### UNION PACIFIC ESCORTED ALL-EXPENSE TOURS

The Department of Tours of the Union Pacific System has been planning and operating escorted, all-expense tours since 1925.

The tours were a success from the very start. That they have been popular with the vacation public is amply attested by the fact that each season has witnessed a greatly increased number of enthusiastic patrons.

As a member of one of our escorted all-expense tours you travel with a congenial group of people to whom you are introduced by your Union Pacific representative. He is cheerful and trustworthy, experienced in travel affairs and trained especially for his work.

Our "all-expense" tour service offers you the great advantage of knowing at the outset the exact total cost of your trip. You are relieved of the anxieties and troubles of the independent traveler; all the details of your trip are arranged in advance and are carefully carried out by our representative with the party. You are, in fact, far more independent in a real sense than the so-called independent traveler, as you are entirely free to enjoy to the fullest extent the pleasures of your trip.

#### ALL EXPENSES IN A LUMP SUM

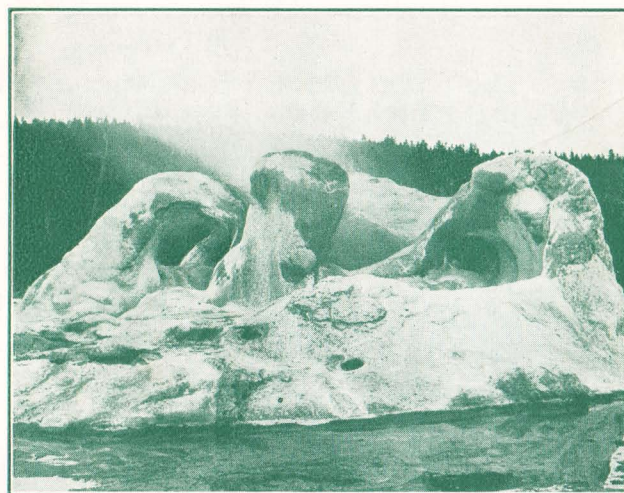

You purchase all of the tour features in one lump sum. No hotel reservations to make—no sightseeing to arrange—no baggage worries. Everything is handled for you by the escort. He is your personal representative.

Hundreds of women, as individuals, have joined our escorted tours. The arrangement offers an opportunity for the busy business man to send his wife, mother, sister or

daughter on a safe vacation amid congenial surroundings. Don't let your vacation trip be a lonesome one. There's nothing more pitiful than to be alone on a vacation trip—trying to enjoy yourself by yourself because you don't happen to know anyone who wants to go where you want to go.

And there is no need of it! Join a Union Pacific "Yellowstone Tour" and be assured of pleasant company all the way,—congenial fellow travelers with whom you will spend many happy hours. You will make lasting friends and enjoy their acquaintanceship for years to come.

Escorted all-expense tours leave Los Angeles on the "Los Angeles Limited" at 6:05 P. M. June 21; July 5; July 19; August 2; August 16; August 30 and September 13.

#### ITINERARY

**SATURDAY:** Leave Los Angeles from the Central Station at 6:05 P. M. on the "Los Angeles Limited."

**SUNDAY:** En route through Nevada and Utah. Early risers will see the famous Rainbow Canyon. For 26 miles the Union Pacific line follows the floor of this canyon. Not only is the coloring of the surface extremely striking, varying from pure white to ochre, vermillion and different shades of green, but the rock formations of the walls are quite individual in character and present many fantastic shapes, such as castles, Indian heads, etc. Breakfast and luncheon are served in the dining car. Dinner at Hotel Utah, Salt Lake City.

#### AT THE PARK ENTRANCE

**MONDAY:** Early in the morning you arrive at the attractive Union Pacific-West Yellowstone gateway (the only entrance directly on the Park boundary). The cool crisp air exhilarates. Something tells you that you are on the threshold of a tremendous scenic adventure. After breakfast, in the handsome new Union Pacific System dining lodge, you board automobiles which have been reserved in

advance, and set forth on a five days auto tour that will realize most of your dreams.

This informal story will not attempt to portray the glories of the Yellowstone. It is assumed that you have heard about it and read about it and seen pictures of it all your life. If this be true, you are concerned now about practical matters which have to do with how you see it.

#### STOP AT HOTELS OR LODGES

Palatial Yellowstone Hotels or Delightful Permanent Lodges. You have heard of that poem in rusticity, Old Faithful Inn! Less famous, but more spacious and luxurious, is the Grand Canyon Hotel, an inspired adaptation of European hotel ideas to Yellowstone environment. The lounge of this hotel is large enough for a thousand couples to dance at one time. Over night stop is made at each of the Yellowstone Park hotels.

Escorted service is also provided with the Yellowstone Lodge Company for passengers who prefer these popular rustic accommodations. The lodges are located near the hotels. They are clean, comfortable, and sanitary; and the service emphasizes all the wholesome pleasures of "camping out."

#### EN ROUTE TO OLD FAITHFUL

The morning ride is from West Yellowstone Station to Old Faithful, a distance of twenty-nine miles. You make a wise choice in entering the Park at this Western Entrance because the government road from this point, winding through the Park, brings you to the principal attractions in their proper sequence. Old Faithful Inn is in the heart of the Upper Geyser Basin where all the great geysers are located. You can sit on the broad gallery of the Inn and watch Old Faithful play only 200 yards away! During the afternoon the party is taken over the Basin. By nightfall you will agree that this is the "most weird spot in the Universe."

