UNION PACIFIC DEPARTMENT OF TOURS

A Glorious Adventure You'll Happily Remember A WESTERN VACATION TOUR

For **your 1968** vacation we urge you to visit the Union Pacific West. Nowhere else in America is there such a concentration of scenic high spots, of diversified vacation activities, of opportunities for rest, play, or sightseeing.

The **Utah-Arizona Wonderlands** — Zion, Bryce Canyon, and Grand Canyon National Parks — where fascinating rock formations, breath-taking heights and awesome depths are yours to enjoy. Then there's **Yellowstone** with its amazing geysers, its falls, canyons, and lakes; the **Grand Tetons**, whose heaven piercing peaks defy description.

California is also a part of the Union Pacific West. The Golden State offers hundreds of golden opportunities to see and enjoy its fun-loving cities, its sparkling ocean and beaches, its flowered valleys.

The **Pacific Northwest, Canadian Rockies, and Glorious Glacier** also are western favorites. For here is a great green empire where sky-piercing peaks and flashing waterfalls vie with enticing gorges and valleys for attention.

Colorado beckons, too. This mountain paradise appeals to young and old. Here the sunshine seems a little more brilliant, the air cleaner and more bracing, the lakes and streams a bit more inviting. The age-old mountains add peace and serenity to your stay — you relax and live.

On a **Union Pacific** escorted summer tour any or all of those western vacation favorites are available to you. All the tours are in charge of a competent escort. As a tour member there's nothing for you to do but enjoy yourself. The tours include train, resort and hotel accommodations, sightseeing, motor transportation and all meals . . . your escort looks after every detail including baggage.

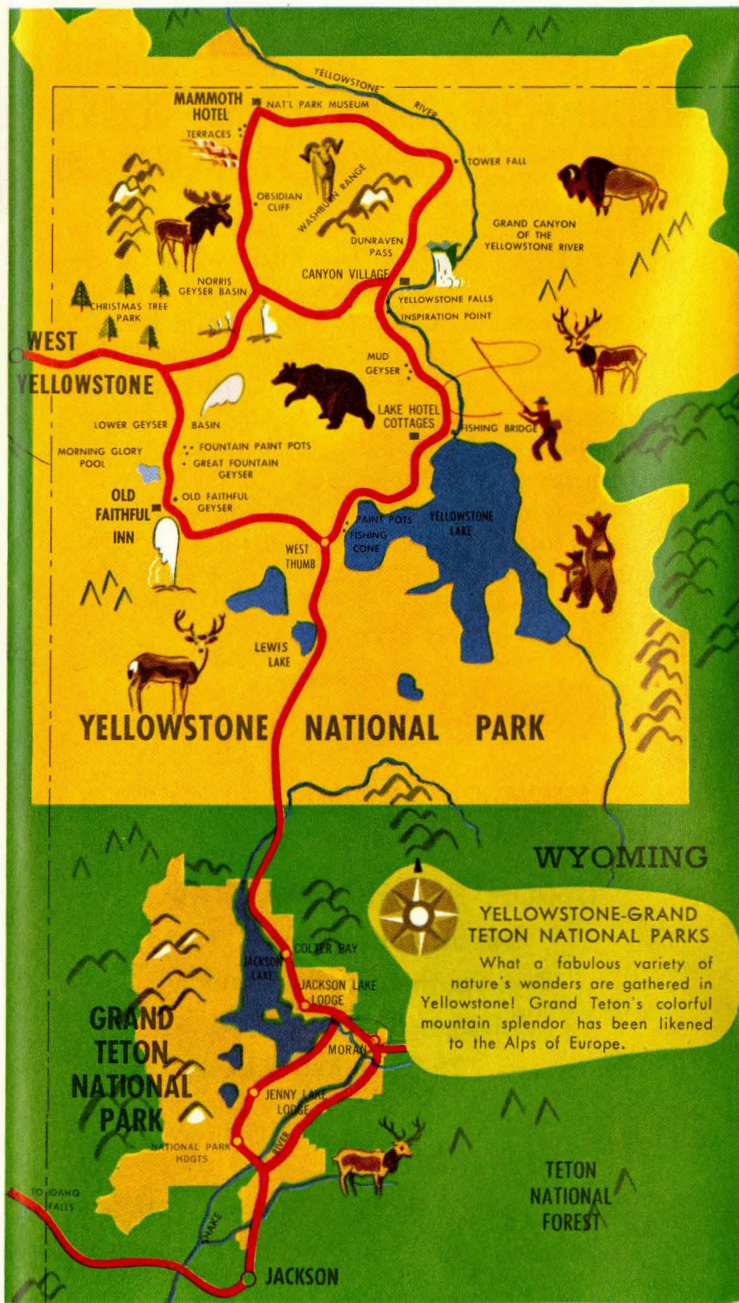

And "all-expense" means **ALL expense** — no "extras" of any kind except tips for personal services. You even receive a refund on dining car meals if there are times when you do not use the full value of your meal coupon or if you should skip a meal entirely. This same refund arrangement is also true at most city hotels thus giving you freedom of choice of fine restaurants without the necessity of carrying extra money with you to cover costs of meals other tours omit. **ONLY Union Pacific Tours** offer you this advantage.

Compare what is offered with any other vacation and you'll agree that a **Union Pacific Tour** is the best investment you can make.

In the "YT" Tour we offer an economy type vacation which gives you not only a complete circle tour of Yellowstone, but also Grand Teton National Park, bordering Yellowstone six miles to the south, and through the storied Jackson Hole Country, fabled crossroads and rendezvous of early day fur expeditions.

In the Grand Tetons you'll see some of the most magnificent mountain scenery to be found anywhere. Often likened to the Alps of Switzerland, the Teton Range is said to "look more like you would expect mountains to look than any other range in America."

In your four days of sightseeing through the Parks, you'll see the spectacular wonders of Yellowstone. Here Nature outdoes herself and with a lavish hand places before her guests the choicest of her many wonders — geysers that hiss and steam; towering waterfalls; canyons of striking hue and color; hot springs, mud volcanoes; paint pots that bubble and gurgle; the Great Falls and Grand Canyon of the Yellowstone; plus an amazing and interesting variety of wild life.

Add to Nature's great "Show of Shows" a day of sightseeing in beautiful Salt Lake City, an outstanding trip through Big Thompson Canyon of the Colorado Rockies to Estes Park, the mountain playground, and you have about as interesting a vacation as one could imagine . . . still it requires only nine days away from home!

All arrangements are made in advance — it's an all-expense, escorted tour; you're relieved of all travel details and free to enjoy a really carefree vacation.

DAY-BY-DAY STORY

Saturday — First Day. Leaving Chicago during the afternoon your first hours will be spent in meeting your congenial companions and you'll watch the passing panorama — the interesting "prairie lands" of Illinois and Iowa's fields of waving corn. Dinner is served in the dining car.

Sunday — Second Day. During the night your train runs smoothly through Nebraska and early morning finds you in Cheyenne for a brief stopover in this city so famous for its annual "Frontier Days." After lunch on the diner, your trip continues by motor from Rock Springs to the historic town of Jackson.

The Grand Teton area is a region of mountainous grandeur and breathtaking views of the majestic Tetons are seen as you motor to your headquarters — Jackson Lake Lodge — where spacious, tastefully furnished rooms with bath are provided in guest cottages.

Monday — Third Day. After breakfast you will be taken on an all-day sightseeing trip brim-full of breathtaking beauty. Ox Bow Bend, Glacier Lookout, Chapel of the Transfiguration; boat trip on Jackson Lake to the very foot of the Tetons and a picnic box lunch on Elk Island. Truly a day of never-to-be-forgotten thrills in this cameraman's paradise!

As you begin your trip north into Yellowstone National Park, you'll motor along the shore of Jackson Lake. Then through the spectacular Lewis Canyon, passing West Thumb Geyser Basin and Yellowstone Lake before reaching your headquarters, the Old Faithful Inn, just in time for dinner.

There is dancing and other entertainment at Old Faithful. This evening, like all evenings in Yellowstone, is beyond compare — the combination of star-studded skies, campfires, soft re-echoing strains of music, create an enchanted setting, and it's wonderful.

