

WELCOME

to the California Zephyr

Dinner in the dining car is on a reservation basis so as to avoid standing in line. Advance selection of a dining hour by each passenger should provide reasonable assurance that a seat will be available at the appointed time.

The Zephyrette will pass through the train each afternoon to see about your reservations for dinner that same evening. We earnestly request your cooperation by being in the dining car at the selected time.

No reservations are necessary for breakfast or lunch in the dining car or for any meal service in the buffet car.
