WHY not a vacation in the Colorado Rockies? Colorado offers much indeed—the magic of exhilarating air and sunshine, the restful peace of lofty mountains, the thrill of horseback trails, the romance of starry nights.

Where, but in Colorado, is so much *real* vacation?

And the best part is that Colorado is so near, so accessible, so inexpensive. Why, for no more than the cost of an ordinary, near-at-home outing, you can enjoy a real mountain vacation in Colorado.

Here's a "sample" of what our eight-day "RM" Tours offer: A delightfully cool, restful ride to Colorado . . . a four-day, scenery-packed tour of Rocky Mountain National Park . . . a visit to the famed scenes of Colorado Springs, Pikes Peak and the Garden of the Gods . . . and then beautiful, mile-high Denver.

The cost of this tour is as little as \$74.35, all expenses included. It's a bargain, and the low price puts it within reach of almost everyone.

Old Faithful—Yellowstone. It always performs "on schedule"

EVEN the thought of seeing Yellowstone quickens the pulse. But to "do" this famous national park on our "Y" Tour is a vacation treat you'll remember for many a year.

"Y" Tours leave Chicago Saturday and Wednesday evenings. You enjoy the comfort of completely air-conditioned trains—wonderful meals—easy riding automobiles—the finest hotels—fascinating Salt Lake City.

While the "Y" Tour is planned primarily for those who have only one week at their disposal, not one of the feature attractions of Yellowstone is omitted. And what a show it is! The geysers; boiling springs; petrified forests; a canyon of gorgeous hue and color; Yellowstone Falls, higher than Niagara. Actually, you see this famous Museum of Natural Wonders from one end to the other!

The cost is surprisingly little—prices range from \$114.13 for the entire tour from Chicago using hotels in Yellowstone (\$1.00 less if lodges are used). And this price includes everything.

Would it be more convenient to start your Yellowstone tour on Sunday evening rather than Saturday or Wednesday? You can. Our "S-Y" Tour is the same as our "Y" Tour except that it leaves Chicago Sunday and spends an extra day in Yellowstone—a wonderful vacation.