Tuesday — Fourth Day. Leaving Old Faithful after breakfast you enter Yellowstone's exquisite arena at once, viewing the many interesting geyser basins and steaming pools, motoring past the rushing rivers and restful mountain vistas all around.

The morning drive is packed with fascinating sights — Norris Geyser Basin — Roaring Mountain — Obsidian Cliff (Jim Bridger's Mountain of Glass) — Apollinaris Spring and the Hoodoos. Luncheon in the Terrace Dining Room of the Mammoth Motor Inn.

For your scenic dessert, a generous portion of the beauty of this amazing country is served to you on the afternoon trip. First stop is at Roosevelt Lodge for a bite and taste of the Old West as we turn back the clock and treat you to the thrills of a stagecoach ride! But hang on tight and you'll love it. Then back to the comforts of your bus once again as your trip continues past the Needle, with its slender rock formations, and Tower Fall to view the many peaks and pinnacles. On past Mt. Washburn and through spectacular Dunraven Pass to the Canyon Village Motor Lodge for your overnight stay.

Wednesday — Fifth Day. A great day! After a hearty breakfast you board motor coaches again and are off for a drive along the Yellowstone River to Artist Point for your first view of the Grand Canyon, climax of Yellowstone's glory.

Lunch at the Lake Hotel and still another thrill awaits you on the Scenicruiiser boat ride on Yellowstone Lake. Then if you missed that picture of Old Faithful last Monday, we're giving you a reprieve and another chance as we stop at the Old Faithful Inn for dinner and more views of this spectacular show.

Thursday — Sixth Day. Much has been written about this historic and lovely Salt Lake City and today is your day to see it. Motor buses will meet you immediately on arrival to begin an interesting day of sightseeing, which will include the historic and romantic points of interest in Salt Lake Valley.

You see the many spots rich in memories of the hardy Mormon pioneers who conquered the wilderness of Utah. The Mormon Temple and Tabernacle, Brigham Young's homes, his monument and private burial ground, Beehive House, Lion House, Eagle Gate and the State Capitol, returning in time to hear the delightful organ recital and world-famous Mormon Choir.

Friday — Seventh Day. There is not much time left to your vacation so be up early for one last look at this beautiful city before you board the Domeliner "City of Los Angeles" for the return trip through the canyons of Utah.

Breakfast and luncheon in the diner and pleasures a plenty with your friends in the lounge before your mid-afternoon arrival at Laramie. Here you transfer to the Rocky Mountain Motor bus for your drive through the Colorado Rockies.

Turning west from Loveland toward Estes Park you enter the canyon of the Big Thompson River. For a 16-mile stretch the river drops 3,000 feet in a raging, foaming torrent between towering granite walls sometimes 1,200 feet high. This is a spectacular sight as the highway follows the canyon, alternately narrowed to the river's edge and then widening to tree covered glens carpeted with lovely wild flowers. The rustic Estes Park Chalet is reached in time for dinner and here you spend the night cozily nestled in the arms of the Rockies.

Saturday — Eighth Day. After breakfast you leave Estes Park for Denver, traveling via the scenic So. St. Vrain Canyon. Stop at the Top of the Rockies for luncheon, while en route to the Union Station and your train to begin your trip home.

Dinner in the dining car and the evening to spend with the members of your party, reliving the many happy experiences of the past few days.

Sunday — Ninth Day. A leisurely breakfast in the dining car, and soon your train will roll quietly into Chicago, then happy adieu . . . and memories of a delightful, funful, carefree vacation!

SUNDAY DEPARTURES FROM CHICAGO

Reduced rate family fares apply

A trip through the Southern Utah-Arizona National Parks is in itself a complete vacation. So, too, is a visit to Yellowstone and Grand Teton National Parks. But to select two such fascinating regions, combining them into one 15-day, all-expense tour, this is indeed vacation news of the highest order — a vacation trip you can look back upon as one of the most eventful chapters in your life.

You see FIVE National Parks — Zion, Grand Canyon, Bryce, Grand Teton and Yellowstone, as well as Cedar Breaks National Monument, motor through several National Forests and visit two of America's most noted cities — Salt Lake City and Denver, plus an outstanding trip through Big Thompson Canyon of the Colorado Rockies to Estes Park, the mountain playground.

First — a trip to Yellowstone and Grand Teton National Parks — four days of sightseeing with overnight stops at the Canyon Village, Old Faithful Inn and Jackson Lake Lodge. Then a day in beautiful Salt Lake City and its points of historic interest; Great Salt Lake, the organ recital at Mormon Tabernacle.

Next, you spend four days and four nights in the Utah-Arizona Wonderlands, where Nature's sculptured masterpieces await your rapt contemplation.

What wonders they are to behold! Zion National Park, a symphony in form and color; Arizona's Grand Canyon, a world wonder in its own right; Bryce Canyon, masterpiece of erosion and color; the painted cliffs of Cedar Breaks National Monument and the drive through beautiful Kaibab Forest, over Mt. Carmel Highway and through Red Canyon.

Returning from this colorful Canyon country offers an overnight stop at Salt Lake City with an opportunity to visit the Mormon Tabernacle and hear the world-famous Mormon Choir before your journey turns eastward once again.

But there is still more as you travel through the spectacular Big Thompson Canyon of the Colorado Rockies en route to Estes Park, where one night is spent at the Estes Park Chalet.

If you want a vacation filled with the beauties of Nature — one that you can look back upon as an eventful chapter in your life — then choose this "YTZ" Tour. And remember — you can do this all in just two weeks' time.

DAY-BY-DAY STORY

Sunday — First Day. In mid-afternoon you embark upon two weeks of vacation adventure long to be remembered. You'll have dinner aboard the Domeliner "City of Portland" and have time to get acquainted with your congenial traveling companions.

Monday — Second Day. You're on vacation so relax a bit and watch the changing contours of the great Midwest as your train carries you smoothly across Nebraska and Wyoming to Pocatello, shortly after dinner. Here you transfer to a motor coach for the brief ride to Idaho Falls and your home for tonight, the Flamingo Motor Lodge.

Tuesday — Third Day. This will be your first day in the Park so be up early and on your way to one of the strangest and most fascinating regions in the world. Through Christmas Tree Park via Madison Junction to the Norris Geyser Basin.

You feast your eyes on more of Yellowstone's eerie formations — Roaring Mountain — Obsidian Cliff (Jim Bridger's Mountain of Glass) — Apollinaris Spring, before arrival at Mammoth Hot Springs, where luncheon awaits you.

For your scenic dessert, a generous portion of the beauty of this amazing country is served to you on the afternoon trip. First stop is at Roosevelt Lodge for a bite and taste of the Old West as we turn back the clock and treat you to the thrills of a stage-coach ride! But hang on tight and you'll love it. Then back to the comforts of your bus once again as your trip continues past the Needle, with its slender rock formations, and Tower Fall to view the many peaks and pinnacles. On past Mt. Washburn and through spectacular Dunraven Pass to your first breath-taking view of the Grand Canyon and Great Falls of the Yellowstone from Artist Point! Here indeed is the climax of this never-to-be-forgotten day; then on to Canyon Village Motor Lodge for your overnight stay.

Wednesday — Fourth Day. After breakfast still another thrill awaits you on the Scenicrider boat ride on Yellowstone Lake enroute to Old Faithful Inn reached in time for lunch.

Old Faithful Geyser is but a few steps from the Inn and you'll enjoy watching its almost hourly eruptions or take a hike of the geyser basin conducted by the Park Ranger-Naturalist.

Thursday — Fifth Day. Breakfast at the Inn, then a motor trip via Craig Pass, Thumb and Lewis Canyon to the Grand Teton National Park and your headquarters, Jackson Lake Lodge.

Rooms with bath are provided in guest-cottages, a short walk from the Lodge. The remainder of this afternoon is free to boat, hike, fish, ride horseback — or just relax and enjoy the magnificent scenery.

Friday — Sixth Day. After a hearty breakfast you leave on an all-day sightseeing trip brim-full of breathtaking beauty. Ox Bow Bend, Glacier Lookout, Chapel of the Transfiguration; boat trip on Jackson Lake to the very foot of the Tetons and a picnic box lunch on Elk Island. Truly a day of never-to-be-forgotten thrills in this cameraman's paradise!

