1:30 PM (PST) and board the famous "City of San Francisco," homeward bound. Skirting San Francisco Bay, your train passes through Oakland and Berkeley en route to Sacramento, historic State capital, reached about 5:00 PM, then continue over the Sierras.

**Thur.-Sat.—Thirteenth Day.** About breakfast time you'll experience the thrill of "going to sea by rail" as your train crosses the Great Salt Lake over the famous Lucin Cut-off, arriving at Ogden about 8:40 AM. Leaving Ogden you are on the Union Pacific Railroad and through the day you'll travel across Wyoming. Your scenic menu consists of many rugged formations—the Wasatch Mountains, Weber Canyon, Echo Canyon and across the Rockies.

**Fri.-Sun. — Fourteenth Day.** A leisurely breakfast, then arrival in Chicago at noon. Your exciting vacation is ended, but memories of places seen and new friends made will linger in your hearts and minds forever.

Your route is through oak-forested foothills up the western slope of the Sierra Nevada Mountains to Mariposa Grove of Big Trees. Here you get your first view of the "Sequoia Gigantea," the earth's oldest and largest living things, some thirty feet thick, nearly three hundred feet high and with an estimated age of more than 3,800 years. After luncheon at Big Trees Lodge, you ride in the shadow of the towering granite peaks back to the valley, onward and upward to Glacier Point, 3,254 feet above the Valley, presenting a breath-taking panorama of High Sierra peaks and a bird's-eye view of the Valley.

Returning to the Ahwahnee you will again see the many beauties of Nature's handiwork surrounding you on all sides. There's Half Dome, which for eons of time has looked down upon the Valley . . . Bridalveil Fall with its delicate spray . . . Yosemite Falls, the highest in the world, with a drop of 2,425 feet . . . El Capitan, rising a sheer 3,000 feet from the Merced River and eternally guarding the west entrance of the Valley.

**Mon.-Wed. — Tenth Day.** This morning you may wish to stroll to the Park Headquarters, visit the Park Museum to hear an illustrated lecture on the formation of the Valley, or accompany a Park Ranger-Naturalist on a hike. Others may just wish to lounge on the veranda of the Ahwahnee and enjoy the beauty that is everywhere.

Reluctantly you'll leave this lovely valley at 11:50 AM bound for Merced, where you'll transfer to your train.

At Oakland, board Gray Line Motor Coach for a half hour trip to the enchanted city of the Pacific—San Francisco. Your headquarters is the beautiful Fairmont Hotel, atop Nob Hill, for two thrill-filled days.

And tonight we introduce you to a different taste of this wonderful city, taking you to the exciting Lamps of China Restaurant for a most interesting dinner in Chinatown.

**Tues.-Thu. — Eleventh Day.** This morning you'll board your motor bus for one of the most scenic drives in America, the Deluxe City Tour of San Francisco. Through the Civic Center and to Mission Dolores — Twin Peaks for a magnificent view of the city, bay and ocean — through Golden Gate and Lincoln Parks and then to the world-renowned Cliff House, overlooking Seal Rocks and the Blue Pacific, for a delicious luncheon.

The return takes you past the approach of the Golden Gate Bridge, the Presidio, Marina and Yacht Harbor and back to your headquarters, the Fairmont Hotel.

**All meals in San Francisco are included in your tour cost. However, so that you will be free to eat at any or several of San Francisco's noted eating places, your escort will redeem in cash the meal coupon provided. He will tell you, too, about the better restaurants.**

**Wed.-Fri. — Twelfth Day.** Because there are so many things to do and see in San Francisco, no group activity is planned for today. Morning is reserved for you — sleep a bit later, if

you wish, or maybe you'll want to visit some of the many unusual shops and stores; perhaps revisit places passed yesterday or arrange to lunch at Fisherman's Wharf.

Early afternoon you leave the hotel and take a last lingering look at San Francisco's striking skyline while en route across the Bay to Oakland where you board the Streamliner "City of San Francisco" homeward bound.

**Thu.-Sat. — Thirteenth Day.** Before breakfast time you'll experience the thrill of "going to sea by rail" as your train crosses the Great Salt Lake over the famous Lucin Cut-off, arriving Ogden about 8:40 AM. Now you are on the Union Pacific Railroad and through the day your scenic menu consists of many rugged formations — the Wasatch Mountains, Weber Canyon, Echo Canyon and across the Rockies.

**Fri.-Sun. — Fourteenth Day.** After a leisurely breakfast a glorious vacation comes to a close with your arrival in Chicago. But your memory will forever cherish the vision of sunny skies, shrouded mountain peaks, the sparkle of Pacific waves, the great peace of whispering evergreen forests — truly happy memories of your wonderful California adventure.

## DAY-BY-DAY STORY

**Saturday — First Day.** Your tour party gathers at the Union Station in Chicago—the escort meets you and takes care of all departure details—and from that moment on the whole trip is yours to enjoy, without a care or worry. Gaily, joyously you enter the train and settle down for the night—and your happy adventure has begun with dinner in the dining car.

**Sunday — Second Day.** Through the night you have crossed Iowa and Nebraska and after breakfast reach Cheyenne, scene of many an Indian fight in the desperate frontier days before the coming of the railroad. This Overland Route you are traveling is the old Overland Trail. You and your tour companions who have now become your friends can view the historic towns along the way from your comfortable lounge car.

