Coach passengers.

So, by all means, visit "The PUB" for a refreshing beverage and friendly companionship. It is open to both Pullman and Coach passengers.

Anyone who has ever visited the British Isles will find that fond memories are again brought to life in this tavern-type club car. And even if you've only heard about the changing of the royal guard, Piccadilly and the Strand, you'll be charmed and intrigued by the mellow Old English atmosphere.

Club Lounge

... another favorite gathering spot for Pullman occupants. Here you can pleasantly relax while listening to soft radio music... write a "wish you were here" letter or card... sip your choice of beverages... select a current periodical from those available on the magazine table... or take part in a friendly card game. Cigars and cigarettes, stationery, stamps and playing cards are carried in the Club Lounge.

There's Coolness and Color in Colorado

Centrally located, convenient to vacationists from all points of the compass, it is only natural that cool, mountainous Colorado attracts many thousands of visitors during the warm summer months. Snow-clad peaks, singing streams and sapphire lakes, provide an alluring combination.

Adjacent to the metropolitan Denver area there are many scenic spots such as Colorado Springs, Estes Park, Grand Lake and others offering reasonably priced accommodations and a variety of recreation.

Where dining is a pleasure

To stimulate and please the appetite with the choicest of freshly prepared foods is a "City of Denver" tradition. You'll be pleased with the design and appointments of this beautiful dining car . . . the crisp, immaculate linens, the sparkling crystal and gleaming silver. If your taste is captivated by a certain food item, a complimentary second portion is yours for the asking. For guests who are calorie conscious, the dining-car chef will prepare a tasty salad to appease the appetite.

Family Travel Plan

Travelers are really amazed at the big saving in rail fares which this Family Plan makes possible. You can take advantage of this plan when there are two or more persons traveling as a family group. There's a liberal baggage allowance, too. The only requirement is that the family party board the train for the going trip on any Monday, Tuesday or Wednesday. Return trip can start any day.

It is only overnight between Chicago and Denver on the smooth-riding "City of Denver." You'll find it to be a very restful, refreshing night in one of the various Pullman accommodations.

There is a wide selection of sleeping car space including drawing rooms, compartments, bedrooms, roomettes and berths. Naturally, room space gives you complete privacy with essential conveniences. You have finger-tip temperature control and porter service at the touch of a button.

Air conditioned berths are curtained for seclusion and provided with fresh, spotless linen and warm blankets.

The Streamliner "City of Denver" operates over the smooth rails of The Milwaukee Road between Chicago and Omaha, arriving and departing Chicago Union Station.

Go Coach FOR ECONOMY

When feeling budget-minded it's smart to reserve one of the deep-cushioned Coach seats. They were designed to give you all possible comfort on your overnight trip. You can adjust the back to a restful, reclining position. There are stretch-out leg rests fitted with foam rubber. And these modern "City of Denver" Coaches provide adequate leg space between seats.

On the overhead racks, there's plenty of room for hand luggage and wearing apparel. Each Coach is equipped with large, immaculate restrooms for men and for women.