You came — you saw — but the spectacular mountains have conquered you with their beauty. It has long been said, "The

Chapel of the Transfiguration in Jackson Hole.

Tetons look more like you would expect mountains to really look than any other range in America."

Leaving Jackson Lake Lodge in late afternoon you'll travel through the Jackson Hole country to the picturesque town of Jackson, then cross spectacular Teton Pass to Idaho Falls and the next chapter of your vacation adventure.

Saturday — Seventh Day. Much has been written about the historic and lovely Salt Lake City and today is your day to see it. Motor buses will meet you immediately on arrival to begin an interesting day of sightseeing, which will include the historic and romantic points of interest in Salt Lake Valley.

You see the many spots rich in memories of the hardy Mormon pioneers who conquered the wilderness of Utah. The Mormon Temple and Tabernacle, Brigham Young's homes, his Eagle Gate and the State Capitol, returning in time to hear the Great Organ recital in world-famous Mormon Tabernacle. Overnight in your headquarters, the Royal Executive Inn.

Sunday — Eighth Day. Breakfast then board your motor coach once again for the short trip to Cedar City and the beginning of five days of adventure in the wonderlands of Southern Utah and Northern Arizona.

Cedar City is your first intimate contact with this colorful canyon country you are about to visit. And after a brief stop your trip continues through "Utah's Dixie," a fertile valley studded with quaint Mormon villages.

As you enter Zion Canyon, the highway follows the Virgin River, swift, sinuous waters stained with the red of the canyon walls. And here begins the parade of majestic peaks that is Zion. The walls spread apart to form the lovely Court of the Patriarchs, overlooked by the austere dignified Three Patriarchs themselves; the east wall breaks into the Twin Brothers and the Mountain-of-the-Sun. These rows of sentinel peaks continue to the uppermost end of the canyon, but suddenly you come upon Zion Lodge, nestled at the base of Red Arch Mountain and dwarfed by the canyon walls towering above.

A series of elaborate hotels would be sadly out of place in these virgin regions, thus your accommodations are cozy double cabins, snuggled in the majestic mountains.

Monday — Ninth Day. After breakfast a motor trip is made up the sublime aisle of Zion Canyon to the Temple of Sinawava to view the Great White Throne, Great Organ, Angels Landing and other monuments whose names carry out the sublimity of this lovely area.

Leaving Zion after lunch you travel through Pine Canyon, and as the highway ascends in broad loops and zig-zags, the panoramas from above are breathtaking. You pass through the famous Mt. Carmel tunnel cut for more than a mile through solid rock, pierced by six huge windows, each framing a picture of startling grandeur.

Turning south, you journey past the Vermillion Cliffs and, after leaving Kanab, cross the state line into Arizona. Scenes of grandeur unfold before you as you cross the Prismatic Plains, one of the most exquisitely colored regions of upland in America.

Off in the distance is a long, low-lying, blue-green ridge, the forested Kaibab Plateau, and for more than fifty miles you drive through a forest of evergreen and aspen that is the Kaibab National Forest. The delightful ride through the cool glades of the charming Kaibab is a fitting prelude for the spectacle which awaits you at the North Rim.

There is spread before you an immense chasm, and rising from the sublimity of its temple depths in the bewildering glory of their gorgeous coloring are whole ranges of mountains, with bases a mile below and tops at the level of your eyes. No wonder John Burroughs called it the Divine Abyss.

Evening events at Grand Canyon are planned for your pleasure and entertainment.

Tuesday — Tenth Day. Morning is open for you to drink in the beauty that is all around and after lunch, take a four-hour trip of indescribable beauty.

Grand Canyon from Cape Royal, with its Angels' Window, presents an entirely different view from that of other points along the Rim. There in the awful stillness below lies as sublime a scene as you will ever look upon. Rich and vivid tones in a perfect kaleidoscope of color tint its mighty walls, and far below, the roaring Colorado River — but to you on the Rim, it is only a tiny thread in the silent, misty distance. You will never forget this scene, for you will feel here, more poignantly than ever before, the vastness and grandeur of Creation.

Tonight there will be informal entertainment — perhaps a recount of the thrilling sights of the day as you sit around the great log fire — music for the dance.

Wednesday — Eleventh Day. This morning it is time to leave, a little reluctantly perhaps, but you're on the way to another great scene — not so vast, but more intense and fantastic — Bryce Canyon National Park.

Your route again takes you through delightful Kaibab Forest ... across the impressive Prismatic Plains ... past miles of Vermilion Cliffs ... through Red Canyon, walled with red rock, decorated with columns of pink and ruby ... and on to Bryce Canyon the beautiful.

Here at Bryce — as at Grand Canyon — you come upon the scene suddenly. The Lodge stands at the edge of a pine forest and modern, comfortable cabins are hidden away among the surrounding pines. A short walk from the Lodge and there bursts upon you one of the most brilliant sights ever beheld by man. There at your feet, in an immense semicircular amphitheater, is a bewildering assortment of fantastic stone formations, alive with flaming, glowing color, ablaze in the rays of the western sun.

This evening, entertainment in the Lodge, a talk by the Park Ranger, a dance or a walk under the starlit heavens.

Thursday — Twelfth Day. After breakfast you say goodbye to Bryce — but there still is one surprise left before you leave this land of flaming color. Cedar Breaks National Monument, a vast escarpment and a vision of kaleidoscopic color, rises before your eyes.

Regretfully you leave this beautiful country as once again you board your motor coach, Salt Lake City bound!

This evening a visit to the Mormon Tabernacle to hear the world-famed Mormon Choir followed by dinner in the magnificent Sky Room, atop the Hotel Utah, your home for tonight.

Friday — Thirteenth Day. There is not much time left to your vacation so be up early for one last look at this beautiful city before you board the Domeliner "City of Los Angeles" for the return trip through the canyons of Utah.

Breakfast and luncheon in the diner and pleasures a plenty with your friends in the lounge before your mid-afternoon arrival at Laramie. Here you transfer to the Rocky Mountain Motor bus for your drive through the Colorado Rockies.

Turning west from Loveland toward Estes Park you enter the canyon of the Big Thompson River. For a 16-mile stretch the river drops 3,000 feet in a raging, foaming torrent between towering granite walls sometimes 1,200 feet high. This is a spectacular sight as the highway follows the canyon, alternately narrowed to the river's edge and then widening to tree covered glens carpeted with lovely wild flowers. The rustic Estes Park Chalet is reached in time for dinner and here you spend the night cozily nestled in the arms of the Rockies.

Saturday — Fourteenth Day. After breakfast you leave Estes Park for Denver, traveling via the scenic So. St. Vrain Canyon. Stop at the Top of the Rockies for luncheon, while en route to the Union Station and your train to begin your trip home.

Dinner in the dining car and the evening to spend with the members of your party, reliving the many happy experiences of the past few days.

Sunday — Fifteenth Day. Homeward bound across the quiet fields of Illinois, arriving in Chicago at noon, with glorious memories, new friends and new enthusiasms. A vacation indelibly engraved on your Memory Book of the future.

Scenically, America is a land of contrasts, with many areas of exciting beauty. But if you seek a place that is really unusual, be sure to visit this region, usually referred to as the Southern Utah-Arizona Wonderlands. Its splendor is unparalleled.

Here the forces of nature have formed awe-inspiring, extravagantly colored canyons and mountains — a "Paradise of Color" and dreamland of artist and photographer.

Envision them if you can — the huge monoliths of Zion National Park; the fairyland of stone and color named Bryce Canyon National Park; the painted cliffs of Cedar Breaks National Monument — all in Utah — together with the grandeur and vastness of Grand Canyon National Park in Arizona. Nowhere else on the North American continent is to be seen such an amazing concentration of scenic grandeur and geological wonders.

Add to these such along-the-way attractions as Mt. Carmel Highway, Kaibab and Dixie National Forests, plus stopovers and sightseeing trips in Salt Lake City and in Denver, and you have a vacation trip you will never forget.

Also note that the "Z" Tour schedule includes leisure time at Zion, Grand Canyon and Bryce Canyon in order that you may fully enjoy these monuments to Nature's handiwork.

