

The Great White Throne towers a half mile above the valley floor in Zion National Park in Southern Utah. It is one of the most inspiring and majestic mountain rock formations on the face of the earth. Its sheer slopes seem forever changing with magic light. Also adding to Zion's beauty is the colorful Temple of Sinawava, another of the many masterpieces created by nature in this western wonderland.

Only a few years ago the wonders of Southern Utah were part of a little-known virgin mountain wilderness. Today, however, trails have made it accessible, and the region is enthusiastically proclaimed by thousands of visitors. In the heart of Zion Canyon is attractive Zion Lodge with modern facilities for guests.

Zion National Park is linked by paved highways with Utah's Bryce Canyon National Park and the Grand Canyon National Park of Arizona. They present a succession of scenic wonders that go to make one huge spectacular panorama.

Many travelers enroute to or from California, via Union Pacific, arrange for stopover privileges at Lund, Utah, to visit these world-famed National Parks.
