

YOU MAY NOW ENJOY

FRENCH  
CUISINE

ON THE  
*New Streamliner*  
CITY OF LOS ANGELES

DINNER in the smart dining car of The New Streamliner, "City of Los Angeles", is now an experience to delight the most fastidious gourmet. Choice foods, skillfully prepared in the French Continental fashion by chefs devoted to their art, are served, course by course, with the impeccable finesse of the most renowned restaurants in France. Wines with your dinner — cafe royale if you wish. ● Your menu presents every item of a French Continental dinner. The service emulates that of the most popular Parisian restaurants. Our purpose is to transplant, for your pleasure, a bit of the "Continental" to help make your transcontinental trip an unforgettable experience in travel pleasure.

# The Continental Dinner

To make this interesting service most enjoyable to you, the dining car personnel solicits your cooperation. Dinner will be served at two appointed hours—6:00 and 7:30 in the evening except leaving Chicago and Los Angeles. The steward will call on you to determine at which hour you prefer to dine. He and his staff will greatly appreciate your co-operation in order that dining car guests be seated promptly at the hour of their choice.