DAY-BY-DAY STORY

Sunday — First Day. An eventful vacation begins when you leave Chicago — at 6:00 PM on the Domeliner "City of Los Angeles." Dinner is served upon departure.

Monday — Second Day. You'll reach Cheyenne, Wyoming about 9:45 AM after having crossed the states of Illinois, Iowa

and Nebraska. Soon after you cross Sherman Hill, highest point on the Union Pacific (8013 ft.), then through country rich in historical association of the Old Oregon Trail.

In late afternoon and early evening keep your eyes all around you as the rock formations on both sides of the track will stimulate your imagination. Castle Rock at the east end of Echo Canyon — Devil's Slide, the mountainside rising 4,000 feet — straight up. Weber Canyon cutting through the Wasatch Mountains with Weber River tumbling in a torrent almost at your feet. Then, dinner in the diner and soon you'll be in Salt Lake City and the Royal Executive Inn, your home for tonight.

Tuesday — Third Day. After breakfast, transfer to a motor coach and once again be on your way to the "Land of the Flaming Canyons." At 2:00 PM you reach Cedar City, the gateway to the Parks, and, after transferring to the Park buses, are whisked away for this tour of tours.

The way from Cedar City to Zion Lodge is interesting for its scenery and its people. You pass through several Mormon villages, all of which still bear the marks of early-day settlement — weather-beaten houses of handhewn timbers; flagstone walks hoary with age. You arrive at Zion Lodge at 4:30 PM in time for dinner. Entertainment, nature talks, movies, dancing, plenty of activity for the evening hours.

Accommodations in the Utah Parks are in comfortable rustic cabins with private shower bath. Deluxe cabins, if available, may be reserved at a small added cost.

Wednesday — Fourth Day. This morning you may wish to explore some of the miles of trails — ride or hike — the East Rim, the West Rim. After luncheon a trip by motor to the Temple of Sinawava and a hike with the Ranger-Naturalist to the Narrows. You will be overwhelmed at the beauty and magnitude of this inspiring region. Later another fulfilled evening and a refreshing night's rest.

Thursday — Fifth Day. Morning is open for more exploration, discovery and adventure and at 1:00 PM you leave Zion for the Wonder of Wonders — the Grand Canyon. On the way you pass through the famous Mt. Carmel Tunnel along the Mt. Carmel Highway, with six huge tunnel portals through which you see masterpieces of scenic beauty.

You motor through the cool quiet of the Kaibab Forest with its abundance of deer and its shy white-tailed squirrels but your ride ends abruptly and most sensationally at the very brink of Grand Canyon as your bus reaches Grand Canyon Lodge.

This evening there will be informal entertainment, music and dancing and, perhaps, a moonlight stroll on the rim.

Friday — Sixth Day. The morning is free for hiking, horseback riding or to just relax. After luncheon a four-hour motor

Castle's Castle, Bryce Canyon National Park, Utah.

trip takes you to Point Imperial and Cape Royal for magnificent views of the canyon. Point Imperial is the highest point on the canyon rim.

Saturday — Seventh Day. Leaving at 8:30 AM you travel back over the winding road, deep into the Kaibab . . . out across the plains . . . through sparkling canyons . . . past Vermillion Cliffs . . . through Red Canyon . . . then, Bryce Canyon the beautiful — like a glimpse of another world — reached at 1:30 PM.

Sunset enlivens the myriad tints of Bryce Canyon's fragile formations and presents the towering temple peaks, the colorful sculptured depths at their best. It is as though you behold a ruined Oriental City overspread with color. Later this evening entertainment and dancing at the Lodge.

Sunday — Eighth Day. After a solid night's rest in this clear mountain atmosphere, you are up early to view Bryce under the first rays of the rising sun. Under such light the canyon presents an entirely new and different aspect. This morning is reserved for Church services — then practically all day to enjoy this fairyland of form and color . . . from the rim . . . hiking down the trails with Ranger-Naturalist guided party for an absorbing explanation of the geology of the country . . . or perhaps as a member of a gay horseback party following your colorful cowboy guide. At 3:00 PM, a motor trip to Rainbow Point, with stops at Inspiration Point, Bryce Point and Natural Bridge. Indeed, as you gaze upon the eerie carvings and exquisite colorings, Bryce might well become a Dream City of a remote age, set apart, as it were, for mortals to see and enjoy.

Monday — Ninth Day. Have your bags packed early for you'll want to take one last, lingering look before you leave this colorful canyon shortly after breakfast.

On the return trip a stop is made at Cedar Breaks National Monument, another of the colorful Southern Utah attractions. An artist has counted more than sixty tints in Cedar Breaks, whose vast amphitheatres are eroded to a depth of 2,000 feet in an area of 60 square miles. Standing on the rim of this scintillating show-place, you are impressed with the power of Nature's mighty processes.

Once again you are on the way and soon you'll be able to look off to the south and get a distant view of the Temples of Zion which you left a few days ago.

You carry these beautiful visions with you for your file of future memories as you take leave of this colorful country bound for Salt Lake City. Headquarters — Hotel Utah.

Tuesday — Tenth Day. This morning at 9:30 you will be taken on a comprehensive tour of this historic city over a portion of

The Old Mormon Trail, passing the "This is the Place" monument; Brigham Young's homes and private burial ground; Beehive House and State Capitol, arriving at the Mormon Tabernacle in time for the noon Great Organ recital.

Luncheon at the Hotel Utah, then off to the Great Salt Lake and the famous Utah open-cut Copper Mine in Bingham Canyon for the spectacular blasting operation, viewed in perfect safety. Dinner in the Sky Room and overnight at the Hotel Utah.

Wednesday — Eleventh Day. This morning you board the Domeliner "City of Los Angeles" for the return trip through the canyons of Utah on your way to Denver. Breakfast, luncheon and dinner in the dining car and pleasures aplenty with your friends in the lounge. Overnight at the Cosmopolitan Hotel.

Thursday — Twelfth Day. At 9:15 AM you'll board motor buses for a most interesting trip to Lookout Mountain and the tomb of Buffalo Bill; Clear Creek Canyon and the Red Rocks Park, returning to Denver via Lariat Trail.

Time to look around this "mile-high" city before boarding your Domeliner "City of Denver," homeward bound.

Friday — Thirteenth Day. Arrive Chicago shortly before lunch. Fond farewells and promises to write and exchange snapshots bring to an end a glorious vacation.

DAY-BY-DAY STORY

Saturday — First Day. Leaving Chicago on the Domeliner "City of Los Angeles" late afternoon, you'll have dinner aboard, then get acquainted with congenial traveling companions while speeding across Illinois and Iowa.

Sunday — Second Day. Early morning finds you in western Nebraska and later at Cheyenne, Wyoming, Capital of the state. Your route across Wyoming into Utah parallels that followed by the Argonauts of '49, the Mormons and other pioneers. Salt Lake City is passed early in the evening.

Monday — Third Day. The "great light way" of Las Vegas is still blazing brightly when you arrive in this famous city early in the morning. Your headquarters will be the Fremont Hotel, located in the heart of Las Vegas' famous "Glitter Gulch."

At 9:00 AM you will be taken on a motor trip to Hoover Dam and a tour of the power-houses, conducted by Government guides. Afternoon is open for resting, shopping or for a swim in the pool before dinner and floor show this evening in the beautiful Fiesta Showroom.

Tuesday — Fourth Day. Leaving the Fremont bright and early you connect with Union Pacific's Domeliner — Los Angeles bound. While you are in this glamour city of the West you will stay at the Biltmore Hotel in the heart of downtown Los Angeles.

As an introduction, this afternoon let us take you on a tour along Mulholland Drive for views of Los Angeles, Hollywood and the San Fernando Valley. See the hillside homes of the stars and on through the valley and Sepulveda Pass to Westwood and the Pacific Palisades. Returning inland you pass Century City, Farmer's Market and CBS Television City.

Coupons are provided for ALL meals scheduled at the Biltmore. Your escort will arrange to exchange these for cash if you wish to eat elsewhere.

Wednesday — Fifth Day. Time for Church, then time for play and today we are all kids again in "The Happiest Place on Earth," as we spend this day in the Magic Kingdom of Disneyland.

