FIRST PAGE The Domeliner "City of Portland" is one of a fleet of luxurious Union Pacific trains providing daily service from such Pacific Coast cities as Seattle, Portland, San Francisco and Los Angeles to Chicago and St. Louis. For smooth, relaxing, comfortable travel these sleek trains are unsurpassed. *1/5 second, F28, Daylight Color Film, 8x10 Eastman 2D Camera, 10 inch Wide Field Ektar Lens.*

JANUARY Hoover Dam, one of man's most daring engineering feats, combines symmetry with utility as it holds back a huge body of Colorado River water in beautiful Lake Mead. It serves jointly for vast power production, flood control and irrigation purposes. The waters of Lake Mead provide a recreational playground for boating, swimming and fishing for tourists and residents of near-by Boulder City and Las Vegas, Nevada. *Double Exposure.
