For your convenience and enjoyment, a spacious buffet-observation lounge is provided at the rear of the Texas Zephyr. Refreshments are available. A small library of popular magazines and a writing desk will be found in the lounge section.

The dining car is serving lunch at departure from Denver and Dallas, and it offers continuous meal service throughout the dinner hours. Breakfast served prior to arrival Fort Worth and Dallas or Denver. We suggest that you enjoy delicious Burlington meals while enroute. The diner is located just ahead of the Pullmans.

We trust you will have a comfortable trip on the Texas Zephyr and that you will be aboard again before too long.