Admission is included and here you will enjoy the thrills of Frontierland — Main Street, U.S.A. — Tomorrowland — Fantasyland and Adventureland as we take you on a tour of Disneyland under the cheerful guidance of their lovely girl guides through this charming land of make-believe. Included in the tour are tickets for six major rides and attractions. Balance of the day is yours to enjoy yourself amid the fun and delights of this world-famous playland.

Thursday — Sixth Day. After breakfast this morning you board the "Coast Daylight," famous train that makes the daylight trip along the coast en route to Monterey. In easy comfort you speed along a coastline of unbelievable splendor, miles of sun-sparkling ocean waters, through historic Spanish towns — then to Salinas, gateway to Monterey, and a short bus ride to the Casa Munras Hotel, your home for two nights.

Friday — Seventh Day. Breakfast at the Casa Munras and then board your motor coach for a day of delights.

Superlatives could not describe the beauty that will fill your hearts today on this tour of tours. Your route will be along the gorgeously scenic highway carved from the sheer granite walls of the towering Santa Lucia Mountains, with the pounding surf of the Pacific always in view. Through Big Sur, outstandingly beautiful site of a recent movie, to San Simeon, but before proceeding any further — some time out for lunch.

La Cuesta Encantada, the Enchanted Hill, takes you from sea level up a five-mile winding road to the fabulous Hearst Castle, formerly accessible only to invited guests and for years an object viewed by travelers only through a telescope in the seaside village of San Simeon. But today you are our guest as we take you on a delightful tour of the gardens and buildings of this medieval-like Shangri-la.

Past the zebras, aoudads and fallow deer grazing on the hillside; the magnolia, madrone and other great trees crowding the creek bed which winds through the acres of magnificent gardens filled with blooms of exotic and native flowers; and finally to the pièce de résistance, the shrine of beauty, La Casa Grande itself for a guided tour of this ornate palace.

Taking leave of these palatial surroundings, we retrace our route along the timbered sides of the rugged Santa Lucia but now we are accompanied by the grandeur of the ocean as it vanquishes the setting sun at the close of this delightful day.

Saturday — Eighth Day. Before we bid goodbye to lovely Monterey, let us travel the "Circle of Enchantment," the world-famous 17-Mile Drive of incomparable grandeur, snow-white sand dunes, wind-twisted cypress trees and mysterious pine forests. Continue on via the vine-covered San Benito Hills, stopping for a sipping acquaintance with wines produced by Almadén and lunch at the Brass Lantern in San Juan Bautista.

After lunch our route is over Pacheco Pass to Merced. Here we transfer to the Yosemite bus for a thrilling ride through the spectacular Merced River Canyon to our new home for two nights, the lovely Ahwahnee Hotel.

Enchanting Monterey Coast at Midway Point.

Sunday — Ninth Day. There is time to attend Church services before you leave on the all-day sightseeing tour of tours.

Your route is through oak-forested foothills up the western slope of the Sierra Nevada Mountains to Mariposa Grove of Big Trees. Here you get your first view of the "Sequoia Gigantea," the earth's oldest and largest living things, some thirty feet thick, nearly three hundred feet high and with an estimated age of more than 3,800 years. After luncheon at Big Trees Lodge, you ride in the shadow of the towering granite peaks back to the Valley, onward and upward to Glacier Point, 3,254 feet above the Valley, presenting a breath-taking panorama of High Sierra peaks and a bird's-eye view of the Valley.

Returning to the Ahwahnee you will again see the many beauties of Nature's handiwork surrounding you on all sides. There's Half Dome, which for eons of time has looked down upon the Valley . . . Bridalveil Falls with its delicate spray . . . Yosemite Falls, the highest in the world, with a drop of 2,425 feet . . . El Capitan, rising a sheer 3,000 feet from the Merced River and eternally guarding the west entrance of the Valley.

Monday — Tenth Day. This morning you may wish to stroll to the Park Headquarters, visit the Park Museum to hear an illustrated lecture on the formation of the Valley, or accompany a Park Ranger-Naturalist on a hike. Others may just wish to lounge on the veranda of the Ahwahnee and enjoy the beauty that is everywhere.

Reluctantly you'll leave this lovely Valley at 11:50 AM bound for Merced, where you'll transfer to your train.

At Oakland, board Gray Line Motor Coach for a half-hour trip to the enchanted city of the Pacific — San Francisco. Your headquarters is the beautiful St. Francis Hotel for two thrill-filled days.

Tuesday — Eleventh Day. This morning you'll board your motor bus for one of the most scenic drives in America, the Deluxe City Tour of San Francisco. Through the Civic Center and to Mission Dolores — Twin Peaks for a magnificent view of the city, bay and ocean — through Golden Gate and Lincoln Parks and then to the world-renowned Cliff House, overlooking Seal Rocks and the Blue Pacific.

The return takes you past the approach of the Golden Gate Bridge, the Presidio, Marina and Yacht Harbor and to the famous Joe DiMaggio's Restaurant on Fisherman's Wharf for luncheon, before returning to your headquarters, the St. Francis Hotel.

All meals in San Francisco are included in your tour cost. However, so that you will be free to eat at any or several of San Francisco's noted eating places, your escort will redeem in cash the meal coupon provided. He will tell you, too, about the better restaurants.

Wednesday — Twelfth Day. Because there are so many things to do and see in San Francisco, no group activity is planned for today. Morning is reserved for you — sleep a bit later, if you wish, or maybe you'll want to browse through some of the many unusual shops and stores; perhaps revisit places passed yesterday.

Early afternoon you leave the hotel and take a last lingering look at San Francisco's striking skyline while en route across the Bay to Oakland where you board the Streamliner "City of San Francisco" homeward bound.

Thursday — Thirteenth Day. Before breakfast time you'll experience the thrill of "going to sea by rail" as your train crosses the Great Salt Lake over the famous Lucin Cut-off, arriving Ogden about 9:05 AM. Now you are on the Union Pacific Railroad and through the day your scenic menu consists of many rugged formations—the Wasatch Mountains, Weber Canyon, Echo Canyon and across the Rockies.

Friday — Fourteenth Day. After a leisurely breakfast a glorious vacation comes to a close with your arrival in Chicago. But your memory will forever cherish the vision of sunny skies, shrouded mountain peaks, the sparkle of Pacific waves, the great peace of whispering evergreen forests—truly happy memories of your wonderful California adventure.

It becomes unnecessary for you to carry extra cash with you to cover meals omitted as ALL meals are included in the costs. However, you still retain the freedom of choice of restaurants in San Francisco, Los Angeles, San Diego and Las Vegas. Your tour membership card is a book of coupons with stated values for each meal while in the city Hotels, redeemable in full if you care to eat elsewhere.

Likewise, all meals on the train are included and you have the same privilege of being refunded for meals missed. Read the details as outlined under General Information on Page 23.

This is the very Best California tour because it includes all of the colorful highlights in the "Best of the West."

First a stop at Reno, "the biggest little city in the world," then via the Mt. Rose Scenic Highway to Lake Tahoe, perfectly named by the Indians as "The Lake in the Sky." Follow this with a trip across the Sierra Nevada on the Tioga Pass Road, surely one of the West's most dramatic and scenic offerings as you enter lovely Yosemite National Park. Your home for two nights and two days will be the New Yosemite Lodge with a full day's trip to the Mariposa Grove of Big Trees and Glacier Point.

Next stop will be the cosmopolitan city of San Francisco for two nights and while there you will be taken on the ideal "get-acquainted" tours of this delightful city. Then follows Los

Angeles with the bright lights of Hollywood and a trip to Disneyland, "The Happiest Place on Earth." While here you will be taken on a guided tour of this famous playland, including tickets for six major rides and attractions.

But there is still more ahead as your trip turns southward to San Diego for an overnight stay, then on to Riverside with its world-famous Mission Inn Garden Hotel.

Your vacation is climaxed with a two-day stay at the Fremont Hotel in fabulous Las Vegas, where the FUN never sets. Dinner and floor show in the Fiesta Showroom and a trip to Hoover Dam are among the pleasures we plan for you. In your free time you are "on your own" to try your luck or just relax and do as you so desire.

Before you buy — compare the costs of other California tours — compare the all-inclusive features and you're sure to agree that for the most for your dollar, you'll buy **BC**. But — judge for yourself — read the day-by-day description.

