SUN VALLEY, IDAHO

PROBABLY no other sports center in the world has become so popular in such a short space of time as Sun Valley.

During the winter months, and well into spring, skiing and other healthful sports are popular. There are unlimited miles of snow-covered mountain slopes not "obstacled" by timber or rocks. The snow is "powder"—dry and uncrusted—the delight of all skiers. Chair ski-lifts and snow-tanks carry skiers to the mountain tops. The moisture-free air does not penetrate and surrounding peaks protect from biting winds. While primarily a ski center, skating, sleighing, dog-sledging and ski-joring have their share of followers.

During summer and fall, Sun Valley guests enjoy horseback riding, tennis, badminton, bicycling, fly-casting, skeet and trap shooting . . . and swimming in outdoor pools. And there's a new tricky golf course. Thrilling pack trips lead into primitive regions where the fishing and hunting is as abundant and varied as you'll find anywhere.

Sun Valley Lodge is the finest hostelry of its kind . . . and Challenger Inn features moderately priced accommodations and meals. Both are "European plan".