The day passes quickly with the ever-changing scenery but be ready for tomorrow and the thrills that lie ahead!

**Monday — Third Day.** The hour on the clock sounds sleepily early, but don't forget you have "gained" two hours with the change in time zones so it's really the same time as you always get up—but today it's for play.

Your day starts in Reno, the famous "biggest little city in the world," with breakfast in Harold's Club. Then board your bus for the first leg of this never-to-be-forgotten trip to lovely Lake Tahoe, the crowning glory of the famous Sierra wonderland of California. Your route is via the scenic Mt. Rose Highway with spectacular and magnificent views of the entire Lake; "whispering pines against the waters edge sing songs of planted beauty as gratitude fills every human heart."

A short stop is made at Crystal Bay, then continue your trip to Yosemite through a variety of country-side as you approach the new Tioga Pass Road. A pleasant lunch stop is made at Niceley's Restaurant near beautiful Mono Lake.

Turning west at Leevining, the road ascends gradually up the rugged slope and through Leevining Canyon. Almost instantly from the summit at the Park entrance, the terrain flattens into the Tuolumne Meadows area, largest open land in the Sierra. At the west edge the road then descends to the shore of Tenaya Lake through outstanding areas of glacial granite. Stops are made for views into Tenaya Canyon and the upper end of Yosemite Valley before you reach Yosemite Lodge, your home for two nights.

**Tuesday — Fourth Day.** This is the land of the majestic mountains and today you are a part of them as you capture the beauty that surrounds you on another thrilling trip. First to the Mariposa Grove of Big Trees, for your first view of the giant Sequoia Redwoods. Luncheon at Big Trees Lodge, then a close-up look at these mighty monarchs as you ride into the Grove and through the heart of the Wawona Tunnel Tree.

Return via Glacier Point for magnificent views of the Valley below and its surrounding mountains. Dinner tonight at the lovely Ahwahnee Hotel, then watch the Firefall cascade over the rim of Glacier Point.

**Wednesday — Fifth Day.** Morning is open for a last look at the beauty that is everywhere. Now all too soon it is time to leave this lovely valley and be on your way to Merced and your train the "San Joaquin Daylight", bound for San Francisco.

Your headquarters is the charming St. Francis Hotel. So that you may have the freedom of choice of the many fine restaurants in San Francisco, your escort will refund in full the meal coupons you have for meals scheduled in this fascinating city.

**Thursday — Sixth Day.** Morning is open to do as you please. After lunch you will enjoy one of America's most interesting sightseeing trips, the Deluxe City Tour through San Francisco. This includes the Civic Center, Mission Dolores, Twin Peaks, the Japanese Tea Gardens in Golden Gate Park, Ocean Beach, Seal Rocks, Cliff House and the Golden Gate Bridge.

**Friday — Seventh Day.** This morning you board the "Daylight," famous train that makes the daylight trip along the coast to Los Angeles. In easy comfort you speed along a rocky coast of unbelievable splendor—along miles of sun-sparkling ocean waters—through historic Spanish towns—then to Los Angeles and your headquarters the Biltmore Hotel.

Coupons are provided for ALL meals scheduled at the Biltmore. Your escort will arrange to exchange these for cash if you wish to eat elsewhere.

**Saturday — Eighth Day.** After breakfast you leave the Hotel bound for the enchantment of "The Happiest Place on Earth"—the Magic Kingdom of Disneyland. Admission and a guided tour is included at this happy playground.

This evening will be one long remembered as you have dinner and dance to the strains of Lawrence Welk and his Champagne Music Makers at the famous Hollywood Palladium. (NOTE: Tour CG-1 will be entertained at the Ambassador Hotel as the Welk Orchestra will be on tour around the country.)

**Sunday — Ninth Day.** Up early this morning for the transfer to the Depot, your train the "Las Vegas Holiday Special," and the short trip to Las Vegas, Nevada.

Arriving in mid-afternoon you transfer to the Fremont Hotel in the heart of Las Vegas. And this evening we have arranged a sumptuous dinner at the Riviera Hotel followed by a spectacular stage production in a glamorous setting.

**Monday — Tenth Day.** All too soon it is time to depart from this fabulous city as you are on your way once again to the land of the Canyons. But first, the desert town of Lund and the oasis called Cedar City before you are whisked away for this Tour of Tours. Here begins the parade of majestic peaks and on either side of you are towering red mountains, banded with yellow, pink and gray in remarkable combinations of color, carved into gigantic temples and towers. Overnight in cabins with private shower at Zion Lodge.

**Tuesday — Eleventh Day.** At 9:00 AM you take leave of this colorful canyon, traveling over the famous Mt. Carmel Highway, a mile of which is within and paralleling the face of a great cliff. At intervals, huge windows have been cut, disclosing views of majestic beauty. Scenes of grandeur unfold before you as you ascend the great Kaibab Plateau and motor through the cool glades of the Kaibab Forest to the Grand Canyon and your first view of Nature's stupendous spectacle.

This afternoon, motor to Cape Royal and Point Imperial, the highest point on the Canyon rim. Evening events at Grand Canyon are planned for your pleasure.

**Wednesday — Twelfth Day.** Leaving after breakfast, retrace the route through the Kaibab Forest, across the impressive Prismatic Plains and through Red Canyon to Bryce Canyon the beautiful. Here before you is a bewildering assortment of fantastic rock formations, alive with flaming, glowing color; a veritable fairyland of enchantment.

