HOW TO READ A TIME TABLE

First, locate station in index which is alphabetically arranged. The numbers opposite the station refer to the tables in which service to or from that station is shown. On the left-hand side read the time from top to bottom, on the right-hand side, from bottom to top. Where no time is shown, trains do not stop. All reference marks for which explanation is usually given on same page should be read carefully. Stations shown in dark type are junction points or terminals. Time shown in light numerals indicates a.m. Time shown in dark numerals indicates P. M. Unless otherwise indicated, the time at each station is the leaving time. Central Time is used east of Moberidge and Murdo Mackenzie, So. Dak.; Mountain Time west of Moberidge and Murdo Mackenzie, So. Dak.; Pacific Time west of Avery, Ida.

Don't Waste TRANSPORTATION

Of the 6,800 Pullman sleeping cars and 17,500 passenger coaches on the railroads today, a large part are assigned to troop service. Essential travel on war business — men on furlough—fire shortage and gasoline rationing—all add to the demand for space on the trains. That demand must be met with the cars we have — other war needs make it impossible to get any more. So please help the other fellow who must travel — and help yourself — and help us to get the best use out of what we have.

Don't Waste Transportation

Plan ahead—avoid week ends and holidays—travel light.

*Fog or Gale

FLYERS call it "zero, zero"—the kind of weather that grounds even the birds. But it doesn't stop the movement of war materials that are shipped by rail—the bombers and pursuits moving in crates on flat cars, the tanks and jeeps, the guns and ammunition. Wartime America is thankful for her vital network of railroads with four times as much mileage as those of Germany, Italy and Japan combined. Our railroads carry the vast bulk of our war front and home front traffic. If the railroads stop, we all stop—but the railroads don't, and won't.

One vital unit in our nation's railroad system is **The Milwaukee Road**—traversing 11,000 miles of productive territory in 12 midwestern and northwestern states. This railroad has played an important role in America's commercial and social development for 92 years, and today is doing the biggest job it ever tackled.

Is Someone Waiting for Your Seat?

Dining car seats are in great demand these days. Our Fighting Men are continuously on the move—on furlough or on assignment. Civilian travel too, is up and rapidly increasing due to restrictions on other forms of transportation. So our dining cars are being called upon to serve many more patrons than usual.

As we can't get new dining cars the only solution is faster service and more "sit-tings". We're not asking you to hurry. We want you to dine leisurely and fully enjoy your food. But we would appreciate it if you'd forego lingering for a smoke or a chat after finishing your meal.

If you've ever had to wait for a seat in the dining car you'll know exactly what we mean. Thanks for your cooperation.

GET IN THE SCRAP!

Gather up every bit of scrap around your neighborhood, home or your farm . . . all kinds of metals, hemp and manilla rope, rags, rubber, brass, copper, zinc, iron and tin, and turn it over to your local collecting organization. Help feed the great furnaces that are supplying raw materials for building the ships, tanks and guns we need to win this war.

DISCOVERING NEW FRONTIERS IN AGRICULTURE AND MINERAL RESOURCES

Discovering new frontiers in agriculture and mineral resources, in areas served by the Milwaukee Road in Washington, Idaho, Montana, North Dakota, South Dakota, Minnesota, Iowa, Missouri, Wisconsin, Michigan, Illinois and Indiana, is the duty of the Agricultural and Mineral Development Department. The pioneering spirit is characteristic of Americans. Recognizing this fact, our well trained Agricultural Agents and Geologists are able to serve all seeking new fields of opportunity.

Our new and up to date free lists of reasonably priced farms, ranches and recreational properties are in constant demand.

Your inquiries regarding farm and ranch locations, types of agriculture best adapted for localities served by the Milwaukee Road and matters relating to mineral development, will receive our prompt and careful attention.

A word of
THANKS

to the Shipping and Receiving Ends
of the Transportation Team

In these critical times, a high spirit of patriotism is manifested in the close cooperation that exists in every vital industry throughout America. But in no field is teamwork playing a more important role than in the transportation industry.

Only those with their ears close to the humming rails know what obstacles have been overcome, what bottlenecks have been broken, what seemingly impossible results have been achieved. And this amazing performance is due to the superb cooperation being given the transportation agencies by Shippers and Receivers. In the face of unprecedented tonnage, deliveries are being made, and being made "on time."

Coordination of Patron and Carrier is the answer. Shippers are ordering equipment only as required, cars are loaded and unloaded quicker than ever before, carloads are the heaviest in history. All this sounds simple but it is accomplished only through meticulous planning and around-the-clock surveillance.

The Milwaukee Road salutes the Shipping and Receiving members of its team! The members of the Fighting Forces may be sure that the vital demands of the Nation's domestic transportation are being met and will continue to be met until victory is ours.

