

Within the State of Colorado is a greater profusion of mountain scenery than can be found in any other comparable area in America. Furthermore it contains most of the 14,000-foot peaks of this country. Among names of wide fame are Pikes Peak, Longs Peak, Holy Cross Mountain and Mount Evans. Atop Lookout Mountain, near Denver, is the grave of W. F. Cody (Buffalo Bill), visited annually by many thousands of tourists.

The most noble grouping of these mountain masses is to be found in a compact area of about 400 square miles, some 70 miles northwest of Denver. This region, set aside as a national playground, is known as Rocky Mountain National Park. The famous Estes Park and Estes Park village are adjacent to its eastern entrance. Bear Lake, Dream Lake, Fern Lake and other mountain-rimmed bodies of water of similar beauty are found in its inner recesses.

Bear Lake and Hallett Peak—One of the great scenic gems in Rocky Mountain National Park, Colorado.

Quality Meals at Budget Prices . . . These Days?

Yes! Despite spiralling costs of foodstuffs and the many other features involved in providing meals in the limited facilities of a dining car, Union Pacific now brings you quality meals at prices to suit your vacation and travel budget.

Minus a few frills of more elaborate dining car service, these are the same wholesome and substantial meals which have made the Union Pacific famous as a railroad for family and budget travel.

We feel confident the traveling public will eagerly accept this refreshing and welcome economy and we pledge a continuing policy of high quality food and attentive service.

We invite your personal reaction to this innovation in dining car service.