**TUESDAY:** The morning is spent at Old Faithful. Short walks from the hotel discover multi-colored pools and

more geysers. After lunch a 35-mile motor trip takes the party to Lake Hotel, overlooking Yellowstone Lake. The late afternoon affords time for fishing, boating, hiking, or "just resting." After dinner see the bears, big and little, cinnamon and "silvertip", come out of the forest for their twilight meal.

**WEDNESDAY:** Leave the hotel at 10:00 A. M., drive twenty miles to the Grand Canyon, visit Artist Point and arrive at the Canyon Hotel at noon. The Grand Canyon is one of the most brilliantly colored spectacles in nature. Great cataracts tumble into its depths. One of these falls drops a greater distance than twice the height of Niagara Falls.

#### THE SUBLIMITY OF GRAND CANYON

**THURSDAY:** The fourth morning is also spent at the Canyon. You will wish you could stay a month. If you are robust, you can climb down into the Canyon and discover new sensations in its sublime depths. At 1:15 P. M., party boards motor cars and goes northward through Dunraven Pass, visiting Tower Falls and the strangely different Lower Canyon of the Yellowstone. This part of the ride takes you over the Chittenden Road, which is superior, scenically and from an engineering standpoint, to any other road in the Yellowstone region. Bowknot curves, lofty passes, broad vistas, overhanging cliffs, pinnacles, waterfalls, wild animals and wild flowers make up a partial list of the attractions on this route, ending at Mammoth Hot Springs Hotel.

#### TERRACES OF MAMMOTH HOT SPRINGS

**FRIDAY:** Tour party spends the entire morning in an inspection of the terraces of the Mammoth Hot Springs. Since the destruction of the pink and white terrace of New Zealand these springs stand without counterpart in the world. After visiting this region, Jupiter Terrace, Hymen Terrace and Devil's Kitchen will be woven in the fabric of lasting memories. At 1:30 P. M. the last afternoon in the Park, you leave Mammoth, driving south and west forty-seven miles to West Yellowstone Station. Stop is made

en route at Norris Geyser Basin. The late afternoon ride down Madison River Canyon ends your visit to Nature's Great Museum where she exhibits, as nowhere else, cascades, cataracts, hot spring terraces, geysers, multi-colored mud pots, petrifications, colored canyons and wild animals. Dinner is served in the Union Pacific dining lodge. Pullmans are conveniently parked and are ready for occupancy immediately after dinner. Leave West Yellowstone at 7:00 P. M.

#### SIGHT-SEEING IN SALT LAKE CITY

**SATURDAY:** Arrive Salt Lake City at 7:30 A. M. Special automobiles are waiting to take you to the Hotel Utah for breakfast, after breakfast visit the Mormon grounds, and again board automobiles for a leisurely sightseeing tour of the city. This will include the historically famous Mormon places, the broad boulevards, parks, civic centers and a visit to the magnificent state capitol building, terminating at the Union Pacific Station, where you board your Pullman which leaves for Los Angeles on the "Los Angeles Limited" at 10:50 A. M. Luncheon and dinner in the dining car.

**SUNDAY:** After breakfast in the dining car you arrive at the Central Station at 9:10 A. M. Reluctantly you leave the train, saying goodbye to the many new friends with whom you have traveled these past seven days.

Never have you enjoyed a vacation trip which was so free from care and travel details! No precious holiday hours were wasted in securing tickets and reservations before starting from one point to the next. A well planned itinerary gave you the best of each place visited.

#### REMEMBER THE WONDERFUL SIGHTS

What an easy delightful restful way to travel! What wondrous sights you saw! And what an interesting story you will have to tell your friends.

Persons who wish to extend their journeys to Colorado and the east and to enjoy the advantages of our escorted

tours through Yellowstone Park are invited to apply for further information.

#### SUGGESTIONS FOR TOURISTS

**Wearing Apparel.** Due to the altitudes en route cool weather is experienced. We suggest ordinary summer clothing with a top coat or sweater. Sport clothes are most useful and thick soled shoes are a convenience. Formal attire is not necessary.

**Dining car Service:** In our spacious dining cars the delicacies and substantial of the season are served in an efficient manner, comparable with the best Metropolitan hotel standards.

**Baggage Arrangements:** Unnecessary baggage is always a nuisance. Most persons agree that a roomy suitcase will hold everything essential for a comfortable trip through the National Parks. The free baggage allowance on the automobiles in the National Parks is 25 pounds (one regular suitcase); and on the railroads, 150 pounds of baggage is carried free. Passengers who may have a trunk or other baggage to be checked, should have their baggage checked at their home station to West Yellowstone, Montana, where it will be stored free of charge while they are making the park tour.

**The Department of Tours** assumes no responsibility for baggage, but in event of damage, delay or loss, will do all in its reasonable power to lessen the hardship incurred.

Our escort will furnish baggage tags, bearing your name and address. These tags should be attached to all baggage.
