# Golden Days in the Golden West

## Some of the wonderful things you'll see and do!

### 1ST DAY saturday

On the date you've selected to begin your thrilling California adventure, you'll board your Domeliner, the CITY OF LOS ANGELES, early in the evening at Chicago and then — Westward ho!! Your enjoyment begins immediately with dinner in the dining car.

### 2ND DAY sunday

What a pleasant way to travel and relax in your comfortable accommodations. You're on the trail of the '49ers and the brave Mormon pioneers as your train wriggles its way through the Canyons of Utah and now the true West begins to unfold with its buttes and crags, star-spangled skies and golden sunsets. This day you'll relax and enjoy your breakfast, luncheon and dinner in the dining car.

### 3RD DAY monday

The great "light way" of Las Vegas is blazing brightly when you arrive in this famous city early in the morning. Your headquarters—the famed "Broadway of the Desert," the Riviera Hotel, located in the heart of Las Vegas' glittering "Strip."

The hour on the clock sounds sleepily early, but don't forget you have "gained" two hours with the change in time zones, so it's really the same time as you always get up — but today it's for play. At 9:00 A. M. you leave from the Hotel for a motor tour to mighty Hoover Dam with a guided tour of the Dam and power plant. Return to Las Vegas at 1:00 P. M. and the balance of this day is open for the pursuits of your desires.

The "keynote-of-life" at the Riviera is a perfect blend of Park Avenue elegance, Broadway glitter, Las Vegas excitement and down-to-earth western comfort. And tonight you will sample all of this as we take you to dinner in the Versailles Room followed by a lilting stage production featuring the world's greatest entertainment personalities.

### 4TH DAY tuesday

Another early start today—but you are on vacation and there is much to see and do, so waste not your time with sleep. You take leave of this exciting city and board your Domeliner, the CITY OF LOS ANGELES, en route to the next chapter of your vacation adventure, the Golden State of California!

Passing on through picturesque Cajon Pass you travel along miles of well-kept vineyards and citrus groves into the colorful city of Los Angeles and your home the famed Biltmore Hotel.

### 5TH DAY wednesday

At 9:15 A. M. you take leave of the Hotel bound for the enchantment of "The Happiest Place on Earth"—the Magic Kingdom of Disneyland. Admission is included and here you will enjoy the thrills of Frontierland—Main Street, U.S.A.—Tomorrowland—Fantasyland and Adventureland as we take you on a tour of Disneyland, under the cheerful guidance of their lovely girl guides through this charming land of make-believe. Included in the tour are tickets for six major rides and attractions. Lunch at Disneyland.

Just a hop, skip and a jump to our next stop — the "Stars Hall of Fame", the famous Movieland Wax Museum. Here you will see fantastic wax likenesses of more than 90 of the greatest stars in the entertainment world—from the silents, to cinema-scope, to television. Sixty magnificent sets, accurate to the most minute detail. You'll never forget your memorable moments at this shrine to the stars — but now we must move on to our next stop, Knott's Berry Farm. You will want to visit Ghost Town — the Gold Mine, Little Chapel, Livery Stable, General Merchandise Store and many other relics of the pioneer days.

### 6TH DAY thursday

Breakfast at the hotel and at 9:15 A. M. leave by motor for a most interesting sightseeing trip as mile after mile of scenic charm unfolds before you. See Beverly Hills, the Brown Derby, Grauman's Chinese Theater, and Hollywood Bowl.

Then two hours of thrilling sights in Universal City of Magic Movieland seeing behind the scenes of movie making and the fabulous visitor's village. Bring along your camera as, for the first time, you will be permitted to film the many fabulous sights inside the world's largest motion picture studio.

### 7TH DAY friday

All day today is yours to do with as you please. Perhaps there are friends you'd like to visit, some shopping that must be done or other points of interest to be seen. If you have difficulties in finding your way around, your escort will be happy to assist you.

But be sure to polish up your dancing shoes as tonight we take you to the world-famous Hollywood Palladium for dinner and dancing to the strains of Lawrence Welk and his Champagne Music Makers. (NOTE: As Mr. Welk will not be at the Palladium, tours WC 2-9-10-15 will have dinner and entertainment at the Ambassador Hotel.)

### 8TH DAY saturday

This morning you board the "Coast Daylight", famous train that makes the daylight trip along the coast en route to Monterey. In easy comfort you speed along a rocky coast of unbelievable splendor — along miles of sun-sparkling ocean waters—through historic Spanish towns—then to Salinas, gateway to Monterey. Transfer to a motor coach for the short ride to Monterey and your home for two nights—the Casa Munras Hotel. (NOTE: WC-1 will stay at the Asilomar Hotel in Pacific Grove on the Monterey Peninsula; WC-5 will stay at the Mark Thomas Inn in Monterey; WC-6 will stay at the Highlands Inn, Carmel.)

After dinner, the balance of the evening is yours to enjoy and relax and dream about the sights that still await you. For tomorrow we will take you on a tour of such spectacular beauty that it will remain indelibly imprinted in your treasured book of memories. Big Sur—San Simeon—Hearst Castle—all spine-tingling names of places offered only on Union Pacific "WC" tours.

### 9TH DAY sunday

Time to attend Church services before leaving at 8:30 A. M. Superlatives cannot describe the beauty that will fill your hearts today on this tour of tours. Your route will be along the gorgeously scenic highway carved from the sheer granite walls of the towering Santa Lucia Mountains, with the pounding surf of the Pacific always in view. Through Big Sur, outstandingly beautiful site of a recent movie, to San Simeon Lodge for lunch.

