THE STANDARD RAILROAD WEEKLY FOR ALMOST A CENTURY

FEBRUARY 12, 1951

The luxurious City of Miami—Florida queen of the Illinois Central Railroad streamline fleet—has been powered since its birth in 1940 with General Motors Diesel locomotives. Covering four million miles in ten years, the City of Miami has grown from one 6-car coach train to two 15-car coach and Pullman trains. Other famous Illinois Central trains—Panama Limited, City of New Orleans, Land O’Corn, Green Diamond and Daylight—are also powered with General Motors locomotives.