As in all of the Parks, you will be roomed in comfortable guest cabins, hidden away among the surrounding pines.

This afternoon, a motor trip to Rainbow Point, with stops at Inspiration Point, Bryce Point and Natural Bridge, awe-inspiring views that will remain forever in your memory.

In the evening there will be entertainment in the Lodge, a talk by the Park Ranger, a dance, a walk under the starlit heavens before you bid goodnight to this colorful canyon.

*Hoover Dam as viewed from vantage point below the dam.*

**Thursday — Thirteenth Day.** After breakfast leave Zion for Cedar Breaks National Monument, another colorful Southern Utah attraction. Then through Cedar Canyon to Lund where you again board your train, bound for Salt Lake City.

Sightseeing tour is taken on arrival, then a visit to the Mormon Tabernacle to hear the world-famous Mormon Choir. Dinner and overnight at the Hotel Utah Motor Lodge. Dinner in the Skyroom of the Hotel.

**Friday — Fourteenth Day.** Homeward bound through Weber Canyon and Echo Canyon, then cross Wyoming and Nebraska. As you speed eastward, settle back and enjoy the ever-changing panoramas, leisurely meals in the diner and pleasant hours in the lounge.

**Saturday — Fifteenth Day.** This is the last day of your vacation and as you review the experiences and thrills of the trip, you know for a certainty that this tour has indeed been one that has far surpassed your greatest expectations and will live in your memory forever.

Warm western suns bring their gift of health — flowers bloom throughout the year — glistening beaches beckon — the vastness of far-flung open spaces impress and inspire. In California one finds mystery, romance, scenic splendor enough for many vacations.

Haven't you always wanted to see California and the West? And hasn't everyone? Here's a chance to make that wish come true on another great Union Pacific Tour — sixteen days in length and completely escorted.

It's called the "WC" Tour and is pleasingly planned to make the most of the sunny western attractions and the magic of glamorous California nights. So if you've made up your mind to a happy holiday — CALIFORNIA, HERE WE COME!

On the date you've selected to begin your thrilling California adventure, you'll board your Domeliner — Westward ho!

First stop is Las Vegas, Nevada, where you will spend two nights at the Riviera Hotel in this entertainment capital of the world. Morning trip to Hoover Dam and the afternoon is open for the pursuits of your desires.

The "keynote-of-life" at the Riviera is a perfect blend of Park Avenue elegance, Broadway glitter, Las Vegas excitement and down-to-earth western comfort. And tonight you will sample all of this as we take you to dinner in the Versailles Room followed by a liting stage production featuring some of the world's greatest entertainment personalities.

Next from your vacation menu, a delightful portion of Southern California — the glamour city of Los Angeles! While you are here you will be taken on a complete tour of Disneyland, visit the famous Movieland Wax Museum and Knott's Berry Farm. Another tour takes you to the Universal City of

Magic Movieland where you may peek behind the scenes of movie-making; see Beverly Hills, Grauman's Chinese Theater, the Hollywood Bowl.

Still another trip to the world-famous Hollywood Palladium for dinner and dancing to the strains of Lawrence Welk and his Champagne Music Makers; and besides all this, leisure time for shopping or to do as you please.

Next follow two days of unbelievable splendor as you travel to an area offered only on Union Pacific "WC" tours. A daylight train trip along miles of sun-sparkling ocean waters, through historic Spanish towns, in easy comfort speeding along a rocky coast to your new home for two nights, the Casa Munras Hotel in lovely Monterey.

Superlatives could not describe the beauty that fills your heart on this tour of tours as you travel to San Simeon and La Casa Grande, the fabulous Hearst Castle. Your route will be along the gorgeously scenic highway carved from sheer granite walls of the towering Santa Lucia Mountains, with the pounding surf of the Pacific always in view. Tour the grounds and the buildings of this medieval-like Shangri-La, before you turn for home, accompanied by the grandeur of the ocean as it vanquishes the setting sun.

Before leaving lovely Monterey, we will travel the "Circle of Enchantment," the world-famous 17-Mile Drive of incomparable beauty, snow-white sand dunes, wind-twisted cypress trees and mysterious pine forests. Continue on via the vine-covered San Benito Hills to the Don Pacheco Inn, stopping for lunch and a sipping acquaintance with wines produced by Almaden.

After lunch your route is over Pacheco Pass to Merced, then a thrilling ride through the Merced River Canyon to awe-inspiring Yosemite and your new home for two nights, the lovely Ahwahnee Hotel. While here you will be taken on a complete sightseeing tour of the many natural wonders of Yosemite; Bridalveil Falls, Half Dome, El Capitan, Yosemite Falls, all magic names of wondrous beauty; the unforgettable Redwoods.

All too soon you are on your way once again, but now to the climax of your thrill-filled vacation and two days in San Francisco at the charming St. Francis Hotel. For a preview look at this famous city, you are taken on one of the most colorful rides in America — Deluxe "Thirty-Mile" Drive of San Francisco. Through Civic Center and to Mission Dolores — Twin Peaks for a magnificent view of the city, and ocean; Golden Gate Park, Cliff House and Fisherman's Wharf.

Truly this is an outstanding travel bargain plus a vacation investment rich with many happy memories.

Ask for a separate "WC" tour folder describing the tour in day-by-day detail.

