## THE UNION PACIFIC WEST...A FOUR-SEASON VACATIONLAND

The Union Pacific serves more Western Wonderlands and National Parks than any other railroad . . . as this map shows. Here in the historic and romantic West you will find innumerable answers to your vacation desires . . . unlimited resort facilities from the Rocky Mountains to the Pacific Ocean, from border to border . . . gay metropolitan cities as well as historic places. Whatever the season you'll find your favorite sport, recreation or just relaxed sightseeing available.

If you live in the West you can, of course, enjoy equally fine service to and from the East via Union Pacific. It is easy to visit any of these scenic regions when you make a business or vacation trip East.

Consider well the comfort and safety of travel by train which provides many services and conveniences that other modes of travel simply do not offer. You ride in the perfect comfort of modern air conditioned cars. You need not be concerned with the weather . . . you're safe from the elements . . . warm in winter and cool in summer.

Through the wide, glare-proof windows of the Dome cars an interesting ever-changing panorama passes in review. Up ahead

the engineer does the driving so you have no traffic worries — just carefree relaxation all-the-way. When it comes time to dine — you can eat just about when and what you wish, and it is tasty, appetizing food, prepared by skilled chefs and courteously served in well-appointed dining cars.

When you travel to and from the West treat yourself and family to the finest in train service . . . Union Pacific Domeliners: "City of Los Angeles" and "The Challenger" between Chicago, Omaha, Salt Lake City and Los Angeles; the "City of San Francisco" between Chicago, Omaha and San Francisco; the "City of Portland" between Chicago, Denver and Portland (Tacoma-Seattle); and the "City of St. Louis" between St. Louis, Kansas City, Denver and Los Angeles or San Francisco.

### DEPENDABLE FREIGHT SERVICE

The Union Pacific is a great transcontinental rail thoroughfare to and from the West. Its freight service for the nation's shippers, domestic as well as import-export freight, is unsurpassed. Around the clock, over smooth rails under electronic control, great trains of freight are moving the products of farm or factory, forest or mines, to enrich the economic well-being of the nation.
