BURLINGTON ESCORTED TOURS

THESE are planned summer vacation tours to the National Parks of the Rocky Mountains—magic Yellowstone whose mystifying geysers and other strange hot water phenomena have no counterpart in the whole world; Glacier Park where the Rockies surge and toss in the wildest confusion of mountain grandeur on the continent; Rocky Mountain National Park in the heart of Colorado's mile high mountain world, spiced with on-the-way travel treats—the Black Hills of South Dakota, Pikes Peak in the Colorado Springs-Manitou region, the breath-taking Cody Road through the Buffalo Bill country; four thrilling tours embracing the Pacific Northwest, Rainier National Park and Alaska through the famous "inside passage."

Every detail of each tour is carefully planned in advance. Train riding is done in special Pullmans; hotel tables at stopover points are set and ready when meal time comes; a fleet of motor cars awaits us at hotel door and station platform; bags and suitcases disappear when they require carrying but turn up magically in your hotel; there are no meal checks presented; no bills at all to pay in fact; the best of everything is seen and done without having to ask directions, consult time tables, maps or guide books; no chance of wasting a day doing the wrong thing and missing something more worth while. Everything is planned in advance all the way through. An escort who is at once a guide and a business manager relieves everybody of all responsibilities. A lump sum paid in advance covers all necessary expenses from start to finish. You see the most, in the best way and in the least time.

The total cost is well within average means and really surprisingly low—probably materially less than would result if you made an independent trip under the pay-as-you-go plan.

Conducted with success in 1925 and with even greater success in 1926, Burlington Escorted Tours enter their third successive season as a going concern, tried and retried—an idea proved to the complete satisfaction of the associated railroads which sponsor them (Burlington

Route, Great Northern Railway and Northern Pacific Railway) and endorsed by more than five thousand satisfied patrons.

The following pages contain mere outline sketches of the Escorted Vacation Tours. We hope you'll write for a copy of the 48 page illustrated booklet giving full details. The blank on page 14 is for your convenience.

J. G. DELAPLAINE,
Manager, Burlington Escorted Tours
547 West Jackson Boulevard, Chicago, Ill.

INFORMATION

The cost of each *Burlington Escorted Tour* covers all necessary expenses and is the aggregate of the costs of the component services so that the total may be fairly regarded as the lowest possible figure.

It will be noted that the cost of a tour varies according to Pullman accommodations used and that the individual cost is less if two persons occupy one berth.

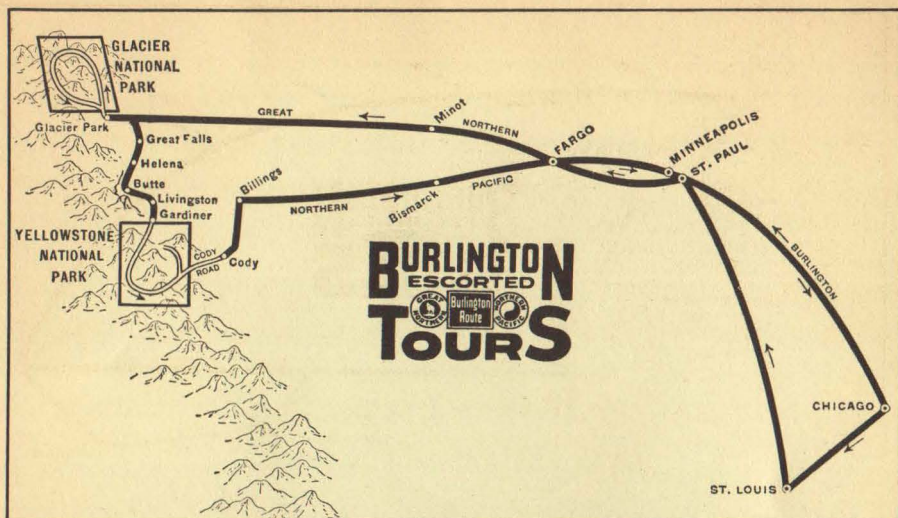

The cost for rooms at hotels is based on two passengers to a room without bath. There are two types of accommodation in Yellowstone Park—hotels and lodges. The hotels are great hostelrys, modern in appointments and attractive as to architecture. The lodges are miniature villages of rustic buildings embracing community recreation halls, dining rooms where all have meals family style—surrounded by the groups of lodges which are the sleeping quarters.

All meals on the trains are in the dining cars of the Burlington, Northern Pacific and Great Northern Ry.

Complete cost of each tour is shown also without railroad ticket since passengers from East of Chicago and St. Louis should purchase through railroad ticket at home station and in that way secure full benefit of the reduction in summer excursion rate.

Holders of free railroad transportation are not taken on these tours.

Bookings for tours are made by direct application to Mr. J. G. Delaplane, Manager, Burlington Tours, Burlington Building, 547 West Jackson Blvd., Chicago. However, all representatives of the Burlington Route, Great Northern or Northern Pacific shown herein are authorized agents for these tours and are prepared to render every assistance in the way of supplying detailed information, making reservations and definitely booking passengers.
