COLORFUL COLORADO!

8 GLORIOUS DAYS

**All-Expense
"Go When You Please"
Tours Start Any Day
June 14 to September 6**

First Step in a Wonderful Colorado Vacation!

Your vacation begins in true Colorado spirit aboard the Burlington's famous *Vista-Dome Denver Zephyr*. For eight glorious days, Burlington relieves you of every petty detail . . . gives you a chance to breathe and relax . . . get away from it all. Burlington arranges for sightseeing, makes all hotel reservations, invites you to an outdoor chuck wagon dinner, includes all motor trips and all meals while you're in Colorado . . . and pampers you all the way back home again.

Picture yourself relaxing on the luxurious *Vista-Dome Denver Zephyr*. Sit with the passing view in the quiet Vista-Dome. Have a snack or a meal in the Chuck Wagon car or enjoy the faultless cuisine in the *Zephyr*

dining car. Enjoy the deep-cushioned reclining seats of the de luxe chair coaches; or Burlington's thrifty individual Slumbercoach facilities; or, if you choose a de luxe tour, anything from a roomette to a custom suite. However you go, you'll find your trip on the *Vista-Dome Denver Zephyr* the most comfortable, hospitable trip you ever took.

This is **YOUR** vacation all the way. You are not part of a group tour. You go any day you please. How is this possible at such remarkably low cost? Only the vast facilities of the Burlington Railroad, its many friendly contacts and years of experience in serving the West, can make this dream vacation come true.

Here's Your Independent "Personally Yours" Vacation

FIRST DAY

On the day you choose, you will board the Burlington's famous Vista-Dome Denver Zephyr in Chicago's Union Station. You'll unwind as you relax with the silky smooth ride of the streamlined Zephyr. Train leaves at 4:45 pm.

SECOND DAY

Step off the train at Denver into a wondrous world you'll never forget. Arrive at the "mile high" city's Union Station at 8:45 am. Leave by Rocky Mountain Motor Coach for Estes Park 9:15 am. En route you will view Longmont, Loveland and magnificent Big Thompson Canyon. Arrive for lunch at Estes Park Chalet Ranch. Afternoon and evening, you will be free to do as you please. Dinner and overnight at the Chalet. Located in a 300-acre tract with heated out-door swimming pool, the Chalet provides excellent entertainment and magnificent views.

THIRD DAY

After a hearty breakfast, leave for Grand Lake 8:45 am. Your specially designed Rocky Mountain sightseeing motor coach takes you over colorful mountain territory, world-famous Trail Ridge Road, direct to Grand Lake Lodge. Here, accommodations are in picturesque rustic cabins with meals and evening fun in the main lounge. After lunch you are on your own to ride, hike, fish, go boating or just relax. After dinner there is much to do before bedding down for the night.

FOURTH DAY

Today you leave Grand Lake Lodge 8:15 am. After an appetizing breakfast at the lodge, your motor coach follows along the Fraser and Colorado rivers, across the Continental Divide, through Berthoud Pass into the mining village of Idaho Springs and on into Denver. On arrival Denver lunch at the Shirley Savoy Hotel then board Continental bus leaving 2:00 pm., arriving Colorado Springs 3:30 pm. Here you'll find delightful reserved accommodations at the Antlers Plaza Hotel in the downtown area.

FIFTH DAY

Imagine the thrill of riding to the top of famous Pike's Peak, 14,110 feet high, and the breath-taking view from its summit. You'll find much to see and do around Colorado Springs, and the afternoon will be free for such activities as horseback riding or a visit to the United States Air Force Academy, but a few miles away. Tonight you're the Burlington's guest at the *Flying W Ranch for a real chuck wagon dinner and Western entertainment.

SIXTH DAY

One of America's most scenic sightseeing excursions is in store for today . . . the Will Rogers Shrine Circle. This is a marvelous four-hour sightseeing tour to the Will Rogers "Shrine of the Sun" memorial and the picturesque lodge at the summit of Cheyenne Mountain with its view of the rugged Rockies and eastern plains. You will see Colorado Springs' beautiful residential district, the state's first capitol, Spencer Penrose Stadium and Ice Palace and the Cheyenne Mountain Museum and Zoo. In the afternoon, there is more time for swimming, shopping or just plain loafing.

