Native Colorado Flowers

Upper left: Colorful bouquet of Buttercup, Anemone, and Fringed Gentian.

Front Cover:

WILD ROSE: Delicate pink to red flowers, fruit round or pear-shaped. Found in profusion from the foothills up.

LUPINE: The Mountain Lupine is the common "blue bonnet" of the higher mountains. Flowers are commonly blue with purple spots. Others are Rusty and Silvery.

These are reproductions of original floral paintings in the bedrooms and compartments of the Denver Zephyr.

Upon request, the dining car steward will gladly present you with reproductions, suitable for framing.
