YELLOWSTONE NATIONAL PARK

The Land of White Magic

Come out to Yellowstone this Summer and see a vacation region unlike any other place on earth. Stand before the breathtaking display of Old Faithful as it performs its hourly, age-old stunt of awesome majesty. See the wondrous Grand Canyon, and the sublime spectacle of the Great Fall plunging in a mighty cascade over a heroic precipice twice as high as Niagara. Enjoy the funny, friendly bears. Yellowstone has 3500 square miles of interesting and diversified vacation attractions, every moment a fresh surprise.

The cost? This year a complete 2½ day tour through the Park, including motor transportation and meals and lodging at the splendid hotels, costs but \$42.50. This includes the thrilling 80-mile motor trip over the famed Cody Road . . . a way of spectacular scenery through the mighty Shoshone Canyon and Buffalo Bill country, and over the Absaroka Range of the Rockies. It is an old and well-founded saying that "If you don't see the Cody Road, you don't see Yellowstone."

Choice of 3 Routes

When you go Burlington to Yellowstone, a choice of three scenic routes enables you to go one way and return another without extra cost — via the "North Coast Limited" over the shortest route in fastest time . . . on the "Adventureland" alongside the romantic Black Hills and the Big Horn Mountains . . . or via Denver. Thus you can include the Black Hills and Colorado in your Yellowstone trip without additional rail fare and with no lost time. "Go Burlington" for best travel value.