La Casa Grande, the fabulous Hearst Castle, was formerly an object viewed by travelers only through a telescope in the seaside town of San Simeon. Now, with the approval of the Hearst family, this medieval-like Shangri-La is open to all and today you are a guest as we tour its magnificent grounds and buildings. Leaving this "shrine of beauty" we retrace our route along the timbered sides of the rugged Santa Lucia, accompanied by the grandeur of the ocean as it vanquishes the setting sun.

### 10TH DAY monday

Before we bid goodbye to lovely Monterey, let us travel the "Circle of Enchantment", the world-famous 17-Mile Drive of incomparable grandeur, snow-white sand dunes, wind-twisted cypress trees and mysterious pine forests. Continue on via the vine-covered San Benito Hills, stopping for a sipping acquaintance with wines produced by Almaden. Lunch at the Don Pacheco Inn.

After lunch our route is over Pacheco Pass to Merced where we transfer to the Yosemite bus for a thrilling ride through the Merced River Canyon to awe-inspiring Yosemite and our new home for two nights — the lovely Ahwahnee Hotel.

### 11TH DAY tuesday

What a wonderful place to be — amid the glacial carved ruggedness of the Yosemite Valley. Today has been set aside for a complete sightseeing tour of tours and it is yours to enjoy the many natural wonders of Yosemite—huge granite domes—feathery waterfalls and mighty cataracts. There's Half Dome, which for eons of time has looked down upon the Valley — Bridalveil Falls with its delicate spray — Yosemite Falls, the highest in the Valley, with a drop of 2,425 feet — El Capitan, rising a sheer 3,000 feet from the Merced River and eternally guarding the west entrance of the Valley — and the unforgettable Mariposa Grove of Big Trees, the earth's oldest and largest living things.

### 12TH DAY wednesday

The morning is yours to enjoy the beauty that is everywhere. Take one last look all around before you'll leave this lovely Valley and be on your way to Merced and your train, the "San Joaquin Daylight" bound for San Francisco. In this enchanted city of the Pacific, your home for the next two nights will be the charming St. Francis Hotel.

### 13TH DAY thursday

The morning is open to browse around on your own. Then at 2:15 P. M. you'll board your motor bus for one of the most scenic drives in America, the "Thirty-Mile" Drive of San Francisco. Through the Civic Center and to Mission Dolores — Twin Peaks for a magnificent view of the city, bay and ocean — the Japanese Tea Garden in Golden Gate Park then to the world-renowned Cliff House, overlooking Seal Rocks and the blue Pacific.

The return takes you past the approach of the Golden Gate Bridge, the Presidio, Marina and Yacht Harbor, Fisherman's Wharf and back to your headquarters, the St. Francis Hotel.

It hardly seems possible that two weeks could pass by so quickly and it is now almost time to turn toward home once again. But before we do, let us just once more gather together tonight in San Francisco to enjoy the camaraderie of our newly found friends in a farewell dinner at our lovely Hotel.

### 14TH DAY friday

Because there are so many things to do and see in San Francisco, no group activity is planned for today. You'll want to visit some of the many unusual shops and stores; perhaps revisit places passed yesterday or arrange to lunch in Chinatown or at Fisherman's Wharf. You will enjoy every hour. For San Francisco is a "jewel of many facets" and even the most seasoned globe trotter will find much that will interest and intrigue.

In mid-afternoon leave the hotel and take a last lingering look at San Francisco's striking skyline while en route across the Bay to Oakland, where you board the Streamliner "City of San Francisco", homeward bound.

### 15TH DAY saturday

Before breakfast time you'll experience the thrill of "going to sea by rail" as your train crosses the Great Salt Lake, arriving Ogden in early morning. Now you are on the Union Pacific Railroad and through the day your scenic menu consists of many rugged formations—the Wasatch Mountains, Weber Canyon, Echo Canyon and the Rocky Mountains. At Creston, Wyoming, you cross the Continental Divide—then Cheyenne, and soon after enter Nebraska.

This has been a day of ever changing scenery — leisurely meals in the dining car and pleasant hours in the lounge.

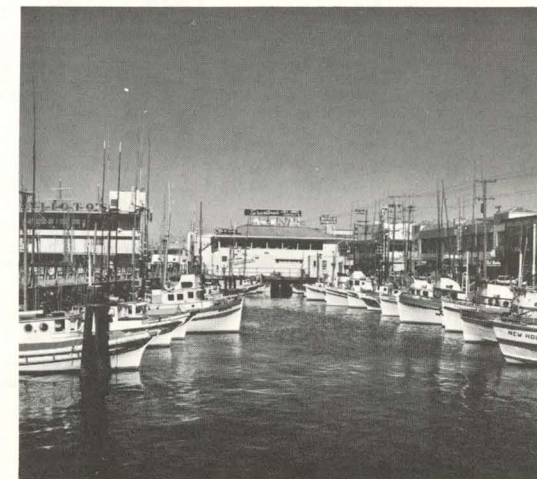

### 16TH DAY sunday

And so in early afternoon a glorious vacation comes to a close with your arrival in Chicago. But your memory will forever cherish the vision of sunny skies, shrouded mountain peaks, the sparkle of Pacific waves, the great peace of whispering evergreen forests — truly happy memories of your wonderful California adventure.