## DAY-BY-DAY STORY

**Sat.-Mon. — First Day.** At the Union Station, Chicago, our travel representative looks after your baggage, tickets and other travel details—leaving you free to relax and make the most of your journey west.

The evening hours pass pleasantly as you become acquainted with your companions of the next two weeks, and your train, the Domeliner, "City of Portland," crosses Illinois and Iowa. Dinner in the diner.

**Sun.-Tues. — Second Day.** During the night you crossed Nebraska into Colorado where a brief stop is made at Denver. Today, as you follow the route of the Overland and Oregon Trails across the states of Wyoming and Idaho en route to Portland, Oregon, you will enjoy three delicious meals in the Dome Dining Car and the unobstructed views from the Dome Lounge Car.

**Mon.-Wed. — Third Day.** The scenery begins early today as you travel through the Columbia River Gorge, passing many waterfalls along the great palisades. You'll see Beacon Rock, St. Peter's Dome, Horsetail Falls and Multnomah Falls, finest in the Gorge. Breakfast and luncheon in the diner before arrival Tacoma, doorway to your first exciting adventure.

This afternoon's inspiring drive through impressive virgin stands of giant spruce and fir is the first "leg" of your trip through the mountains to picturesque Paradise Inn.

**Tue.-Thu. — Fourth Day.** This morning in Rainier National Park you will revel in exploration of the valley with its profusion of wild flowers, stately forests and fine views of Mt. Rainier or the taking of snapshots and movies that you'll proudly exhibit for years to come.

After lunch you leave Paradise Inn for Seattle and travel over the Stevens Canyon Road which leads into the rugged, almost wilderness area of the Park. A panoramic view of the majestic grandeur of Mt. Rainier is seen from Backbone Ridge; then your trip continues through a towering primeval forest, over Cayuse Pass and soon you are back in the city once again and your headquarters, the Olympic Hotel.

**Wed.-Fri. — Fifth Day.** Leave the Olympic at 7:30 AM for the Canadian Pacific dock, where you will board the steamer for a delightful four hour trip across the picturesque strait of Juan de Fuca to Victoria, B.C. (See "General Information" on page 23 for Immigration Regulations.)

After lunch at the Net Loft Restaurant, you will take a tour of this quiet and beautiful English city through picturesque wooded country to the famous Butchart Gardens, one of the outstanding floral beauty spots of the continent.

Transfer to the steamer at Swartz Bay for the short trip to Vancouver and your new home, the Georgia Hotel. Today's little "taste of the sea" is another happy interlude, adding immeasurably to the pleasure of your trip.

**Thu.-Sat. — Sixth Day.** Morning is open for you to do as you desire and after lunch, take the short trip by rail to Seattle. After an interesting tour of the city, you will have dinner atop the Space Needle, marvel of the Century World's Fair, and a "bird's eye" view of the country all around. At 10:00 PM board your train as you head toward the next chapter of this delightful vacation adventure.

**Fri. to Sun.—Sun. to Tue. — Seventh, Eighth, Ninth Days.** Smoothly your train has carried you through the night to Bonner's Ferry where you will detrain after a delightful breakfast in the dining car.

The country just ahead of you is so different that it will keep you busy trying to see in all directions at one time. Your route takes you through Kimberly, at which is located the world's largest lead-zinc mine; Radium Hot Springs, then through Kootenay National Park for magnificent panoramic views of the Great Divide, Kootenay River and Valley; past Mt. Assiniboine, one of the highest peaks in the Canadian Rockies, to Banff Springs Hotel, poised in granite splendor above the rippling Spray River and the rushing, tumbling Bow.

The hotel is ideally situated for viewing the picturesque Bow Valley and unsurpassed mountain scenery all around. Two nights are spent amid this massive elegance and your time is your own for you to do as your heart dictates and desires.

Activities include swimming in the lovely outdoor heated

*Lake Louise from Chateau.*

pool; golfing against scenic mountain back-drops; woodland walks among the Alpine flowers or just relaxing.

Your motor trip from Banff to the beautiful mountain wilderness at Chateau Lake Louise takes you through Johnson Canyon and past towering Mt. Eisenhower. The Chateau, a bit of turquoise loveliness situated at the base of Victoria Glacier, is your home for tonight and the time is your own.

**Mon./Tue.-Wed./Thu. — Tenth and Eleventh Days.** Breakfast, then a final look at the breath-taking panoramas that are among Nature's noblest scenes. Your motor coach takes you through Calgary, which was founded as a fort by the Northwest Mounted Police and today is the site of the famous "Stampede," a rodeo which attracts the top cowboys of America.

In mid-afternoon, arrive at Waterton-Glacier International Peace Park, a million acres of majestic scenery, preserved as ancient glaciers created it, in the rugged Rockies. Shining, many-hued mountains, shimmering waterfalls and sparkling lakes present scenes of breathless beauty.

The even-numbered tours spend Mon. and Tue. nights at the Many Glacier Hotel in the heart of the Park's majestic beauty and on Tue. afternoon take a delightful launch cruise on Swift-current and Josephine Lakes.

The odd-numbered tours spend Wed. night at the picturesque Prince of Wales Hotel and Thu. night at the Many Glacier Hotel. On Thu. afternoon, take a delightful launch cruise on Swift-current and Josephine Lakes.