SEVENTH DAY

Sleep in late, or enjoy this morning doing whatever you like for your last day in Colorado. Leave Colorado Springs 2:00 pm via bus enroute to Denver. Beginning your homeward journey, leave Denver 4:25 pm on Burlington's Denver Zephyr enroute to Chicago.

EIGHTH DAY

Arrive Chicago's Union Station 10:15am after a never-to-be-forgotten Burlington Colorado Holiday.

*After Labor Day (September 1), tour patrons will be served dinner on the Fifth Day at their hotel in lieu of the Flying W Ranch.

YELLOWSTONE WONDERLAND

Yellowstone Wonderland . . . appropriately named by early explorers because of its wide variety of natural phenomena. It is the most extensive and spectacular thermal area in the world. But Yellowstone is not only geysers, hot springs and bubbling mud volcanoes . . . It is also the Grand Canyon of the Yellowstone River—24 miles of twisting, sheer-rock walls 1200 ft. deep, tinted with all colors of the rainbow . . . It is Yellowstone Lake—the largest mountain lake in North America at such high elevation (7,731 ft.) . . . It is also one of the greatest wildlife sanctuaries in the world. Wild animals in great numbers, including bear, elk, moose, deer, and bison roam unconcernedly over its mountainsides and meadows. This is Yellowstone—oldest National Park in the United States —the largest and one of the most popular Parks in which American families spend their vacation. So, plan now to take your family to Yellowstone . . . and go on Burlington-Northern Pacific's low-cost HOLIDAY TOUR. It is arranged to give you maximum travel enjoyment in a minimum amount of time.

COSTS FOR THE TOUR VARY FROM \$843.61 to \$1,188.61 on the basis of two persons to a room, each because of the many various locations on the boat. Accommodations on the boat so rated to accommodate a third person offers a sizable reduction which could be prorated. Consult your local representative. Single accommodations are limited and likewise more costly.

Vancouver

Picture yourself in one of the world's most beautiful harbors surrounded by towering mountains, modern skyscrapers, blue inlets, fabulous parks and luxurious gardens. See yourself browsing in fine shops, enjoying art festivals, sophisticated theater, a colorful parade of the Royal Canadian Mounties, and the exciting Vancouver night life. Fish for salmon, skyride up Grouse Mountain, watch a game of cricket. You visit Vancouver at the risk of wanting to stay forever. But don't succumb. There's even more to enjoy on your Princess Cruise.

Victoria

No, you didn't detour to Olde England. Victoria just seems like you did - tea and crumpets tweeds, fish and chips, even a Parliament Building. You'll love its flower gardens, antique shops, double-decker London buses. You've sailed "Italian style" to Alaska and Canada, now you can enjoy Great Britain, too, during your two-week vacation.

Skagway

Recapture the days of the Klondike Gold Rush...the Trail of '98 over Chilkoot Pass. Walk wooden sidewalks past the false front buildings and take a look at history. Then prepare for the "Talent Rush." It's an old tradition that local talent in Skagway puts on a "Days of '98" show every night a cruise ship is in port. Star attractions? "The Shooting of Dan McGrew" and the can-can dance hall girls.

Prince Rupert

In this key highway and seaway terminus of the Alaskan Panhandle, you'll watch the picturesque fishing boats set their nets for salmon and halibut. You can visit a cannery and see the largest cold storage plant in the world. You'll see Indian artifacts in the famous museum, enjoy beautiful parks, modern restaurants, and spectacular scenery.

Ketchikan

This is totem pole country and, as "Salmon Capital of the World," it's the perfect spot to try for a giant King Salmon in cool blue waters by emerald islands. This wide open frontier town stretches along a narrow strip of land squeezed between the Pacific and the towering mountains of Revillagigedo Island. Walk its board streets, fly by bush plane to one of the hundreds of nearby trout lakes, go watch a lumberjack top a giant pine, stroll the driftwood-laden beaches.

