VISTA-DOME *DENVER ZEPHYR*

Modern color schemes—restful and refreshing

The vivid blues of Colorado's lakes and skies, the cool greens of her forests, the rich warm shades of her rocks and soil—you'll find them all in the colorful Vista-Dome Denver Zephyr.

Gay floral pictures in private rooms

There's a distinctive floral painting in each bedroom and compartment. Here you'll see the columbine, the fringed gentian, the lupine, the deer vine, the wild rose, and many others native to Colorado.

Authentic Western Murals

Pause in the Chuck Wagon and admire the paintings of cowboy life...and in the parlor-observation-lounge, where the murals depict mountains, lakes, and forests of Colorful Colorado. They're interesting and educational.

Fascinating Wood Carvings

There's a lot of good humor (and a little Western sentiment, too) in the unique wood carvings in the Chuck Wagon. Created by Lorn Wallace, famous Denver sculptor, they add a distinctive decorative touch you're sure to enjoy.

Perfection... Plus IN RESTFUL RELAXATION

THE Colorado Room

Famous Burlington meals, served in a colorful new dining car. Prepared with pride...served with a smile...dinner and breakfast aboard the new *Denver Zephyr* are travel experiences to be relished and remembered!

Perfection... Plus IN WESTERN HOSPITALITY—
THE CHUCK WAGON DZ

Everyone will love the friendly informality of the Chuck Wagon. Rich warm colors blended with a wealth of Western character give this car an atmosphere you'll truly enjoy and long remember.

If you like the legends of life on the open range (and who doesn't?) you'll be truly fascinated with the Chuck Wagon.
