UNION PACIFIC RAILROAD, OMAHA, NEBRASKA

For more than 75 years Union Pacific has served 11 western states . . . transported their people and products. This vast territory has the natural resources and facilities required for peacetime agricultural and industrial expansion. And to homeseekers these western states offer a healthful contented life among friendly people in scenic surroundings.

*This card is No. 12 of a series featuring each state served by the Union Pacific Railroad.*