**Wed.-Fri. — Twelfth Day.** After breakfast your scenic-coach takes you on another trip of majestic beauty as you travel through the heart of the Park over the Going-To-The-Sun-Highway, one of the world's most spectacular roads winding up the mountain-sides over the mile-high Logan Pass.

Those who hunt with cameras will be richly rewarded. For this is a land of contrast — majestic mountains, limpid lakes, verdant valleys — where one comes upon the unexpected so frequently that it soon becomes the expected. A fair land indeed, and most spectacular. You'll never forget its fascination.

After lunch at Lake McDonald Lodge, board your train as you take leave of this glorious Park and turn toward home. NOTE: Due to Conventions being held in Glacier, PNW tours 5, 17 and 18 will spend the first night at Prince of Wales Hotel. On the second day take a motor trip over the Going-To-The-Sun Road to Rising Sun for lunch, then to Glacier Park Lodge for dinner and overnight. The third day, take a launch cruise on Two Medicine Lake at the foot of stately Mt. Rockwell and at 4:37 PM, board your train as you turn toward home.

**Thu.-Sat. — Thirteenth Day.** All through the night and today you clip off mile after mile of your journey home. Speeding eastward and homeward you cross the great plains of North Dakota and Minnesota as you relive with your friends the wonderful memories of the beautiful mountains left behind.

Arriving in mid-afternoon at the Twin Cities—Minneapolis, beautiful city of many lakes—St. Paul, capital of Minnesota, you pause here for an interesting sightseeing tour including Minnehaha Falls, Basilica of St. Mary, Lake of the Isles, Shriner's Hospital, Calhoun and Harriett. After dinner, board your train for the last bit of your journey home.

**Fri.-Sun. — Fourteenth Day.** Breakfast in the dining car and arrival in Chicago brings an end to a perfect trip. A vacation of outstanding beauty filled with happy memories that you will carry with you forever.

"Let's go to Colorado!" It's an old refrain to many. Each summer when vacation time draws near, old-timers as well as first-timers say, "Let's go to Colorado!"

There is something about Colorado that's irresistible—the mountains for one thing. Those rugged old giants with their lofty white heads outlined against the blue sky "pep" one up as nothing else can. Then there is the clean, bracing air . . . the invigorating sunshine . . . the fragrant pine forests . . . the silvery lakes and tumbling streams . . . and the outdoor pastimes that go with all this.

Fortunately, these glorious playgrounds are easily accessible. And on our "RM" tour you enjoy a Colorado vacation for surprisingly little. Moreover, from the moment you leave Chicago until you return all of your travel expenses are included in the cost of your tour, thus it isn't necessary to carry extra cash with you to cover any meals excluded from the original charges.

Read the day-by-day story—compare the costs with other Colorado tours and you will see what a great travel bargain this really is!

## **DAY-BY-DAY STORY**

**Saturday — First Day.** You board your sleek Domeliner "City of Denver" in the afternoon and have time to get acquainted with other members of your party before going to dinner, or just relax as your train speeds across Illinois and Iowa.

**Sunday — Second Day.** You'll enjoy breakfast in the dining car before you arrive in Denver at 7:40 AM. Here you transfer to the Rocky Mountain Motor Bus for the short but scenic ride to Colorado Springs, which is reached at 10:40 AM. Your home will be the Palmer House.

Morning is open and as this is Sunday you may wish to attend Church. Luncheon at the Palmer, then at 1:30 PM you leave by automobile for a 40-mile drive, which will include the beautiful residential districts of Colorado Springs, fantastic and colorful Garden of the Gods and High Mesa. You ride up Cheyenne Mountain to the summit, visiting the Will Rogers Memorial Shrine. Return is by way of North Cheyenne Canyon, the High Drive and Bear Creek Canyon — back to the Palmer House for dinner.

**Monday — Third Day.** Breakfast and luncheon at the Palmer. Automobiles leave at 8:00 AM for a 60-mile drive to the summit of venerable Pikes Peak. This thrilling trip will live forever in your memory as every turn of the road brings new and breath-taking vistas. The Peak is detached from the mountain range and the view from its 14,110 foot summit is seemingly limitless. You will return to your motel about noon and the afternoon is yours to do as you please. For a refreshing plunge or a relaxing Siesta, the Pool and Patio area is the favorite rendezvous. A perfect setting for aquatic frolic or congenial get-togethers.

Leave your motel at 6:00 PM for the short ride to the "Flying W" Ranch, where you will be served a typical Western Chuck Wagon dinner and enjoy an evening of Cowboy entertainment under the stars.

**Tuesday — Fourth Day.** Breakfast at the Palmer—then it's time to pack your luggage before leaving at 8:20 AM for an interesting drive to the Air Force Academy with a stop to visit their famous Chapel. Continue to Denver and Central City, early mining town, where gold was first discovered in this area. Here a guide will show you the old Opera House, still in use, and the famed hotel, the Teller House, where luncheon will be served.

Time to look around this interesting town before boarding buses for your trip to Rocky Mountain National Park. Traveling by way of Mount Vernon Canyon and Idaho Springs, you will cross the Continental Divide and Berthoud Pass en route to Grand Lake, reached in time for dinner.

Accommodations with bath are provided in rustic cabins—a short walk from the central lodge.

There is entertainment in the evening at the lodge. The nearby village offers movies, dancing and other entertainment.