DAY-BY-DAY STORY

Saturday — First Day. Your tour party gathers at the Union Station in Chicago — the escort meets you and takes care of all departure details — and from that moment on the whole trip is yours to enjoy, without a care or worry. Gaily, joyously you enter the train and settle down for the night — and your happy adventure has begun with dinner in the dining car.

Sunday — Second Day. Through the night you have crossed Iowa and Nebraska and after breakfast reach Cheyenne, scene of many an Indian fight in the desperate frontier days before the coming of the railroad. This Overland Route you are traveling is the old Overland Trail. You and your tour companions who have now become your friends can view the historic towns along the way from your comfortable lounge car.

The day passes quickly with the ever-changing scenery but be ready for tomorrow and the thrills that lie ahead!

Monday — Third Day. The hour on the clock sounds sleepily early, but don't forget you have "gained" two hours with the change in time zones so it's really the same time as you always get up — but today it's for play.

Your day starts in Reno, the famous "biggest little city in the world," with breakfast in Harolds Club. Then board your bus for the first leg of this never-to-be-forgotten trip to lovely Lake Tahoe, the crowning glory of the famous Sierra wonderland of California. Your route is via the scenic Mt. Rose Highway with spectacular and magnificent views of the entire Lake; "whispering pines against the waters edge sing songs of planted beauty as gratitude fills every human heart."

A short stop is made at Crystal Bay, then continue your trip to Yosemite through a variety of country-side as you approach the new Tioga Pass Road. A pleasant lunch stop is made at Niceley's Restaurant near beautiful Mono Lake.

Turning west at Leevining, the road ascends gradually up the rugged slope and through Leevining Canyon. Almost instantly from the summit at the Park entrance, the terrain flattens into the Tuolumne Meadows area, largest open land in the Sierra. At the west edge the road then descends to the shore of Tenaya Lake through outstanding areas of glacial granite. Stops are made for views into Tenaya Canyon and the upper end of Yosemite Valley before you reach Yosemite Lodge, your home for two nights.

The "Village Square," World-Famous Disneyland.

Beach and Cove at La Jolla.

Tuesday — Fourth Day. This is the land of the majestic mountains and today you are a part of them as you capture the beauty that surrounds you on another thrilling trip. First to the Mariposa Grove of Big Trees, for your first view of the giant Sequoia Redwoods. Luncheon at Big Trees Lodge, then a close-up look at these mighty monarchs as you ride into the Grove and through the heart of the Wawona Tunnel Tree.

Return via Glacier Point for magnificent views of the Valley below and its surrounding mountains. After dinner tonight, gather together for the short motor coach ride to see the "Firefall," as it cascades down from Glacier Point in a shower of ruddy, glowing embers.

Wednesday — Fifth Day. Morning is open for a last look at the beauty that is everywhere. Now all too soon it is time to leave this lovely valley and be on your way to Merced and your train the "San Joaquin Daylight," bound for San Francisco.

Leaving Yosemite Lodge, your route takes you on a thrilling motor journey through the Merced River Canyon and the fruit raising areas in the San Joaquin Valley before reaching Merced. Dinner may be taken in the dining car before arriving at the 16th Street Station in Oakland.

Crossing San Francisco Bay by bus you arrive in San Francisco at 7:05 PM and go directly to the Stewart Hotel, your headquarters for two days.

All meals in San Francisco are included in your tour cost. However, so that you will be free to eat at any or several of San Francisco's noted eating places, the cashier will redeem in cash the meal coupon provided.

Thursday — Sixth Day. This morning you'll board your motor bus for one of America's most interesting sightseeing trips, the Deluxe City Tour of San Francisco. This includes the Civic Center, Mission Dolores, Twin Peaks, Golden Gate and Lincoln Parks, Ocean Beach, Seal Rocks, Cliff House, the Presidio and residential districts. The trip will end at noon and the afternoon is yours to do as you please.

You may wish to visit the quaint bazaars of Chinatown in which are found gorgeous silks, carved ivory, cloisonne, teak and porcelain from old Cathay. Indeed there is intrigue and fascination in this wonderful city and your escort will be happy to assist with your plans.

Friday — Seventh Day. Morning is open and after luncheon you are off on another trip long to be remembered. Buses will take you across the beautiful Golden Gate Bridge to Marin County through the town of Sausalito and lushly wooded hills to Muir Woods, where a long stop allows leisurely strolls amid the fabled redwoods in all stages of development from seedlings to 1,000-year-old elders which rise 300 feet and more.

Dinner tonight at Joe DiMaggio's famous restaurant on Fisherman's Wharf, then board your train for the next stop on your trip — Los Angeles, here we come!

Saturday — Eighth Day. And while you are in this glamour city of the West you will be staying at the Biltmore Hotel in the heart of downtown Los Angeles.

As an introduction, this afternoon let us take you on a tour along Mulholland Drive for views of Los Angeles, Hollywood and the San Fernando Valley. See the hillside homes of the stars and on through the valley and Sepulveda Pass to Westwood and the Pacific Palisades. Returning inland you pass Century City, Farmer's Market and CBS Television City.

Coupons are provided for ALL meals scheduled at the Biltmore. Your escort will arrange to exchange these for cash if you wish to eat elsewhere.

Sunday — Ninth Day. Time for Church, then time for play and today we are all kids again in "The Happiest Place on Earth," as we spend this day in the Magic Kingdom of Disneyland.

Mission Inn Garden Hotel, Riverside.

Admission is included and here you will enjoy the thrills of Frontierland — Main Street, U.S.A. — Tomorrowland — Fantasyland and Adventureland as we take you on a tour of Disneyland under the cheerful guidance of their lovely girl guides through this charming land of make-believe. Included in the tour are tickets for six major rides and attractions. Balance of the day is yours to enjoy yourself amid the fun and delights of this world-famous playground.

Monday — Tenth Day. This morning you'll board your motor coach for an interesting drive along miles of sun-sparkling ocean waters — through historic Spanish towns — then to San Diego and your headquarters, the U. S. Grant Hotel.

After lunch your tour continues through San Diego to Point Loma — Land's end at the old Spanish Lighthouse in Cabrillo National Monument. Then on for some fun as we take you to see the world's greatest Sea Show at the Sea World. The Sea Maids greet you and direct you to the many great shows and exhibits and the afternoon is yours to enjoy the Theater of the Sea — the Hawaiian Punch pavilion, Sea Grotto, Murata Pearl's Japanese Village, Tuxedo Junction and many other delights.

Tuesday — Eleventh Day. All morning is open for you to do as you so desire. Then after luncheon you're off on another trip long to be remembered. Buses will take you on a scenic ride north via Mission Hills and beautiful La Jolla, the gem on the ocean. En route you'll stop off at the historic Mission of San Juan Capistrano, famed in song and legend for its swallows, which return each year on March 19.

Shortly before dinner you arrive in Riverside and the lovely Mission Inn Garden Hotel, your home for tonight.

Wednesday — Twelfth Day. During your stay you will be taken on a tour of the Inn, with an opportunity to inspect its galleries; its historic relics; its fine Spanish architecture. Every nook and cranny of the Inn presents some fascinating bit of lore and legend that will delight you hours on end.

After luncheon at the Inn, one more look around then board your motor coach once again for a trip that will take you past the legendary Joshua trees over Cajon Pass and through a portion of the Mojave Desert to the glamorous city of Las Vegas where "the Fun never sets!" Your headquarters will be the Fremont Hotel located in the heart of Las Vegas' famous "Glitter Gulch."

Thursday — Thirteenth Day. All too soon it is coming time to pack your bags with your memories but, before you do, we still have some plans for you. After lunch leave from the Hotel for a motor tour to mighty Hoover Dam with a guided tour of the Dam and power plant and the balance of this afternoon is open to do as you please. Bask in the sun or join in the fun at the Fremont amid down-to-earth western comfort, gracious living and exceptional entertainment.

Dinner tonight followed by a lilting stage production in the Fiesta Showroom featuring some of the greatest entertainers. Then board your Domeliner, "City of Los Angeles" for the return trip home.

