We are pleased

to have you on board today to join
us in celebrating the

Twenty-fifth ANNIVERSARY of Hiawatha Service

On May 29th, 1935, the first Hiawatha Train was placed in service between Chicago and the Twin Cities.

Today we are turning back the clock twenty-five years, and the menu that we are offering you is typical of that which was offered our guests in 1935. The price of this meal is the actual charge that was made on that memorable occasion. We want you to enjoy your meal and, perhaps, it may bring back memories of your former travels on the Hiawatha.

*Take this menu home with you as your
souvenir of the 25th anniversary run of
the Hiawathas, 1935-1960.*