**Wednesday — Fifth Day.** All morning at Grand Lake to enjoy your favorite sport or diversion—or to just relax amid these delightful surroundings. After luncheon you say "good bye" to Grand Lake and begin another exciting trip with breath-taking views of rugged mountain grandeur. You will travel via Milner Pass and over the famous Trail Ridge Road, recrossing the Continental Divide on your way to Estes Park.

Your home for the next two nights is the Estes Park Chalet, nestled at the foot of pine-clad Lily Mountain. The Chalet offers an unlimited variety of outdoor activity and a fireside friendliness that is most refreshing. The setting is perfect for you to do the things you like best to do, when and how you want to do them.

**Thursday — Sixth Day.** Today is yours—so make the most of every moment. Swim if you please—hike the easy trails or the hard ones—or let your horse do the hiking while you go along for the ride. Whatever you do in this lovely Alpine country makes memories that will live with you forever.

**Friday — Seventh Day.** Today you have a leisurely breakfast, then leave Estes Park at 8:30 AM for Denver, traveling via scenic So. St. Vrain Canyon. You stop at the Top of the Rockies for luncheon, while en route to the Union Station and your train—the Domeliner "City of Denver"—to begin your trip home.

After a delicious dinner in the dining car you will wish to spend this last evening of the tour in the lounge car with members of your party, recalling the many happy experiences and grand sights which you have enjoyed together during the past few days.

**Saturday — Eighth Day.** Breakfast, then Chicago. As you bid your companions farewell you will marvel that so much enjoyment and truly magnificent scenery are possible in a trip of such short duration.

Typical Colorado Scene.

Many of our tour folks have felt that one week in this lovely land of Colorado was far too little time and therefore expressed a desire to stay longer than our regular "RM" tour permits. Thus we have made arrangements with Elkhorn Lodge—Estes Park's traditional vacation resort—to provide the pleasures for you who wish to remain in this majestic mountainland for seven additional glorious days.

Elkhorn Lodge, the most picturesque hotel resort in America's favorite vacation-land, lies tucked in among the mountains—yet is within 5 minutes walking distance of Estes Park Village. 'Tis a lodge to suit your individual whims, the perfect climax to a glorious and memorable vacation—a wonderful experience you'll never forget.

#### DAY-BY-DAY STORY

**Saturday to Friday—First to Seventh Day.** Follow the day-by-day story of the "RM" tour in detail on pages 18 and 19 for the description of the first week of your Colorado adventure.

**Friday—Seventh Day.** After breakfast at the Estes Park Chalet your escort bids you his fond farewell and soon you are on your way to travel the few short miles by bus into the village and to your home in the mountains for the next seven days.

All of the delicious home-cooked meals to delight the gourmet are included during your stay at the Elkhorn Lodge. Rooms

attractively arranged with modern furnishings and private baths are provided for your comfortable living during this week of happiness.

**Saturday to Thursday—Eighth to Thirteenth Days.** These days are yours to call your own—to do as your heart dictates and desires and there is so much to keep you busy every moment. Planned activities and entertainment fill every hour of the day, if desired.

Or would you rather while away the hours sunbathing under Colorado's blue skies beside the pool or just plain relaxin' on the spacious porches of Elkhorn. Not you? Then how about living the life of a carefree "dude" or "dudeen" and really join the fun.

Roosevelt National Forest surrounds the village of Estes Park and—afloat or horseback—you enjoy the trails and adventure up the ridges or explore the quiet forest valleys all around.

For the fisherman, one half mile of Fall River runs through the Lodge grounds just casting distance from your cottage.

Other fun times include a ride into the mountains for breakfast and hot cakes by the dozen—and again—an outdoor steak fry in true Western style.

A half-day trip to Bear Lake on Monday gives access to a network of trails which lead to mountain summits and penetrate gorges lined with lakes and forests. Truly a day of thrills.

The Coach House, one of the most popular and pleasant facilities, is a rendezvous for relaxation and refreshments. But regardless of your choice of eating locations, whether you partake of a package lunch on the trail or relax in the Four Seasons Dining Room you can be sure you're receiving the finest prepared by a skilled chef and his staff.

Shuffle-board, ping-pong, lazyin' in the sun—whatever you choose, you'll love every moment of your week in this mountain wonderland.

Square dancing, whether you're an "old-timer" or a "young-timer," to fill your evenings with fun.

Much to do every day—or plenty of loafing and relaxin' time—either way it ends all too soon, and filled with a mingling of wonderful memories, it's time to say goodbye.

**Friday—Fourteenth Day.** Breakfast at the Lodge—one last, long look at the beauty that is everywhere—and you once again meet your escort who will be with you for your trip home.

Leaving Elkhorn Lodge you travel via the So. St. Vrain Canyon to Denver, stop at the Top of the Rockies Restaurant for luncheon and then on to the Union Station and your home on the rails, the Domeliner "City of Denver."

**Saturday—Fifteenth Day.** After breakfast you reach Chicago at 10:15 AM, CST.,—once again back to reality but rich with memories of a wonderful vacation.

SATURDAY DEPARTURES FROM CHICAGO

Reduced rate family fares apply

AUGUST 6, 13

There has been a demand for a tour that would combine Yellowstone, the Grand Tetons and the Colorado Rockies so that all three of these great attractions could be visited within a two weeks vacation period.

