DEFENSE BONDS AND STAMPS

Had a long trip
 over now about half
 way - will stop a
 day in St. Louis to
 rest up - Cuddy doing
 fine - but won't be
 able to go on duty
 for a few more weeks.
 Hope all are well.

The "Frontier Shack" is a unique refreshment car on the twin twelve-car streamliners "City of Denver." These fine trains operate on a sixteen-hour daily schedule between Chicago and Denver via the Chicago North Western Railway and Union Pacific Railroad.
