

BURLINGTON'S 100th ANNIVERSARY

1849 ~~~~~ 1949

The Burlington had its inception on February 12, 1849, when a group of citizens of Aurora, Illinois, obtained a charter to build twelve miles of railroad. It was called the Aurora Branch, and through trackage rights was the second railroad to serve Chicago.

From this modest beginning, through expansion and acquisition, has emerged the Burlington Lines of today, comprised of 11,000 miles in fourteen states.

The 35,000 men and women of the Burlington Lines are proud of its past progress and present achievements. The Burlington's first century, eventful and productive, lies behind us. Ahead is a new horizon, a new challenge, a new opportunity to serve more people better through the years to come.