Friday — Fourteenth Day. Homeward bound through Weber Canyon and Echo Canyon, then cross Wyoming and Nebraska. As you speed eastward, settle back and enjoy the ever-changing panoramas, delicious meals in the diner and pleasant hours in the lounge.

Saturday — Fifteenth Day. A leisurely breakfast, then arrival in Chicago at noon. Your exciting vacation is ended, but memories of places seen and new friends made will linger in your hearts and minds forever.

"Let's go to Colorado!" It's an old refrain to many. Each summer when vacation time draws near, old-timers as well as first-timers say, "Let's go to Colorado!"

There is something about Colorado that's irresistible—the mountains for one thing. Those rugged old giants with their lofty white heads outlined against the blue sky "pep" one up as nothing else can. Then there is the clean, bracing air . . . the invigorating sunshine . . . the fragrant pine forests . . . the silvery lakes and tumbling streams . . . and the outdoor pastimes that go with all this.

Fortunately, these glorious playgrounds are easily accessible. And on our "RM" Tour you enjoy a Colorado vacation for surprisingly little. Moreover, from the moment you leave Chicago until you return all of your travel expenses are included in the cost of your tour, thus it isn't necessary to carry extra cash with you to cover any meals excluded from the original charges.

Read the day-by-day story—compare the costs with other Colorado tours and you will see what a great travel bargain this really is!

DAY-BY-DAY STORY

Saturday—First Day. You board your sleek Domeliner "City of Denver" in the afternoon and have time to get acquainted with other members of your party before going to dinner, or just relax as your train speeds across Illinois and Iowa.

Sunday—Second Day. You'll enjoy breakfast in the dining car before you arrive in Denver at 9:15 AM. Here you transfer to the Rocky Mountain Motor Bus for the short but scenic ride to Colorado Springs, which is reached at 11:50 AM. Your home will be the new Antlers Plaza Hotel.

Morning is open and as this is Sunday you may wish to attend Church. Luncheon at the Antlers, then at 1:30 PM you leave by automobile for a 40-mile drive, which will include the beautiful residential districts of Colorado Springs, fantastic and colorful Garden of the Gods and High Mesa. You ride up Cheyenne Mountain to the summit, visiting the Will Rogers Memorial Shrine. Return is by way of North Cheyenne Canyon, the High Drive and Bear Creek Canyon—back to the Antlers Hotel for dinner. Evening is open, and if you just wish to relax, watch your favorite TV programs on the color television set reserved just for you.

Monday—Third Day. Breakfast and luncheon at the Antlers. Automobiles leave at 8:00 AM for a 60-mile drive to the summit of venerable Pikes Peak. This thrilling trip will live forever in your memory as every turn of the road brings new and breath-taking vistas. The Peak is detached from the mountain range and the view from its 14,110 foot summit is seemingly limitless. You will return to your hotel about noon and the afternoon is yours to do as you please. For a refreshing plunge or a relaxing Siesta, the Pool and Patio area is the favorite rendezvous. A perfect setting for aquatic frolic or congenial get-togethers.

Leave your hotel at 6:00 PM for the short ride to the "Flying W" Ranch, where you will be served a typical Western Chuck Wagon dinner and enjoy an evening of Cowboy entertainment under the stars.

Tuesday—Fourth Day. Breakfast at the Antlers—then it's time to pack your luggage before leaving at 8:20 AM for an interesting drive to the Air Force Academy with a stop to visit their famous Chapel. Continue to Denver and Central City, early mining town, where gold was first discovered in this area. Here a guide will show you the old Opera House, still in use, and the famed hotel, the Teller House. Luncheon at the Black Forest Inn at Black Hawk.

Time to look around this interesting town before boarding buses for your trip to Rocky Mountain National Park. Traveling by way of Mount Vernon Canyon and Idaho Springs, you will cross the Continental Divide and Berthoud Pass en route to Grand Lake, reached in time for dinner.

Accommodations with bath are provided in rustic cabins—a short walk from the central lodge.

There is entertainment in the evening at the lodge. The nearby village offers movies, dancing and other entertainment.

Wednesday—Fifth Day. All morning at Grand Lake to enjoy your favorite sport or diversion—or to just relax amid these delightful surroundings. After luncheon you say "good-bye" to Grand Lake and begin another exciting trip with breath-taking views of rugged mountain grandeur. You will travel via Milner Pass and over the famous Trail Ridge Road, recrossing the Continental Divide on your way to Estes Park.

Your home for the next two nights is the Estes Park Chalet, nestled at the foot of pine-clad Lily Mountain. The Chalet offers an unlimited variety of outdoor activity and a fireside friendliness that is most refreshing. The setting is perfect for you to do the things you like best to do, when and how you want to do them.

Thursday—Sixth Day. Today is yours—so make the most of every moment. Swim if you please—hike the easy trails or the hard ones—or let your horse do the hiking while you go along for the ride. Whatever you do in this lovely Alpine country makes memories that will live with you forever.

Friday—Seventh Day. Today you have a leisurely breakfast, then leave Estes Park at 9:00 AM for Denver, traveling via scenic So. St. Vrain Canyon. You stop at the Cosmopolitan Hotel for luncheon, while en route to the Union Station and your train—the Domeliner "City of Denver"—to begin your trip home.

After a delicious dinner in the dining car you will wish to spend this last evening of the tour in the lounge car with members of your party, recalling the many happy experiences and grand sights which you have enjoyed together during the past few days.

Saturday—Eighth Day. Breakfast, then Chicago. As you bid your companions farewell you will marvel that so much enjoyment and truly magnificent scenery are possible in a trip of such short duration.

Reduced rate family fares apply

Many of our tour folks have felt that one week in this lovely land of Colorado was far too little time and therefore expressed a desire to stay longer than our regular "RM" Tour permits. Thus we have made arrangements with Elkhorn Lodge — Estes Park's traditional vacation resort — to provide the pleasures for you who wish to remain in this majestic mountainland for these additional glorious days.

After touring and seeing the sights with the "RM" Tour during your first week, we take you the few miles through this evergreen wonderland of spruce and lodgepole pine to Elkhorn Lodge, embraced in the softly folded foothills of Rocky Mountain National Park, and your new home in the Rockies for the next seven happy days.

While here your time is all planned for you; woodsy trails to hike and ride, tall mountains and small mountains to climb, flowery glades that invite you to stretch out and dream; or a crystal stream with trout fishing deluxe. Time to be lazy and time to relax.

Elkhorn Lodge, the most picturesque hotel resort in America's favorite vacation-land, lies tucked in among the mountains — yet is within 5 minutes walking distance of Estes Park Village. 'Tis a lodge to suit your individual whims, the perfect climax to a glorious and memorable vacation — a wonderful experience you'll never forget.

DAY-BY-DAY STORY

Saturday to Friday — First to Seventh Day. Follow the day-by-day story of the "RM" tour in detail on pages 19 and 20 for the description of the first week of your Colorado adventure.

Friday — Seventh Day. After breakfast at the Estes Park Chalet your escort bids you his fond farewell and soon you are on your way to travel the few short miles by bus into the village and to your home in the mountains for the next seven days.

All of the delicious home-cooked meals to delight the gourmet are included during your stay at the Elkhorn Lodge. Rooms attractively arranged with modern furnishings and private bath are provided for your comfortable living during this week of happiness.

Saturday to Thursday — Eighth to Thirteenth Day. These days are yours to call your own — to do as your heart dictates and desires and there is so much to keep you busy every moment. Planned activities and entertainment fill every hour of the day, if desired.

Or would you rather while away the hours sunbathing under Colorado's blue skies beside the pool or just plain relaxin' on the spacious porches of Elkhorn. Not you? Then how about living the life of a carefree "dude" or "dudeen" and really join the fun.

Roosevelt National Forest surrounds the village of Estes Park and — afoot or horseback — you enjoy the trails and adventure up the ridges or explore the quiet forest valleys all around.

For the fisherman, one-half mile of Fall River runs through the Lodge grounds just casting distance from your cottage.

On Sunday morning, transportation to Estes Park Village will be provided to the Church of your choice for those desiring to attend Church services.

A half-day trip to Bear Lake on Monday gives access to a network of trails which lead to mountain summits and penetrate gorges lined with lakes and forests. Truly a day of thrills.