Juneau

Juneau is Alaska's capital city. Here you can ride in an ore car through one of Alaska's fabled gold mines, visit the State's historical museum, and see the spectacular Mendenhall Glacier, a hundred feet high. You can play golf on the "Million Dollar Course" where the fairways are made of crushed quartz containing flecks of gold. Bring your camera and "shoot" a deer, a bear, or maybe a moose.

TOUR COSTS INCLUDES

- * Round trip rail fare from Chicago to San Francisco and supplemental seat charge
- * Lodging - 2 nights in San Francisco
- * Transportation, meals and lodging on the Princess Italia

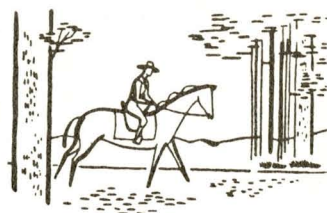

COST DOES NOT INCLUDE

- * Transfers in San Francisco
- * Meals other than on the Cruise
- * Port of call sightseeing tours
- * Pullman on train which is available

General TOUR Information

HOW TO JOIN TOURS

Request for reservations, or, additional information, should be made through any local Burlington, Great Northern, or Northern Pacific Railroad representative, local Travel Agent or to any of the following railroad offices.

COST OF TOURS

The costs on most tours includes coach rail fare and basically hotels-two to a room. Sleeping car accommodations are available and where specific costs are not shown, such costs may be secured from your local rail representative or Travel Agency. Rates for children are based on their age and accommodations desired. Cost for each tour shows exactly what it includes.

TIMES SHOWN

All times shown are universal standard time in effect in each area during the season you travel, i.e., Central, Mountain or Pacific times.

CHANGE IN RATES OR SCHEDULE

We reserve the right to make alterations in the tours as may be deemed necessary due to changes in train and auto schedules or for other causes. Rates quoted herein are subject to change without notice.

PERSONAL TIPS

With regard to the tipping of train porters, waiters, bell - boys and bus drivers, the usual practice among a majority of our patrons has been to provide such gratuities on a basis of service rendered. In other words, you may tip as you wish---these expenditures are being considered purely personal and not included in our tour costs. Where tips have been included in any of these tours, that item will be shown under "Tour costs includes".

YOUR APPAREL AND BAGGAGE

Always Travel Light but Comfortably!

On Mountain Park tours, while these are summer journeys the nights in the mountains and the cool invigorating auto rides make desirable mediumweight wraps, sweater coats or a wind and weatherproof outer coat. Slacks and outing suits are worn throughout the mountain territory. Stout sports shoes or boots should be part of your outfit. On Pacific Coast tours, with the weather almost universally warm, lightweight sports outfits are most appropriate for day wear, plus comfortable walking shoes.

After the day's activities, the dinner hour and evening lounge or dance naturally suggest a change from the habiliments of travel and outdoor life. While formal evening attire is entirely unnecessary, it is desirable to carry informal dinner clothes.

One medium-sized suitcase or traveling bag should hold sufficient clothing for any tour of two weeks or less.

In any case trunks are unnecessary. Due to frequent handling - durable baggage with strong handles is essential.

Because of the change of climate and of mountain altitudes it's advisable to include cold cream and the usual lotions for sunburn and chapped lips. The usual bright sunlight also suggests you bring colored glasses.

LIABILITY

The responsibility of the railroads involved while providing their transportation shall be that of a common carrier, for same maybe limited or controlled by terms of its tickets and applicable tariffs, for causes of action resulting from the acts, defaults or omissions of its officers, servants and employees. The arrangement of procurement by the railroads of tickets, services, accommodations of travel to be furnished by persons other than the railroads shall be done as agents of the person purchasing the same. The railroads shall not be liable or responsible for any acts or defaults or omissions of officers, servants, agents, and employees of others. The right is reserved to cancel or alter any tour.