And now we have not only this great combination but also add all-inclusive stopovers in the fascinating cities of Salt Lake City, Colorado Springs and Denver. This, then, is a wonderful two weeks vacation adventure that you will always remember with pleasure.

It is a blending of all features of our two one-week tours — the "YT" and "RM" — described more fully in detail in other pages of this book.

First, you follow the itinerary of the "YT" tour for the first eight days as outlined on pages 2 and 3. This takes you from Chicago to Denver for a day of sightseeing and then to Salt Lake City, so aptly termed, "the most entrancingly beautiful city in America." Next follows one day stopovers in Nature's Curiosity Shops — Jackson Lake Lodge, in the heart of the mighty Teton Mountains; Yellowstone Lake Hotel and Old Faithful, the King of Geyserland.

You travel without escort from Ogden on Saturday to Denver where you will join the "RM" tour on Sunday morning. Hotel room and transfers in Denver are included in cost of tour. Follow this tour as described in detail on pages 18 and 19 from Denver to Colorado Springs — then through Rocky Mountain National Park with interesting stopovers at Grand Lake and the Estes Park Chalet. Truly, this is an ideal and carefree vacation!

## Advantages of Union Pacific Tour Vacations

**HOW TO JOIN OUR TOURS.** Simply fill in the reservation blank on this page, then mail or take it to the travel agent or office shown on back cover or page 21 — or, mail to Union Pacific Department of Tours, One So. LaSalle St., Chicago, Ill., 60603. Although deposits for advance reservations are not required, **remittance must be made not later than two weeks before tour departure.** If application for space is made within the two weeks period prior to departure, payment should be made upon receipt of reservation confirmation. Persons prevented from going may procure refund in full, provided Pullman reservations are cancelled before the Friday prior to scheduled date of departure from Chicago.

**WHY YOU SHOULD JOIN A UNION PACIFIC ESCORTED TOUR.** — "The Best of the West" at the least possible cost. There is the whole story in a few words. The Best of the West — when you are our guest. Plus this: You have the great advantage of knowing at the outset the exact cost of your trip. The tours are planned with every consideration for your comfort, convenience and pleasure. All of the details are arranged in advance and are carefully carried out by our representative, your escort, with the party. He relieves you of all the anxieties of the independent traveler. You are, in fact, more independent in a real sense than the so-called independent traveler as you are entirely free to enjoy to the fullest extent the pleasures of your trip.

**ALL-EXPENSE TOUR VACATIONS** are ideally suited for young and old alike. Traveling with congenial companions adds a great deal to one's pleasure.

**WOMEN TRAVELING ALONE** are sometimes hesitant about taking an extended vacation trip. Escorted tours bridge this difficulty. Introduced to other members of the group they will feel "at home" among friends and have the trip of a lifetime.

**UNION PACIFIC TOURS ARE QUALITY TOURS.** They provide excellent accommodations, include as many attractions as possible and yet maintain a proper balance between rest, recreation and relaxation, and they are moderately priced.

Costs are complete and include **three meals every day** — a special feature exclusively on Union Pacific escorted tours. **Comparison with any other is invited.**

Only such incidentals as voluntary tips to waiters or waitresses, Pullman porters, coach attendants or bus drivers and such purchases as you may want to make, are extra.

You travel under the sponsorship of an experienced, responsible organization. Union Pacific Tours have been operated successfully since 1900.

**"UNION PACIFIC TOURS SATISFY"** is more than just a slogan. Evidence is the volume of commendatory letters and favorable comments received. Here are quotations from a few of many similar letters received from former patrons: "This past summer we were guests of your California tour and take this means of expressing our sincere appreciation to you and our escort for a very delightful trip. We assure you that nothing was left undone which would make for a happy vacation." — "It seems only appropriate that I should take the time to write and tell you how very enjoyable our tour trip was thru the Northwest. It was our first experience on an escorted tour with the Union Pacific and we are hopeful that we may have many more. Thank you so much for a relaxing and pleasant holiday."

**TRAIN TRAVEL IS ALWAYS COMFORTABLE AND RELAXING**

The minute you step aboard you can forget summer's heat in pleasant air-conditioned surroundings. You can dine leisurely in an attractive Dining Car where a choice of skillfully prepared fresh foods tempt your appetite.

Many pleasant moments may be spent with your congenial tour companions in the Lounge or Club Cars provided on most trains for Pullman sleeping car and coach passengers.

## GENERAL INFORMATION

**Hotel and Lodge Accommodations.** Tour rates are based on double occupancy of rooms (twin beds). Rooms with bath are provided at all hotels and lodges used. National Park facilities come under the jurisdiction of the Department of the Interior.

In the Utah-Arizona National Parks, rate is based on standard cabin with shower. Deluxe cabins with bath, if available, are at an additional cost of \$1.25 per person, per day.

**SINGLE ROOMS** are sometimes available upon request at an additional charge. This charge is payable in advance at time of confirmation of single room and within time limit prescribed. Single hotel rooms CANNOT be sold unless definite confirmation has been received from the Department of Tours. Charges are listed in the rate block of each tour.

**Meal Arrangements.** All meals, three every day, are included in the cost of all Union Pacific escorted tours. Coupons with stated values are provided for meals taken in dining cars and at certain city hotels. They are accepted the same as cash and you even receive a refund on dining car meals if there are times when you do not use the full value of your meal coupons or if you should skip a meal entirely.

