VITAMINS FOR VICTORY

EVEN vitamins will help to win the war and Uncle Sam is making certain that his men are getting plenty of vitamin-rich fresh vegetables and fruits.

Carrots, for example, are of particular importance to the air force. In addition to health-building Vitamin A they also provide Carotene which helps to prevent night blindness.

From the fields of the West, Union Pacific transports immense quantities of fresh vegetables and fruits to military supply depots and civilian markets.

It's a patriotic duty for *all Americans* to keep fit. Eat vitamins for victory!