In Wartime, War Materials have the right of way

GENERAL INFORMATION

Liability. This railroad will not be responsible for errors in time tables, or fares, inconvenience or damage resulting from delayed trains or failure to make connections. Schedules and fares herein are subject to change without notice.

Buy Tickets before boarding trains and save money.

Children under five years of age free, when accompanied by parent or guardian; five years of age and under twelve, one-half fare; twelve years of age or over, full fare.

Adjustment of Fares. In cases of dispute with Conductors or Agents, pay the fare required, take receipt and communicate with Mr. W. J. Cannon, Assistant Passenger Traffic Manager, Chicago.

Redemption of Tickets. Tickets unused, or partly used, will be redeemed under tariff regulations.

Through Tickets to important points on other lines are sold at principal stations (see index reference +) and baggage is checked thereon to destination. Persons desiring to purchase through tickets at stations where they are not regularly on sale can procure same by giving ticket agents sufficient time to secure them from nearest interline ticket office.

Tickets Must Be Used Within Limit. One-way tickets will be honored within thirty days and round-trip tickets within three months from date purchased. Passengers must reach destination not later than midnight of date of expiration.

Baggage. Certain trains of this Company do not carry baggage. To facilitate prompt receipt of baggage at destination, passengers are requested to check it in advance in order that it may be forwarded on a preceding train.

Baggage Maximums. No single piece of baggage exceeding 300 pounds in weight, or 72 inches in greatest dimension, or exceeding \$2,500 in value, will be checked. Free allowances subject to tariff stipulations as to contents, weight, value and size.

Liability Limited. Excess value must be declared and paid for at time of checking.

Bicycles (not motorcycles), **Baby Carriages**, **Dogs and Guns** are transported in baggage cars subject to tariff regulations.

Dogs, Cats or other small animals when carried in baskets or containers, may be taken into drawing rooms, compartments or bedrooms in sleeping or parlor cars. Dogs checked on a leash for movement in baggage cars must be muzzled; dogs checked in crates for movement in baggage cars need not be muzzled.

Lost Articles. Don't forget your parcels—any loss should be reported immediately to General Baggage Department, 221 Union Station, Chicago, Illinois, or nearest agent or representative—the Railroad will not be responsible for unchecked articles left in stations or cars.

Transfer at Chicago. All Chicago, Milwaukee, St. Paul and Pacific Railroad trains in Chicago arrive at and depart from the Union Station, Adams & Canal Sts. and Jackson Blvd., used jointly with the Pennsylvania System, Chicago, Burlington and Quincy R. R. and The Alton R. R. When passengers hold through tickets and baggage checks over roads that do not use the Union Station they are transferred to their outgoing station, by the Parmelee Transfer Company.

Taxi-Cab and Baggage Transfer at the Union Station, Chicago. Uniformed agents of the Parmelee Company will arrange for baggage transfer to hotels and residences, and to stations of other railroads.

Taxi-cabs are also available.

Telegraph Service. Western Union Telegraph Co. accepts telegrams, cablegrams, night letters, etc. at all telegraph offices on lines east of Mobridge. Continental Telegraph Co. operates on lines west of Mobridge.

Express Service. From all stations on this railroad, shipments by express may be sent over the shortest routes to any point in the United States, and Canada, served by the Railway Express Agency.

National Travelers Aid Society Representatives are at many of the larger stations to assist unprotected children and those in distress. Inquire of the station force for a National Travelers Aid Society representative.

Power That Serves The Nation

FIGHTING POWER
at the Front depends on
Horse Power
at Home

It takes plenty of power, on rails, to keep America's War program rolling. The Milwaukee Road has the power and other facilities needed to speed the transportation of troops and munitions and to maintain the flow of essential civilian traffic.

**LET
FREEDOM
RING!**

HIGH ABOVE the roar and rumble of you hear the bells of freedom ringing on tens of thousands of rushing railroad locomotives.

Those bells dramatically symbolize the strength and resourcefulness and determined will of this land of free men to whom freedom of initiative and freedom of opportunity have never been denied.

America's railroads, planned by free men, financed and operated by free men, managed by men with a strict sense of responsibility towards those who patronize them and to-

wards their government, have done more perhaps than any other one activity to make this a nation united and indivisible.

One truly representative American railroad is the far-flung, 11,000-mile Milwaukee Road—with bands of shining steel linking the industrial ports of the Great Lakes to the world ports of the Pacific North Coast. This railroad is proud of the productive region it serves and proud to be a part of America's free railroad system.

Untrammelled transportation facilities are vital to victory! **LET FREEDOM RING!**
