

*M*ost exquisitely colorful of our National Parks is Bryce Canyon, etched by erosion into the color-banded limestone cliffs of the Paunsaugunt Plateau in Southwest Utah. This region is truly one of nature's art galleries, filled with delicately-carved statues and fantastic figurines. Wind, rain, frost, melting snows, alternating heat and cold, and other agents of erosion are the artists, and their skillful work never ceases.

Nature has dipped lavishly into her many-colored palette for tints of red and burnt orange, rose petal pinks and off-whites, making Bryce the most sparkling gem among our National Parks. Bryce, in its cameo-like delicacy, is an artist's dream come true.

Bryce Canyon National Park is reached by motor bus from Cedar City, Utah, on the Union Pacific Railroad, and there are ample accommodations for visitors.

# Quality Meals at Budget Prices . . . These Days?

Yes! Despite spiralling costs of foodstuffs and the many other features involved in providing meals in the limited facilities of a dining car, Union Pacific now brings you quality meals at prices to suit your vacation and travel budget.

Minus a few frills of more elaborate dining car service, these are the same wholesome and substantial meals which have made the Union Pacific famous as a railroad for family and budget travel.

We feel confident the traveling public will eagerly accept this refreshing and welcome economy and we pledge a continuing policy of high quality food and attentive service.

We invite your personal reaction to this innovation in dining car service.
