

*L*ike jewels waiting discovery, beautiful sapphire-hued lakes lie snugly in the mountain fastnesses of the Rockies. Here Lake Marie rests under a sheltering upthrust of the Snowy Range. Medicine Bow National Forest surrounds this area in Wyoming, near the Colorado border. Off the beaten path, this region is dotted with hospitable Dude Ranches—the friendly, informal, western kind, where living is simple and easy, and encouragingly low in cost.

Melting snow feeds fast streams, where big gamy trout await the fisherman. Trails for saddle trips range far and wide, through mountain meadows and quiet forests. Warm, friendly hospitality is a way of life in this big country.

Not far away is Union Pacific's smooth transcontinental line, where Domeliners, Streamliners, and other trains from both east and west make convenient stops at the cities of Laramie and Cheyenne.

*L*ovely Lake Marie lies in the scenic Snowy Range of Southern Wyoming.

## Ala Carte
