FIRST PAGE The Domeliner "City of Los Angeles" is one of a fleet of such trains in daily service on the Union Pacific Railroad. Between both Chicago and St. Louis, on the East, and the principal cities of the West, they provide swift, safe, luxury travel and are the favorites of many thousands of travelers. The "City of Los Angeles" and "City of Portland" feature Dome Dining Cars and dome observation lounge cars. The latter train also carries a dome coach.

JANUARY Erosion, the tireless sculptor in nature's processes, carved Zion Canyon from the red and white sandstone cliffs of Southern Utah. Along its walls were left many beautiful rock temples.
