

TICKET REGULATIONS.

STOP OVER CHECKS will be granted only to holders of first class unlimited coupon tickets. All other tickets, of whatever kind or class, are good for a continuous ride only, from starting point to destination.

RATES FOR CHILDREN.

Children under five years of age, in charge of a competent person, are carried free; those between five and twelve years of age are required to pay half fare; and those twelve years of age and over, full fare. This rule is rigidly enforced, and if children are old enough to render the payment of their passage necessary, it will be a saving to purchase tickets for them before taking the cars.

BAGGAGE REGULATIONS.

Baggage consisting of ordinary wearing apparel, and not exceeding one hundred and fifty pounds to each full ticket, and seventy-five pounds to each half ticket, will be checked free through to destination of tickets and forwarded on same train as the passenger. Excess weight will be charged for at regular tariff rates. No single piece of baggage weighing over two hundred and fifty pounds will be checked; if weight of baggage exceeds that amount it will have to be divided or forwarded by express.

To avoid inconvenience and possible detention, passengers with baggage should purchase tickets at least twenty minutes before advertised leaving time of train on which it is the intention to take passage, as the rules of the Company require Baggage Agents to examine tickets before checking baggage.

Notice is hereby given that the Company is not responsible for the loss of baggage or parcels left at stations or in the cars.