The Coach House, one of the most popular and pleasant facilities, is a rendezvous for relaxation and refreshments. But regardless of your choice of eating locations, whether you partake of a package lunch on the trail or relax in the Four Seasons Dining Room you can be sure you're receiving the finest prepared by a skilled chef and his staff.

Shuffleboard, ping-pong, lazyin' in the sun — whatever you choose, you'll love every moment of your week in this mountain wonderland.

Square dancing in the Village, whether you're an "old-timer" or a "young-timer," to fill your evenings with fun.

Much to do every day — or plenty of loafing and relaxin' time — either way it ends all too soon, and filled with a mingling of wonderful memories, it's time to say goodbye.

Friday — Fourteenth Day. Breakfast at the Lodge — one last, long look at the beauty that is everywhere — and you once again meet your escort who will be with you for your trip home.

Leaving Elkhorn Lodge you travel via the So. St. Vrain Canyon to Denver, stop at the Cosmopolitan Hotel for luncheon and then on to the Union Station and your home on the rails, the Domeliner "City of Denver."

Saturday — Fifteenth Day. After breakfast you reach Chicago at 10:15 AM — once again back to reality but rich with memories of a wonderful vacation.

WHY YOU SHOULD JOIN A UNION PACIFIC ESCORTED TOUR. — "The Best of the West" at the least possible cost. There is the whole story in a few words. The Best of the West — when you are our guest. Plus this: You have the great advantage of knowing at the outset the exact cost of your trip. The tours are planned with every consideration for your comfort, convenience and pleasure. All of the details are arranged in advance and are carefully carried out by our representative, your escort, with the party. He relieves you of all the anxieties of the independent traveler. You are, in fact, more independent in a real sense than the so-called independent traveler as you are entirely free to enjoy to the fullest extent the pleasures of your trip.

ALL-EXPENSE TOUR VACATIONS are ideally suited for young and old alike. Traveling with congenial companions adds a great deal to one's pleasure.

WOMEN TRAVELING ALONE are sometimes hesitant about taking an extended vacation trip. Escorted tours bridge this difficulty. Introduced to other members of the group they will feel "at home" among friends and have the trip of a lifetime.

UNION PACIFIC TOURS ARE QUALITY TOURS. They provide excellent accommodations, include as many attractions as possible and yet maintain a proper balance between rest, recreation and relaxation, and they are moderately priced.

Costs are complete and include **three meals every day** — a special feature exclusively on Union Pacific escorted tours. Comparison with any other is invited.

Only such incidentals as voluntary tips to waiters or waitresses, Pullman porters, coach attendants or bus drivers and such purchases as you may want to make, are extra.

You travel under the sponsorship of an experienced, responsible organization. Union Pacific Tours have been operated successfully since 1900.

"UNION PACIFIC TOURS SATISFY" is more than just a slogan. Evidence is the volume of commendatory letters and favorable comments received. Here are quotations from a few of many similar letters received from former patrons: "Although we have been on other tours, this was our first experience with a tour arranged by your Company, and from now on we will stay with Union Pacific. Nothing was left out and your consideration toward the enjoyment of the tour folks was incomparable." — "On the whole the tour was all that could have been hoped for and more. It was well planned and the meals and accommodations were the best available wherever we stopped." — "The entire tour was wonderful and I especially liked your meal coupon system. I didn't feel penalized just because I am a light eater and was even given refunds as I travelled along."

TRAIN TRAVEL IS ALWAYS COMFORTABLE AND RELAXING

The minute you step aboard you can forget summer's heat in pleasant air-conditioned surroundings. You can dine leisurely in an attractive Dining Car where a choice of skillfully prepared fresh foods tempt your appetite.

Many pleasant moments may be spent with your congenial tour companions in the Lounge or Club Cars provided on most trains for Pullman sleeping car and coach passengers.

GENERAL INFORMATION

Passengers joining Tours at Chicago must check in at Tour Desk near Milwaukee Road train Gate 5, train level floor, of the Chicago Union Station, at time and place indicated on back of your membership coupon book. Here you will meet your escort. If joining elsewhere go directly to the space assigned for your use, as indicated on the front cover of your membership coupon book. Escort will see you there if he should miss seeing you as you board the train.

Purchase Railroad Tickets at Your Home Station. Passengers coming from points other than Chicago may join our tour parties at Chicago or at any regular stopping point en route between Chicago and Omaha. To obtain full benefit of the round trip fares, railroad tickets should be purchased from home station, reading via the route of the tour, as shown in the itinerary.

Family Plan, Reduced Rate Railroad Tickets may be used on all tour departures. See your local agent regarding saving that may be effected.

Children under 12 years of age are entitled to half-fare transportation and various other reductions in tour costs. Rates on request.

Hotel and Lodge Accommodations. Tour rates are based on double occupancy of rooms (twin beds). Rooms with bath are provided at all hotels and lodges used. National Park facilities come under the jurisdiction of the Department of the Interior.

In the Utah-Arizona National Parks, rate is based on standard cabin with shower. Deluxe cabins with bath, if available, are at an additional charge.

SINGLE ROOMS are sometimes available upon request at an additional charge. This charge is payable in advance at time of confirmation of single room and within time limit prescribed. Single hotel rooms CANNOT be sold unless definite confirmation has been received from the Department of Tours. Charges are listed in the rate block of each tour.

Meal Arrangements. All meals, three every day, are included in the cost of all Union Pacific escorted tours. Coupons with stated values are provided for meals taken in dining cars and at certain city hotels. They are accepted the same as cash and you even receive a refund on dining car meals if there are times when you do not use the full value of your meal coupons or if you should skip a meal entirely.

Only Union Pacific Tours give you this advantage.

This same refund arrangement is also true at most city hotels, thus giving you the freedom of choice of fine restaurants without the necessity of carrying extra money with you to cover costs of meals not included in the original charges.

Meal coupon values vary depending upon prevailing prices on trains and hotels used. In every case coupon values permit a liberal choice of entrees.

Escorts arrange settlement for all meals for which individual coupons are not provided.

Equipment — Pullman. All regularly assigned sleeping cars will be lightweight, streamlined, air-conditioned cars, providing a choice of accommodations, assuring you of every comfort. Rate quotations shown following each tour itinerary will indicate the various types of accommodations carried on each particular tour.

Coach — Regularly assigned coaches with leg-rests are provided for tour patrons while tours are moving on: the Domeliner "City of Denver-Portland"; the "Challenger" Domeliner, the Streamliner "City of San Francisco," and the Domeliner "City of St. Louis."

Leg-rest coaches are not available on other trains used by our tours.

Lounge car facilities for Pullman and Coach passengers are available on most trains used.

Baggage Insurance — Insurance to cover loss or damage to baggage and personal effects should be purchased through your railroad baggage office or ticket office or through your travel agent.

Baggage. One or two suitcases or bags will hold sufficient clothing for your entire trip. The Department of Tours will pay for transfer charges and tips for handling of this baggage at all stopping points while with the tour. Individuals are urged to carry their own cosmetic cases because of their fragile nature.

Baggage should never be checked on the baggage car from home station to Chicago or any point on the tour due to the possibility of it being delayed en route.

One piece of baggage, weighing not more than twenty-five pounds, will be carried free in the National Parks. If it is desired you may also carry a small overnight bag with you. Additional baggage may be checked free at park gateways. The Department of Tours assumes no responsibility for baggage or personal effects, but in the event of damage, delay or loss, will do all in its reasonable power to lessen the hardships incurred. Your escort will furnish special baggage tags to attach to each piece of luggage which you desire him to handle.

Wearing Apparel. Warm summer days suggest lightweight clothing, however nights in mountain regions are cool and top-coats, sweaters and weatherproof outer garments are desirable. Sport or casual clothes are most practical for travel en route and in the parks. A business suit for men, a couple of informal dresses for women, suitable for dinner or evening wear, are suggested. Bring your camera, a pair of colored glasses and, of course, shoes suitable for hiking.

Church Services. Your escort will be fully informed regarding Church services at places visited on Sunday.

Mail and Telegrams should be addressed to the various hotels shown in the itinerary of the tour you are taking. Specify "Member of Union Pacific Tour YT-5" or whatever the particular designating letter and number may be.