### Only Union Pacific Tours give you this advantage.

This same refund arrangement is also true at most city hotels, thus giving you the freedom of choice of fine restaurants without the necessity of carrying extra money with you to cover costs of meals not included in the original charges.

Meal coupon values vary depending upon prevailing prices on trains and hotels used. In every case coupon values permit a liberal choice of entrees.

Escorts arrange settlement for all meals for which individual coupons are not provided.

**Equipment — Pullman.** All regularly assigned sleeping cars will be lightweight, streamlined, air-conditioned cars, providing a choice of accommodations, assuring you of every comfort. Rate quotations shown following each tour itinerary will indicate the various types of accommodations carried on each particular tour.

**Coach**—Regularly assigned coaches with leg-rests are provided for tour patrons while tours are moving on: the "Domeliner City of Denver-Portland"; the "Challenger" Domeliner, the Streamliner "City of San Francisco," and the Domeliner "City of St. Louis."

Leg-rest coaches are not available on other trains used by our tours.

Lounge car facilities for Pullman and Coach passengers are available on most trains used.

**Family Plan, Reduced Rate Railroad Tickets** may be used on all tour departures. See your local agent regarding saving that may be effected.

**Children under 12 years of age** are entitled to half-fare transportation and various other reductions in tour costs. Rates on request.

**Purchase Railroad Tickets at Your Home Station.** Passengers coming from points other than Chicago may join our tour parties at Chicago or at any regular stopping point en route between Chicago and Omaha. To obtain full benefit of the round trip fares, railroad tickets should be purchased from home station, reading via the route of the tour, as shown in the itinerary.

**Passengers joining Tours at Chicago** must check in at Tour Desk near Milwaukee Road train Gate 5, train level floor, of the Chicago Union Station, at time and place indicated on back of your membership coupon book. Here you will meet your escort.

If joining elsewhere go directly to the space assigned for your use, as indicated on the front cover of your membership coupon book. Escort will see you there if he should miss seeing you as you board the train.

**Baggage Insurance**—Insurance to cover loss or damage to baggage and personal effects may be purchased through most railroad baggage offices or ticket offices or through your travel agent.

**Baggage.** One or two suit cases or bags will hold sufficient clothing for your entire trip. The Department of Tours will pay for transfer charges and tips for handling of this baggage at all stopping points while with the tour. Individuals are urged to carry their own cosmetic cases because of their fragile nature.

**Baggage should never be checked on the baggage car from home station to Chicago or any point on the tour due to the possibility of it being delayed enroute.**

One piece of baggage, weighing not more than twenty-five pounds, will be carried free in the National Parks. If it is desired you may also carry a small overnight bag with you. Additional baggage may be checked free at park gateways. The Department of Tours assumes no responsibility for baggage or personal effects, but in the event of damage, delay or loss, will do all in its reasonable power to lessen the hardships incurred. Your escort will furnish special baggage tags to attach to each piece of luggage which you desire him to handle.

**Wearing Apparel.** Warm summer days suggest lightweight clothing, however nights in mountain regions are cool and topcoats, sweaters and weatherproof outer garments are desirable. Sport or casual clothes are most practical for travel en route and in the parks. A business suit for men, a couple of informal dresses for women, suitable for dinner or evening wear, are suggested. Bring your camera, a pair of colored glasses and, of course, shoes suitable for hiking.

**Church Services.** Your escort will be fully informed regarding Church services at places visited on Sunday.

**Mail and Telegrams** should be addressed to the various hotels shown in the itinerary of the tour you are taking. Specify "Member of Union Pacific Tour YT-5" or whatever the particular designating letter and number may be.

The post office address of all hotels in Yellowstone Park is Yellowstone National Park, Wyoming; Jackson Lake Lodge, Grand Teton National Park, Jackson, Wyoming.

In the Utah-Arizona Parks, addresses are as follows: Zion Lodge, Zion National Park Rural Station, Springdale, Utah 84767; Grand Canyon Lodge, North Rim Rural Station, Fredonia, Arizona 86022; Bryce Canyon National Park Lodge, Bryce Canyon P.O., Utah 84717.

Estes Park Chalet, Estes Park, Colorado; Grand Lake Lodge, Grand Lake, Colorado; Elkhorn Lodge, Estes Park, Colorado.

The address of the Ahwahnee Hotel and Yosemite Lodge is Yosemite National Park, California.

In Rainier National Park the address is Paradise Inn, Wash.

**Immigration Regulations.** Naturalized citizens of the United States must have in their possession naturalization papers. Alien passengers must hold valid passport, a visa for entry into Canada or Mexico and a visa or re-entry permit for re-entry into the United States. American-born citizens should carry with them some form of identification such as Birth Certificate, Voters' Registration or other form which shows citizenship. Such forms should be carried personally by passengers when entering and leaving Canada or Mexico.

**Responsibility.** In the sale of these tours the Department of Tours acts only as agent for the various hotels, transportation companies, railroads, Pullman Company, etc., and assumes no responsibility for loss or damage to baggage or injury to persons. Rates, train schedules and arrangements quoted herein are subject to such change as tariff or operating requirements may later demand.

**The right is reserved to decline to accept or retain any person as a member of these tours at any time.**

**ALL RATES AND SCHEDULES SHOWN HEREIN ARE THOSE IN EFFECT FEBRUARY 1, 1966, AND ARE SUBJECT TO CHANGE WITHOUT NOTICE.**
