

Another Travel Convenience

RAIL-AUTO SERVICE

Go By Train . . . Rent a Car when you get there. The Rail-Auto plan gives you both: the comfort and dependability of rail service between cities . . . and the convenience and flexibility of auto travel at destination. Enjoy the relaxation and comforts of a modern BURLINGTON train and when you arrive at your destination, step into your new "private" auto for sightseeing or business. Car rental rates at destination are low—averaging from \$7.85 per day, plus about 9c per mile. Gasoline and oil are furnished.

There are no "extras" to pay . . . no hidden charges or minimums. And remember . . . 5 or 6 can ride for the low cost of one.

Your BURLINGTON representative will gladly tell you more about this travel convenience!
